troubleshooting section --Valuable  
short cuts --Color spark plug  
diagnosis  
The Radio Dealer Dundurn  
During the last two decades, sustainability has  
become the dominant concern of  
transportation planners and policymakers. This  
timely text provides a framework for  
developing systems that move people and

---

products efficiently while minimizing damage to the local and global environment. The book offers a uniquely comprehensive perspective on the problems surrounding current transportation systems: climate change, urban air pollution, diminishing petroleum reserves, safety issues, and congestion. It explores the full range of possible solutions, including applications of pricing, planning, policy, education, and technology. Numerous figures, tables, and examples are featured, with a primary focus on North America.

### **WALNECK'S CLASSIC CYCLE**

**TRADER, AUGUST 1996** A&C Black

The March 2011 Great Tohoku Earthquake and Tsunami devastated the northeast coast of Japan. The resulting destruction of several nuclear reactors in the region cut off electricity for homes and industry.

Manufacturing facilities which are integral to the global motor vehicle supply chain were also affected. Some of these factories that were forced to close provided parts and chemicals not easily available elsewhere.

Contents of this report: Intro.; Overview of the Motor Vehicle Industry; The U.S. Motor Vehicle Supply Chain; High Tech.

Components Change Manufacturing Dynamics; Events in Japan Affect U.S.

Motor Vehicle Manufacturing and Retailing; What is the Near-Term Impact in the U.S.?

Ill. A print on demand report.

Trey Parker and Matt Stone's long-running Comedy Central hit cartoon South Park has been equally cheered and reviled for its edgy humor, pointed satire of current events and celebrities, and all-around obnoxiousness. But is there more to

---

Kyle, the lonely Jew, Timmy and the Crips, Cartman's bitchiness, Chef's inappropriate advice, and Kenny's continued violent deaths than meets the eye? This collection of essays affirms that possibility. Individual chapters take a sometimes witty, often provocative look at "Is South Park a Libertarian Manifesto?", "That's So Gay!", and "Why Is Cartman Such an Asshole?". The writers apply classical philosophical analysis to this two-dimensional dystopia, whether in Paul Draper's "Why Good Things Happen to Bad People — The Problem of Evil in South Park" or Randall Auxier's "Finding South Park on the Map: Officer Barbrady, Mayor McDaniel, and Chef in Plato's Republic." South Park and Philosophy presents new and thoughtful approaches to understanding this surprisingly meaningful show.

**Lemon-Aid Used Cars and Trucks 2010-2011**  
DIANE Publishing

The Honda K-Series engine was introduced in 2001, replacing the B-Series as the engine of choice for Honda enthusiasts. These new K-Series engines are the most powerful stock Honda/Acura engines you can get. They featured new technology such as a roller rocker valvetrain, better flowing heads, and advanced variable cam timing technology that made these engines suddenly the thing to have. And that's where the engine swappers come in. In Honda K-Series Engine Swaps, author Aaron Bonk guides you through all the details, facts, and figures you will need to complete a successful K-Series swap into your older chassis. All the different engine variants are covered, as well as interchangeability, compatibility, which accessories work, wiring and controls operation, drivetrain considerations, and

---

more. While you can still modify your existing B-Series, dollar for dollar, you can't make more power than you can with a Honda K-Series engine. If you have an older chassis and are looking for a serious injection of power and technology, swapping a K-Series engine is a great option. Honda K-Series Engine Swaps will tell you everything you need to know.

**Business Dundurn**

Offers advice for prospective buyers of cars and trucks, reveals information on secret warranties and confidential service bulletins, and tells how to complain and get results.

**Honda K-Series Engine Swaps Seal Press**

This book steers buyers through the the confusion and anxiety of new and used vehicle purchases unlike any other car-and-truck book on the market. "Dr. Phil," Canada's best-known automotive expert for more than forty-five years, pulls no punches.

**Cycle World Magazine Open Court**

As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy. Toyota -- enough apologies: "when you mess up, 'fess up."

Whether you're searching for your first job or apartment, navigating the treacherous waters of office politics, or just trying to figure out how to file your tax return, Gradspot.com's Guide to Life After College tackles the most common issues facing twentysomethings as they find their feet in the "real world." Authors Chris Schonberger, Stuart Schultz, David Klein, and Tory Hoen (twentysomethings themselves) have been through it all before, and they maintain a sense of humor about their triumphs and missteps along the way. In addition to sharing their own experiences and anecdotes, they have polled hundreds of recent grads and consulted topic experts to give readers the information they need, to find their feet beyond campus. Packed with indispensable tips, candid advice, and humorous dispatches from early

adulthood, this easy-to-use guide has everything you need to know but didn't learn in college!

Topics include: Finding an Apt, Job Hunting, Healthcare, Credit, Top Recent Grad Cities, Cars, Student Debt, Saving & Investing, Office Etiquette, Networking, Dating, Travel, Cooking, Moving Home, The "One-Year Rut", 401(k)s, and more.
