Easy and Effective Strategies to Jumpstart a Sustainable, Waste-Free Lifestyle We have a worldwide trash epidemic. The average American disposes of 4.4 pounds of garbage per day, and our landfills hold 254 million tons of waste. What if there were a simple—and fun—way for you to make a difference? What if you could take charge of your own waste, reduce your carbon footprint, and make an individual impact on an already fragile environment? A zero waste lifestyle is the answer—and Shia Su is living it. Every single piece of unrecyclable garbage Shia has produced in one year fits into a mason jar—and if it seems overwhelming, it isn't! In *Zero Waste*, Shia demystifies and simplifies the zero waste lifestyle for the beginner, sharing practical advice, quick solutions, and tips and tricks that will make trash-free living fun and meaningful. Learn how to: Build your own zero waste kit Prepare real food—the lazy way Make your own DIY household cleaners and toiletries Be zero waste even in the bathroom! And more! Be part of the solution! Implement these small changes at your own pace, and restructure your life to one of sustainable living for your community, your health, and the earth that sustains you.

In today's anxiety-ridden, stress-infused world, even a moment of quiet reflection has become a time-consuming luxury most of us just can't afford. How did we reach this point? How did we lose our direction and sense of control? And, most important, how can we reclaim our lives? Linda Kavelin Popov asked herself these same questions, after the pressures of her own workaholic lifestyle nearly destroyed her. Now, as cofounder of the International Virtues Project she helps others achieve a pace of grace—a pace for our lives that can balance and sustain us physically and spiritually. Through a four-part program that teaches you how to purify your life, pace yourself, practice the presence, and plan a sustainable life, *A Pace of Grace* offers simple ways to rediscover the essential elements of a life well lived. Complete with Linda's ten rules for health, this comprehensive guide is the first step in recapturing the joy and vibrancy inherent in each of us.

The Aspiring Minimalist’s Guide to Living Consciously and Contributing to a “Greener” Tomorrow “This is the perfect book for people that want to find a realistic roadmap to sustainable living.” ?The Holistic Millennial Eco-minimalism is a hot-button issue right now, and for good reason. Living a life with less can be the key to saving our precious planet. Break the consumption cycle. There’s so much to do, and way too much to buy. Whether it’s through late night TV ads, social media, or other sources of

influence, we are addicted to buying and then storing things. Sometimes we consume with no regret and other times we realize that we’re doing more harm than good to our wallets and our homes. It’s a constant cycle?one that many are longing to break. Who wants their hard-earned money to go toward something that soon ends up in a landfill? A guide to eco-minimalism with a plan that is realistic. Manufacturing "stuff" exploits Earth's precious (and finite) resources. And then there's the harsh reality of where it all goes. Our discarded possessions ultimately head to landfills and contribute to environmental pollution, releasing greenhouse gases during breakdown and decomposition. Sustainable Minimalism is the solution. Empower yourself to incrementally incorporate the tenets of sustainable minimalism into your home and life. Learn to master the easiest tasks first and build upon your successes?a practical and stress-free process. Now that’s sustainable! A blueprint for sustainability and stress management: How to gain greater mental clarity and increase your free time with fewer possessions Environmentally friendly ways of decluttering and organizing Ways to improve your financial stability, while going green at the same time How to get organized and operate a zero-waste home If you enjoyed books like *Zero Waste Home*, *The Minimalist Home*, or *The Life-Changing Magic of Tidying Up*, you’ll love *Sustainable Minimalism*.

Fifteen before-and-after furniture projects to create statement pieces—and tips on how to build a room around them: “As useful as it is beautiful.” —Justina Blakeney, New York

Times—bestselling author of *Jungalow* Knack Studio founder Barb Blair is famous for her knack with furniture—spotting classic pieces and transforming them into modern showstoppers. In this inspiring book, Blair goes beyond the nuts and bolts of furniture refinishing to show how to style rooms with each customized piece. For instance, she transforms a well-worn coffee table with a painted ombré design, and then reveals how to incorporate it into a bright and sunny den, a cozy reading nook, and a cheerful bedroom. With instructions for fifteen before-and-after furniture projects—dressers, tables, beds, armoire, and more—in Blair’s signature bold style, a “toolbox” section detailing her favorite techniques and materials, and photos of dozens of inspiring interiors, *Furniture Makes the Room* unlocks the secrets to decorating livable rooms around statement pieces.

Anna Silowski, highly educated, driven and successful, works as a curator in a prestigious palaeontological museum; Scott Macleod dropped out of school, has a confused relationship with his Native roots, and an alcoholic father in tow. After a day's prospecting leads Anna to make an extraordinary discovery in a remote part of British Columbia, the tensions below the surface of her successful career are exposed. Anna has carried for years terrifying knowledge that she feels she must keep secret, and now is pushed toward breakdown. She finds herself unexpectedly dependent on Scott, and recruits him to help on the excavation of her find. Scott is soon way out of his depth, and the excavation itself teeters on the edge of disaster... THE FIND is a compelling story about discovery, inheritance and fate, and a moving exploration of the possibilities that hide within a seemingly impossible relationship.
