On the upside, there is relief on the way, in the form of a 90kW/300Nm 1.6-litre diesel Honda will add to the lineup in 2013. Specs were scant at the time of writing – it ' s brand new over in the UK, where the car is made. But it ' s a good bet that for a small premium it will help push the Civic towards the class leadership Honda so craves.

2013 Honda Civic — This car has nearly all the electronics of my other car... a Mercedes, and is an awesome car for the price. The maintenance costs are very low and the drivability of the car is great. The materials and quality of workmanship for a car this class is better than others including Corolla and certainly better than the Sentra or most Nissans in the class
