

---

that's where the engine swappers come in. In *Honda K-Series Engine Swaps*, author Aaron Bonk guides you through all the details, facts, and figures you will need to complete a successful K-Series swap into your older chassis. All the different engine variants are covered, as well as interchangeability, compatibility, which accessories work, wiring and controls operation, drivetrain considerations, and more. While you can still modify your existing B-Series, dollar for dollar, you can't make more power than you can with a Honda K-Series engine. If you have an older chassis and are looking for a serious injection of power and technology, swapping a K-Series engine is a great option. *Honda K-Series Engine Swaps* will tell you everything you need to know.

St Paul Sunday Missal

A comprehensive guide to modifying the D, B and H series Honda and Acura engines.
