She's the one woman I'd give  
anything to forget--and now  
I'm stuck living with her. I'm  
making a fresh start in Lake  
Tahoe, until my stubborn sister  
decides to move Mira into our  
cabin. I'll be damned if I move  
out on Mira's account. Nothing  
has changed in the years since I

---

last saw Mira. Her tempting body and smart mouth taunt me daily. The only hope I have at keeping my sanity is the knowledge that Mira is hiding something. Sooner or later I'll discover her secret, and knowing her, it'll be damning. But first, I have to ignore the urge to kiss and touch and make Mira mine again. --EXCERPT-- I grab her waist, guiding her back against the shelves. She kisses my cheekbone, nibbles my earlobe. "We can't do this here." That nibble shoots straight to my groin. "I beg to differ. I think we can manage." Once the walls come down, emotions run hot. Two NEW tales of GONJI SABATAKE, the itinerant samurai-Viking warrior! A rallying cry for fans of the popular 1980s heroic-fantasy series. An ideal entry point for new readers! The novelette "Reflections in Ice" -- picking up a mature Gonji, already well into his ca. 1600 A.D. European adventures, ensnared in a desperate crossfire between monstrous oppressors: the undead assassins of the Dark Company; and mysterious horrors residing in remote caves of the snowbound

---

Pyrenees... The novella "Dark Venture" -- the most intense, action-packed and classic-pulp-worthy Gonji tale in the canon. The first-ever story of "young Gonji," in dishonored exile from his native land. Now facing deadly peril during a bizarre and ghastly sea voyage; caught in the clutches of a hell where corrupted spells of evil magic go to die... ALSO included is the essay "The GONJI Odyssey"—the definitive chronicle of the series' creation and publishing history... PLUS, a generous preview of the coming NEW Gonji novel: the audacious origin tale of Gonji's world -- BORN OF FLAME AND STEEL! "People will not know what hit them when they read 'Dark Venture.' It's

one of the most exciting (and gruesomely bonkers) sword-&-sorcery stories I've had the pleasure of reading." --Fletcher Vredenburgh, Black Gate Magazine "One of the most original characters in heroic fantasy returns in all-new adventures that are truly epic. The return of Gonji Sabatake is a cause for epic celebration." --Joe Bonadonna, MAD SHADOWS

Sometimes you know things you 're not supposed to know. Things that you can never un-know. Things that will change the course of your life...and the fate of the ones you love. I found her in our living room, bleeding and close to death, but alive. Barely. Until morning stole her last breath. The media

called her killer the

" Triangle Terror " ... and then forgot about her. But I never forgot—my murdered sister, and an investigation that led to my own

resurrection from the dead.

Twenty-two years ago, on a cold February night, Landon Worthington lost his father for the last time. After an armed robbery gone wrong, evidence and witness testimony pointed a shaky finger at Dan

Worthington—deadbeat dad and alcoholic husband. But before the dust could settle over the conviction, Landon 's preteen sister, Alexis, is murdered in their home, plunging Landon 's life into further despair. Two decades and a cold case later, Landon is dogged by guilt over their estranged relationship and decides to confront his incarcerated

father about what really happened the night of the robbery. But the years of lies are hard to unravel. And the biggest question of all haunts him: How does everything tie into his sister ' s murder? And so begins Landon ' s journey to piece together the puzzle of secrets, lies, and truths that can free his father, avenge his sister, and perhaps save himself. A short story mystery perfect for fans of Robert Dugoni's Third Watch and Dean Koontz's The Neighbor. Read as a standalone or as the companion book to A Secondhand Life. Laura Berk's Development Through the Lifespan is relied upon in classrooms worldwide for its clear, engaging writing style, exceptional multicultural and cross-cultural focus, cutting-edge consideration of the interrelationships between heredity and environment, rich examples, and long-standing commitment to presenting the most up-to-date scholarship. This new edition continues to offer students research-based practical applications that they can

---

relate to their personal and professional lives. Laura Berk, renowned professor and researcher, has revised the text with new pedagogy, a heightened emphasis on the interplay between heredity and environment, and an enhanced focus on many social policy issues, while emphasizing the lifespan perspective throughout. The latest theories and findings in the field are made accessible to students in a manageable and relevant way. Berk's signature storytelling style invites students to actively learn beside the text's "characters." Students are provided with an especially clear and coherent understanding of the sequence and underlying processes of human development, emphasizing the interrelatedness of all domains—physical, cognitive, emotional, social—throughout the text narrative and in special features. Berk also helps

students connect their learning to their personal and professional areas of interest. Her voice comes through when speaking directly about issues students will face in their future pursuits as parents, educators, health care providers, social workers, and researchers. As members of a global and diverse human community, students are called to intelligently approach the responsibility of understanding and responding to the needs and concerns of both young and old. While carefully considering the complexities of human development, Berk presents classic and emerging theories in an especially clear, engaging writing style, with a multitude of research-based, real-world, cross-cultural, and multicultural examples. Strengthening the connections among developmental domains and of theory and research with applications, this edition's extensive revision brings forth

Pearson College Division  
Take a full-throttle tour through more than a century of Harley-Davidson history with this definitive e-guide. The Ultimate Harley-Davidson tells the story of the world's greatest motorcycle make--from its origins in a backyard shed to the international company it is today, more than 100 years later. From the early bikes and their key innovations to the v-rods and sports bikes of recent years, it is the complete e-guide for lovers of this American classic. Gloriously illustrated gallery spreads showcase more than 70 of the best-loved Harleys ever created, drawing out their defining features. Spectacular close-ups of key engines explain how the classic Harleys ran, while an updated catalog of every

production model provides technical data and key specs for each bike. Whether you're an easy rider or born to be wild--or just mad about motorcycles--there is only one Harley-Davidson, and this is the ebook for you.

beauty of imperfections, the allure of time-worn objects, and the appeal of simple practical living: these are the cornerstones of what has come to be known as the Shabby Chic style. Like the cozy familiarity of a well-worn pair of faded jeans, the dilapidated elegance of an Italian villa, or the worn grandeur of faded velvets and mismatched floral china handed down from your grandmother's attic, the Shabby Chic style is a revived appreciation for what is used, well-loved, and worn. It is a respect for natural evolution and a regard for what is easy and sensible. The hundreds of lavish photographs in this book invite you inside the unique world of Shabby Chic. Rachel Ashwell, founder of the Shabby Chic home decor stores, for the

first time provides her invaluable and much-sought-after advice on how to re-create Shabby Chic style in your own home. With engaging text and easy-to-follow instructions, Rachel details the Shabby Chic basics in a way that will put even the most apprehensive or novice decorators at ease. From flowers to fabrics to lighting, Rachel illuminates all of the elements essential to this unpretentious yet truly exquisite style. A behind-the-scenes look at a flea market lets readers in on Rachel's personal secrets of how to cull hidden treasures from flea market trash--an old trunk, its paint peeling around the edges, can be given new life as a coffee table, while a chipped white iron salvage piece becomes the perfect frame for a vintage mirror. This book

---

tells you not only how to restore these pieces but how to find the perfect place for them in your home.

Gorgeous color photographs and accompanying text reveal how this relaxed look works with a variety of different styles, from Victorian to Mediterranean to contemporary.
