*Popular Mechanics*

Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics.

Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

*American Book Publishing Record*

Progressive, untreatable nerve and muscle diseases

transformed the author's life from having been a college athlete to needing a wheelchair and special equipment for day-to-day activities. While dealing with his own conditions, he was faced with the unique challenge of being the sole caregiver for his wife who suffers from Alzheimer's disease. He has written this experience-based book to help people with life-altering medical conditions and those dealing with challenging caregiving responsibilities.

Comprehensive in scope, it covers topics including grief, finances, safety and end-of-life planning. This is a resource book containing many references aimed at helping the reader overcome their challenges, maintain their independence and have happy, fulfilling lives.
