So what is evil? What makes a person a "villain?" Is it intent to harm...or is it something deeper than that? Each one of the thirteen authors in this amazing collection has taken a completely different approach to answering this question. They have gone above and beyond expressing the idea of evil and supervillainy. They get to the bottom of why villains are the way they are, and what they hope to gain from it. These are dangerous women wielding Absolute Power... and they'll be glad to let you know exactly why you should fear them.

Homestuck, Book 1: Act 1 & Act 2 Iron Circus Comics
The ultimate collection from Maximilian Uriarte, author of The New York Times bestselling The White Donkey and creator of the world's most popular military comic strip. The eagerly awaited Terminal Lance Ultimate Omnibus will finally deliver the complete collection that fans of the military's most popular comic strip have been clamoring for. With over 500 strips, the collection will feature hundreds of the serialized comics published on terminallance.com, with additional comics previously published only on Marine Corps Times newspaper, and new, never-before-published comics. The Omnibus also includes Uriarte's signature blog entries and previously unpublished bonus material. Covering a wide range of topics, including the rules governing the wearing of military uniforms, the most popular (and the most disgusting) MREs, the difficulty of keeping a long-distance relationship alive across thousands of miles, and the struggles marines face upon returning home, Terminal Lance Ultimate Omnibus provides a hilarious and deeply intelligent look into every aspect of life for American Marines.

The game is on and time is running out...and back...and in loops, offshoots, and splinters. The time travel trolling campaign is in full, bewildering effect, as the players engage in sloppy shenanigans including dark magic, various investment scams, awkward advances, CULTUR4L 3XCH4NG3S, a ridiculous number of irons in the fire, a weird sort of alien hate-love thing, and a legendary nap. -- VIZ Media

The Homestuck Epilogues Turtleback Books
From the bestselling author of The White Donkey, a heartbreaking and visceral graphic novel set against the stark beauty of Afghanistan's mountain villages that examines prejudice and the military remnants of colonialism. In this hotly anticipated new work from Maximilian Uriarte, creator of the popular Terminal Lance comics and The White Donkey, tells a "thrillingly cinematic" (Publishers Weekly) story of the personal cost of war and the power of human connection. Lapis Lazuli is a rich blue semiprecious gemstone found deep in the Sar-i-sang mountains of Afghanistan's Badakhshan province. For thousands of years it has sustained the nearby mining villages, whose inhabitants lived peacefully in the mountainous landscape--until the Taliban, known in the region as the Horsemen, came to seek the riches stored deep beneath the earth. Taliban rule has turned the stone into a conflict mineral, as they steal and sell it for their own gain. At the behest of the fledgling Afghan government, seeking to wrest back control of the province, United States Marines are sent into the mountains. A platoon led by their eager and naive commander, First Lieutenant Roberts, and a stoic, fierce squad leader, Sergeant King, must overcome barriers of language and culture in this remote region to win the locals' trust, and their freedom from Taliban rule. Along the way, they must also wrestle with their demons--and face unimaginably difficult choices. A sweeping yet intimate story about brutality, kindness, and the remnants of colonialism, Battle Born: Lapis Lazuli is an epic saga from the voice of a new generation of military veterans.

Raleigh doesn't have a soul. A cat stole it -- at least that's what she tells people -- at least that's what she would tell people if she told people anything. But that would mean talking to people, and the mere thought of social interaction is terrifying. How did such a shy teenage girl end up in a car with three of her hooligan classmates on a cross-country road trip? Being forced to interact with kids her own age is a new and alarming proposition for Raleigh, but maybe it's just what she needs -- or maybe it can help her find what she needs -- or maybe it can help her to realize that what she needs has been with her all along. This special hardcover edition of Bryan Lee O'Malley's classic coming-of-age graphic novel includes previously uncollected shorts and extra bonus material.

As the Crow Flies Dark Horse Comics
A full-color, hardcover collector's edition of the landmark webcomic. Years in the past, but not many, a webcomic launched that would captivate legions of devoted fans around the world and take them on a mind-bending, genre-defying epic journey that would forever change the way they look at stairs. And buckets. And possibly horses. Now this sprawling saga has been immortalized on dead trees with notes from author Andrew Hussie explaining what the hell he was thinking as he brought this monster to life. A must-have for Homestuck fans who want to re-experience the saga or for new readers looking for a gateway to enter this rich universe. As the game sessions tick down into their final hours, the players spin up into frenzied action. Their rivalries and ridiculously elaborate competing plans entail 2pooky paranormal phenomena, random teleportation murders, grimdarkness, crazy suicide missions, silly conversations, password nonsense, lipstick chainsaw retribution, wrecking some havoc, and being santa.

The Starlight Calliope Harper Collins
"A black tide of perversity, violence, and lush writing. I loved it."
—Joe Hill
Debut author Jennifer Giesbrecht paints a darkly compelling fantasy of revenge in The Monster of Elendhaven, a dark fantasy about murder, a monster, and the magician who loves both. The city of Elendhaven sulks on the edge of the ocean. Wrecked by plague, abandoned by the South, stripped of industry and left to die. But not everything dies so easily. A thing without a name stalks the city, a thing shaped like a man, with a dark heart and long pale fingers yearning to wrap around throats. A monster who cannot die. His frail master sends him out on errands, twisting him with magic, crafting a plan too cruel to name, while the monster's heart grows fonder and colder and more cunning. These monsters of Elendhaven will have their revenge on everyone who wronged the city, even if they have to burn the world to do it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
