I am having the very same problem with the Honda 16 HP on a Sears LT 2000 riding mower. Very few hours, and black, badly fouled plugs. The Sears repair guys came out and told me that there are no carb adjustments on this engine and that is probably bad gas. I have used new gas with new plugs and it is still coughing, sputtering and losing power ... Honda GCV530 (16 HP) V-twin small engine
