Heat, desire, and a sick alpha threatening to destroy peace is consuming everyone's minds. Ebony doesn't fear death; no, she only fears leaving her little girl behind in a cruel world. One night on a beach, she finds herself facing off with a man who wants too much but she's saved by two alphas, Luca and Dante. Now she's imprinted with both of them. She must decide if she can trust the two alphas with her daughter or not. Luca's been sharing the alpha duties with his friend Dante, whose pack neighbors his own, making

them the two alphas to a large territory. They've been having issues with their other neighbor to the north, Marco who keeps testing the borders which only pisses Dante and Luca off. For the longest time they feared they'd have to split their alliance once they imprinted. The worry vanishes when they both imprint with Ebony. But their happy bubble won't last since she's keeping things from them, and it worries Luca. Dante is ready protect his new mate and her daughter no matter what. Yet sometimes his protection can't be everywhere at once. If you're ready for a heart pounding romance, then grab your copy today!

What reader's say about Michelle Fox's werewolves: "I love how well the characters are developed and rounded out - I feel like I know about these characters before they jump in the sack - which for me is a HUGE deal!" "Fox adeptly weaves several enchanting love scenes into her romance framework. Best of all, they actually add to the story." "This is the third shifter story I've read from this

author, and I love the edge of humor, the way she introduces the problems of the pack, and the wolfish behavior that sneaks into the human interaction." Little known fact about being a werewolf: There are always wolves at your door and some of them are up to no good. Chloe Weiss' dreams have finally come true: She's a null no more, her wolf has finally come. She's now a full member of her pack in the remote Appalachian 'weretown' of Hunstville. Even better, she's mated to the pack's next alpha, Jackson Swift. However, now that she's on the other side of her happy ending, things aren't quite as rosy as she'd expected. The women of her pack resent her status as alpha's mate and suddenly there are rumors that Chloe is an Omega, a werewolf so weak they are banned from ever mating. Worse, an old friend of Jackson's blows into town full of disapproval....and competition. It seems no one likes Chloe except Jackson. Then women start disappearing, violently kidnapped from their homes and never heard from again. There's a killer on the loose in the small town of Huntsville, and the one wolf he'd do anything to have is Chloe. Now Chloe will have to fight...for Jackson, her place in the pack, and her life. This novel is a sequel to the bestselling *To Bring Her Wolf*.

The thrilling follow-up to *Crown of Lies* from New York Times bestselling author Pepper Winters **TWO YEARS** Since my life changed for the second time and not necessarily for the better. Two years since I traded prison bars for streets and hunted a runaway who I'd met in an alley. **TWO DAYS** Since I forgot how to lie, woke to fists, and chased after the girl who'd been stolen from me. **TWO HOURS** To save her, rescue her, keep my lies intact. She looks at me full of hate. I look at her full of confession. **TWO MINUTES** For our relationship to switch from mutual dislike to floundering with unknowns. I've hurt her. Now, she's hurt me. I guess we're even. **TWO SECONDS** For her to listen, to see, to finally know who I am. The answer comes with hardship. The answer isn't what she wants to hear. **TWO BREATHS** For me to walk out the door. **TWO HEARTBEATS** For it all to be over.

It happened at the worst possible time... Nobody knows my terrible secret - not my friends, not my colleagues, not even my powerful father. All this time, I've been living and working amongst them as a respected, high-powered Alpha woman. The only thing saving me from certain ruin and the destruction of my dreams are the suppressants I take daily, the medication I've been using to hide in plain sight. Because, in truth, I'm an Omega. And then the

unthinkable happens. The suppressants stop working in a crowded room full of Alpha men, one of whom decides we're fated to be together. He will pursue me until I surrender but while my body craves him, I refuse to give up my life to become nothing more than an Alpha's mate...

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction

as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" *Sydney Morning Herald* "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" *Huffington Post*

"Character" has become a front-and-center topic in contemporary discourse, but this term does not have a fixed meaning. Character may be simply defined by what someone does not do, but a more active and thorough definition is necessary, one that addresses certain vital questions. Is character a singular characteristic of an individual, or is it composed of different aspects? Does character--however we define it--exist in degrees, or is it simply something one happens to have? How can character be developed? Can it be learned? Relatedly, can it be taught, and who might be the most effective teacher? What roles are played by family, schools, the media, religion, and the larger culture? This groundbreaking handbook of character strengths and virtues is the first progress report from a prestigious group of researchers who have undertaken the systematic classification and measurement of widely valued positive traits. They approach good character in terms of separate strengths-authenticity, persistence, kindness, gratitude, hope, humor, and so on--each of which exists in degrees. *Character Strengths and Virtues* classifies twenty-four specific strengths under six broad virtues that consistently emerge across history and culture: wisdom, courage, humanity, justice, temperance, and transcendence. Each strength is thoroughly examined in its own chapter, with special attention to its meaning, explanation, measurement, causes, correlates, consequences, and development across the life span, as well as to strategies for its deliberate cultivation. This book demands the attention of anyone interested in psychology and what it can teach about the good life. Running Into Love Boruma Publishing

"One of the most enjoyable marriages of the fantasy and mystery genres on the shelves," (*Cinescape*) the *Dresden Files* have become synonymous with action-packed urban fantasy and nonstop fun. *Fool Moon* continues the adventures of Jim Butcher 's most famous—and infamous—reluctant hero... You 'd think there 'd be a little more action for the only professional wizard listed in the Chicago phone book. But lately, Harry

Dresden hasn't been able to dredge up any kind of work: magical, mundane, or menial. Just when it looks like he can't afford his next meal, a murder comes along that requires his particular brand of supernatural expertise. There's a brutally mutilated corpse, and monstrous animal markings at the scene. Not to mention that the killing took place on the night of a full moon. Harry knows exactly where this case is headed. Take three guesses—and the first two don't count...

means security and acceptance in a world where shifters and humans collide. Loving the other means war. Broken Moon When Harley awakens to find himself locked in a cell, he wonders what his captors could want with him. After all, he is hardly the kind of man to give up secrets, especially ones about the Order of Protection, the agency he has been loyal to, for most of his life. Besides, he's a shifter, and shifters never break. Things go from bad to worse when a new prisoner is thrown into the cell next to him, begging for her life. Harley knows he has to find a way out of this hell hole quickly and make sure she's returned home safely before it's too late. Wild Things Senna, the curvy Princess, refuses to be given away in marriage to the Ottway, an evil bastard of a man. The marriage arranged against her wishes, Senna is torn between what she must do for her family and what her heart truly wants. Gabriel isn't just Senna's guard but a powerful wolf-shifter who wants her as his own. It would be treason to go against the wishes of the King, but what these men don't seem to know is that when it comes to love, rules are meant to be broken. Will Gabriel be successful in his attempt to rescue Senna from danger? Wolf Bite Grayson and Cadence fight for their lives on the run from an enemy wolf pack while denying the scorching hot attraction that threatens to consume them both. It takes all three alphas to train this naive omega. Ashley has spent the past six years trying to outrun a man who has torn her life apart over and over. Just as her stalker is nipping at her heels yet again, three alphas come out of nowhere to save her. Ashley wants nothing more than to trust the strangers, but she's been betrayed far too many times before. After a traumatic childhood, Torrin, Erik and Liam decided they'd rather be in charge of things, even if it meant turning into the bad guys. Determined to never be helpless again, they've done whatever was needed to gain power. When they find Ashley, a sweet and naïve omega who needs their help, the only way they can have her is if she never finds out the truth about who they really are. As Ashley's stalker draws nearer, the four of them realize their foe is more dangerous than any of them could have imagined. When their secrets come to light, when the enemy finally finds them, can they rely on one another to survive, or will mistrust and betrayal destroy everything they've ever wanted?
