ONE OF KIRKUS REVIEWS' BEST BOOKS OF THE YEAR “ A richly conceived and devastating book about the border. ” —Houston Chronicle From a distance, the towns along the U.S.-Mexican border have dangerous reputations, and Brownsville is no different. But to twelve-year-old Orly, it ’ s simply where his godmother Nina lives—and where he is being forced to stay the summer after his mother ’ s sudden death. Nina, however, has a secret: she ’ s providing refuge for a young immigrant boy named Daniel, for whom traveling to America has meant trading one set of dangers for another. Separated from the violent human traffickers who brought him across the border and pursued by the authorities, Daniel must stay completely hidden. And Orly ’ s arrival threatens to put them all at risk of exposure. Tackling the crisis of U.S. immigration policy from a deeply human angle, Where We Come From explores through an intimate lens the ways that family history shapes us, how secrets can burden us, and how finding compassion and understanding for others can ultimately set us free.

Join Godfrid the Dane for murder and mayhem in medieval Dublin! Godfrid the Dane makes his first appearance in the Gareth & Gwen Medieval Mysteries in the first book, *The Good Knight*. He comes to Anglesey at the behest of the treacherous Prince Cadwaladr, but quickly realizes the deal he's made is not quite what he thought, and Cadwaladr is not worthy of his allegiance. He takes it upon himself to learn the truth about what is going on in Wales and in the process encounters a young Welsh woman, Gwen, and her fiancé, Gareth, who comes to Ireland in search of her. Godfrid and Gareth grow to respect each other, and Godfrid returns to Gwynedd in *The Fallen Princess*, on a quest to find the Book of Kells, which has been stolen, and again in *The Lost Brother*, in search of allies in his conflict with Ottar of Dublin. In both instances, he ends up aiding Gareth and Gwen in their investigations. By 1148, when *The Viking Prince* opens, Godfrid's dispute with Ottar, the King of Dublin, has reached a critical moment. Years earlier, Ottar usurped the throne of Dublin, depriving Brodar, Godfrid's older brother, of his birthright. As the summer solstice approaches, Dublin is shocked by the murder of a prominent merchant, but only Prince Godfrid knows that the dead man was also a co-conspirator in his brother's plan to take the throne of Dublin. With death stalking his every move, Godfrid must call upon new friends and old to find the killer—and, with their help, uncover a conspiracy stretching beyond Dublin's walls to every kingdom in Ireland. *The Viking Prince* is followed by *The Irish*

Bride.

Love Among Lavender Entangled: Amara

In this volume, a distinguished set of international scholars examine the nature of collaboration between life partners in the sciences, with particular attention to the ways in which personal and professional dynamics can foster or inhibit scientific practice. Breaking from traditional gender analyses which focus on divisions of labor and the assignment of credit, the studies scrutinize collaboration as a variable process between partners living in the nineteenth and twentieth centuries who were married and divorced, heterosexual and homosexual, aristocratic and working-class and politically right and left. The contributors analyze cases shaped by their particular geographical locations, ranging from retreat settings like the English countryside and Woods Hole, Massachusetts, to university laboratories and urban centers in Berlin, Stockholm, Geneva and London. The volume demonstrates how the terms and meanings of collaboration, variably shaped by disciplinary

imperatives, cultural mores, and the agency of the collaborators themselves, illuminate critical intellectual and institutional developments in the modern sciences.

Fifteen years ago, Dorion Cairns concluded an article on phenomenology with a cautious appraisal of its influence in America. "Thus far," he wrote, "it continues to be an exotic." The situation today has changed: translations of the writings of Husserl, Heidegger, Marcel, Sartre, and Merleau-Ponty have appeared, and commentaries on these and related thinkers are not uncommon. Moreover, discussion of phenomenological problems is increasingly becoming part of the American (if not the British) philosophical scene. Phenomenology is in danger of domestication! Signs of its accommodation include a willingness to pay tribute to Husserl's Logical Investigations by those who find relatively little to interest them in his later work, a location of what are taken to be common themes and underlying convergences of emphasis in Continental phenomenology and Anglo-American philosophy of the more nearly Wittgensteinian and Austinian varieties, and a growing impatience (shared by some phenomenologists) with expositions, explications, and interpretations of Husserl's work at the expense of original applications of phenomenology. Most bluntly put, the attitude is: Don't talk about it; do it! It would seem that we have arrived at a point where introductions to phenomenology are of doubtful value, if not superfluous. The present collection of essays is based on different assumptions and points to an alternative conception of the role of both methodology and originality in phenomenological work

Award-winning author Lynne Hugo returns with a life-affirming, poignant novel in the spirit of *A Man Called Ove*—a story brimming with both wit and warmth about how a family gets on . . . and goes on. CarolSue and her sister, Louisa, are best friends, but haven't had much in common since CarolSue married Charlie, moved to Atlanta, and swapped shoes covered with Indiana farm dust for pedicures and afternoon bridge. Louisa, meanwhile, loves her farm and animals as deeply as she'd loved Harold, her late husband of forty years. Charlie's sudden death leaves CarolSue so adrift that she surrenders to Louisa's plan for her to move back home. But canning vegetables and feeding chickens are alien to CarolSue, and she resolves to return to Atlanta—until Louisa's son, Reverend Gary, arrives with an abandoned infant and a dubious story. He begs the women to look after the baby while he locates the mother—a young immigrant who fears deportation. Keeping his own secrets, Gary enlists the aid of the sheriff, Gus, in the search.
