"Maureen, I have a proposal for you ." A woman sure doesn't hear those words every day, especially from such a tall, dark and handsome hunk! But Matthew Vining was asking me to be his imaginary bride so he could write about the perfect European honeymoon. Of course, that meant our "relationship" had to stay strictly platonic. My grandma once predicted I would meet the man of my dreams abroad. Would that promise come true even if I was pretending to be married to someone else? Soon I didn't care because the idea of having a real

honeymoon with devilishly sexy Matt was starting to sound better and better .

The Haunted Bookshop : Christopher Morley's Mystery & Crime Fiction Penguin
Samantha's only friends were characters in books, but her real life takes an extraordinary turn when a mysterious "Mr. Knightley" offers her a full journalism scholarship—on the condition that she write to him regularly. Will their long-distance friendship unlock her heart? Sam is, to say the least,

bookish. An English major of the highest order, her diet has always been Austen, Dickens, and Shakespeare. The problem is that both her prose and conversation tend to be more Elizabeth Bennet than Samantha Moore. But life for the twenty-three-year-old orphan is about to get stranger than fiction. An anonymous, Dickensian benefactor calling himself Mr. Knightley offers to put Sam through Northwestern University's prestigious Medill

School of Journalism. There is only one catch: Sam must write frequent letters to the mysterious donor, detailing her progress. Sam's letters to Mr. Knightley become increasingly confessional as she begins to share everything from her painful childhood memories to her growing feelings for eligible novelist Alex Powell. While Alex draws Sam into a world of warmth and literature that feels like it's straight out of a book, old secrets are drawn

to light. And as Sam learns to love and trust Alex and herself, she learns once again how quickly trust can be broken. Reminding us all that our own true character is not meant to be hidden, Katherine Reay's debut novel follows a young woman's journey as she sheds her protective persona and embraces the person she was meant to become. Praise for Dear Mr. Knightley: "Katherine Reay's Dear Mr. Knightley kept me up until 2:00 a.m.; I simply couldn't

put it down. ” —Eloisa James, New York Times bestselling author of *Once Upon a Tower* “ Sprinkled with classic literary references and filled with poignant characterizations, Katherine Reay ’ s modern retelling of Jean Webster ’ s *Daddy-Long-Legs* is both reverently crafted and delightfully surprising. ” —Lauren Ann Nattress, Austenprose.com “ Katherine Reay ’ s touching debut novel made me cry in all the right places. For joy. ” —Laurie

Viera Rigler, author of *Rude Awakenings of a Jane Austen Addict Sweet*, stand-alone contemporary romance Includes discussion questions for book clubs, a Q&A with the author, and Sam ’ s reading list

There is an astonishing level of detail taken from reports, evaluations, and the author's own journal entries, as he records his frustration, heartbreak, as well as a fair amount of

system appears as bureaucratic maze of incompetence and callousness more interested in collecting insurance payments and protecting itself from liability than in assisting others. The failure of the system in the case of the author's son has disastrous results. Physically abused at the age of one and a half by his own biological father, the subject of this book commits physical abuse to an infant twenty-one years later with fatal consequences. And just when readers have thought it couldn't get any worse, there is a twist at the end that is

beyond belief. Staring when the boy was four, the author writes of his efforts to raise his son by himself. It is clear from the beginning that Christopher has emotional problems, and the author seeks help. However, the boy is continuously misdiagnosed as ADHD with the solution being to try another medication. Indications that the boy is brain-damaged are ignored for many years. In school learning takes a back seat to behavior management. Adolescence brings violence, substance abuse, inappropriate sexual advances, and turns in and out of placements. At a

crucial stage where both father and son are pleading for help, the MH system does not even return phone calls. Throughout the emphasis is on the failure of the MH system rather than the possible shortcomings of individuals. Pseudonyms are used to maintain the focus on the system. The author concludes by citing crucial points in his son's life where opportunities for interventions were missed. He also cites long standard practices in the MH field that deflect accountability and keep the system inefficient. Recommendations for changes in the

system are made. In the book's final passage, the author citing a case of a student in the last year in which the recommendations by the MH system are totally inappropriate for the student. A pulp novel has a book critic wondering if his new wife is out to kill him in this thrilling story by the New York Times – bestselling author of Nine Lives. When

Henry arrives with his wife, Alice, for their honeymoon at a New England lake house, he encounters a strange sense of *déjà vu*. Plenty of vacation homes have shelves full of books, but this one has midcentury-American crime novels by the likes of John D. MacDonald, Ed McBain, Rex Stout, Patricia Highsmith, and more. It's just like Henry's collection back home. There is one book, however, that's unfamiliar: *The Honeymoon Trap*. As Henry reads it, he finds the story has uncanny similarities with his own situation—newlyweds on a honeymoon after a whirlwind romance. When Alice begins to act suspiciously, Henry's grip on reality slowly comes loose. He can't stop reading the book and wondering what his wife is up to. He also believes he may be caught in a trap, and getting out of it is going to be murder . . .
