E. R. Frank 's seminal first novel weaves together the stories of eleven teenagers in one city over seven years in this groundbreaking and "impressive debut"

(Publishers Weekly, starred review). Why does Gingerbread always have a smile on his face?

"Because life is funny," he tells Keisha. But for her—and almost everyone else in her Brooklyn neighborhood—there doesn't seem to be much to laugh about. Meanwhile, Sonia's Muslim parents expect everything of her, and it may be more than

she is able to give after she suffers a shattering loss. When Drew brings his father's Jaguar into Sam's family's auto body shop across town they seem to be from opposite sides of the tracks, but Drew's the one hiding a dark family secret. And he's not the only one.

Every Mom's Modern Guide to Getting Past Perfection, Regaining Sanity, and Raising Great Kids Simon and Schuster

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for

her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Barbara Coloroso's powerful message is that good parenting begins with treating kids with respect. It means giving them a sense of power in their own lives, and offering them opportunities to make decisions, take responsibility for their actions, and learn from their own successes and mistakes. Rejecting the "quick fix" solutions of punishment and reward, she uses everyday family situations from sibling rivalry to teenage rebellion to demonstrate sound strategies for giving children the inner discipline

and self-confidence that will help them grow into responsible, resourceful, and resilient adults. Discover:

- Three basic tenets to a good parent/child relationship
- Why discipline is not learned through threats and bribes
- Why teaching a child how to think instead of what to think builds self-confidence
- The good news about the strong-willed child
- Three alternatives to always saying "No"
- How to buffer your children from the dangers of sexual promiscuity, drug abuse, and other self-destructive behavior
- Using mealtime, bedtime, toilet-training, chores, allowance, and sibling rivalry as opportunities to help children develop their own sense of inner discipline

From the award-winning writer-director of *Personal Velocity* comes a startling drama about the nature of family and the meaning of ideals. In his first role since *Gangs of New York*, Daniel Day-Lewis plays Jack Slavin, an engineer who over thirty years ago walked away from the mainstream to live out a more deliberate life. But the island commune he began in hopes of a better future has long since imploded and he is now its final resident. Jack's only other companion is his 16-year-old daughter Rose

(Camilla Belle), whom he has deliberately sheltered from the outside world. Now, beset by terminal illness, encroaching developers, and Rose's emerging womanhood, Jack faces troubling questions about the days ahead. In an attempt to provide his daughter with the kind of family she's never known, Jack invites Kathleen (Catherine Keener), the woman he's been secretly seeing on the mainland, and her sons to live with them. But rather than comforted, Rose feels betrayed and lashes out with a willful and deliberate retribution that places her innocence on the battlefield and Kathleen's safety in danger. His carefully constructed world flung out of control, Jack finds himself trapped between two headstrong

women and forced to take action. With *The Ballad of Jack and Rose*, award-winning filmmaker Rebecca Miller has created a powerful and poetic third feature about a man who has cut himself off from a society that refuses to live up to his standards, and a young girl's sudden coming-of-age. And she knows just how she'll do it: with a jar of the Bee Lady's magic honey, which has mended the wounds and woes of Maryville, North Carolina, for generations. But when the Bee Lady says that the solution might have less to do with fixing Mama's brain and more to do with healing her own heart, Della must learn that love means accepting her mama just as she is. **Raising Happiness** Simon and Schuster "Plenty of crowd-pleasing death and destruction...Schumacher wraps up her story with a
