A NEW YORK TIMES BESTSELLER WINNER OF THE 2019 NATIONAL BOOK AWARD FOR NONFICTION A brilliant, haunting and unforgettable memoir from a stunning new talent about the inexorable pull of home and family, set in a shotgun house in New Orleans East. In 1961, Sarah M. Broom ' s mother Ivory Mae bought a shotgun house in the then-promising neighborhood of New Orleans East and built her world inside of it. It was the height of the Space Race and the neighborhood was home to a major NASA plant—the postwar optimism seemed assured. Widowed, Ivory Mae remarried Sarah ' s father Simon Broom; their combined family would eventually number twelve children. But after Simon died, six months after Sarah ' s birth, the Yellow House would become Ivory Mae ' s thirteenth and most unruly child. A book of great ambition, Sarah M. Broom ' s *The Yellow House* tells a hundred years of her family and their relationship to home in a neglected area of one of America ' s most mythologized cities. This is the story of a mother ' s struggle against a house's entropy, and that of a prodigal daughter who left home only to reckon with the pull that home exerts, even after the Yellow House was wiped off the map after Hurricane Katrina. The *Yellow House* expands the map of New Orleans to include the stories of its lesser known natives, guided deftly by one of its native daughters, to demonstrate how enduring drives of clan, pride, and familial love resist and defy erasure. Located in the gap between the " Big Easy " of tourist guides and the New Orleans in which Broom was raised, *The Yellow House* is a brilliant memoir of place, class, race, the seeping rot of inequality, and the internalized shame that often follows. It is a transformative, deeply moving story from an unparalleled new voice of startling clarity, authority, and power.

#1 New York Times and internationally bestselling author Naomi Klein makes the case for a Green New Deal in this " keenly argued, well-researched, and impassioned " manifesto (*The Washington Post*). An instant bestseller, *On Fire* shows Klein at her most prophetic and philosophical, investigating the climate crisis not only as a profound political challenge but also as a spiritual and imaginative one. Delving into topics ranging from the clash between ecological time and our culture of " perpetual now, " to the soaring history of humans changing and evolving rapidly in the face of grave threats, to rising white supremacy and fortified borders as a form of " climate barbarism, " this is a rousing call to action for a planet on the brink. An expansive, far-ranging exploration that sees the battle for a greener world as indistinguishable from the fight for our lives, *On Fire* captures the burning urgency of the climate crisis, as well as the fiery energy of a rising political movement demanding a catalytic Green New Deal.

" Naomi Klein ' s work has always moved and guided me. She is the great chronicler of our age of climate emergency, an inspirer of generations. " —Greta Thunberg, climate activist "If I were a rich man, I ' d buy 245 million copies of Naomi Klein ' s 'On Fire' and hand-deliver them to every eligible voter in America...Klein is a skilled writer." —Jeff Goodell, *The New York Times*

Peter Hunn. It's common for homeowners to have 2- or 4-cycle small engines in their lawn and garden equipment, utility vehicles, recreational vehicles, generators and other machines. With this easy-to-follow, richly illustrated handbook, homeowners will be able to understanding small engines, troubleshooting them and working on them. The book has a brief history of significant and popular small engines and a guide to setting up a home workshop in which to work on them. It also includes case studies on the disassembly, maintenance, repair and/or rebuilding of: a 2-stroke lawnmower engine, a 4-stroke utility motor, a 2-stroke chainsaw engine, and a curbside junker. The writing is lively and entertaining and the color photos clearly show how to work on these useful engines.

Winner of the PEN/Faulkner Award • Winner of the Orange Prize • National Book Critics Circle Award Finalist • New York Times Readers' Pick: Top 100 Books of the 21st Century "Bel Canto is its own universe. A marvel of a book." —Washington Post Book World  
New York Times bestselling author Ann Patchett's spellbinding novel about love and opera, and the unifying ways people learn to communicate across cultural barriers in times of crisis Somewhere in South America, at the home of the country's vice president, a lavish birthday party is being held in honor of the powerful businessman Mr. Hosokawa. Roxanne Coss, opera's most revered soprano, has mesmerized the international guests with her singing. It is a perfect evening—until a band of gun-wielding terrorists takes the entire party hostage. But what begins as a panicked, life-threatening scenario slowly evolves into something quite different, a moment of great beauty, as terrorists and hostages forge unexpected bonds and people from different continents become compatriots, intimate friends, and lovers. Patchett's lyrical prose and lucid imagination make *Bel Canto* a captivating story of strength and frailty, love and imprisonment, and an inspiring tale of transcendent romance.
