## The Spirit Thief Hachette UK

From the moment she took a job on Captain Caldwell's doomed ship, Devi Morris' life has been one disaster after another: government conspiracies, two alien races out for her blood, an incurable virus that's eating her alive. Now, with the captain missing and everyone -- even her own government -- determined to hunt her down, things are going from bad to impossible. The sensible plan would be to hide and wait for things to blow over, but Devi's never been one to shy from a fight, and she's getting mighty sick of running. It's time to put this crisis on her terms and do what she knows is right. But with all human life hanging on her actions, the price of taking a stand might be more than she can pay.

Educational Research Read Books Ltd

A Friendship Forged in Hell! Daniel Leary is a lieutenant in the Republic of Cinnabar Navy with no money and no prospects since he quarreled with his ruthless, politically powerful father. Adele

Mundy is a scholar with no money and no prospects since her family was massacred for conspiring against the Government of Cinnabar. Kostroma is a wealthy planet which depends on diplomacy to stay independent in a galaxy whose two great powers, Cinnabar and the Alliance, battle for supremacy. In a few hours, diplomacy is going to fail Kostroma. Daniel, Adele, and the scratch crew they gather aren't much to stand in the way of a powerful invasion fleet, but just possibly they're enough. Men and women who hold courage cheap and honor more dear than life itself face impossible odds in a novel of color, intrigue and slashing action. From the corridors of a treason-ridden palace through the perils of unknown seas and hellish jungles to a final blazing climax in space, the heroes never bow and the action never flags. They have nothing on their side but each other<sup>3/4</sup>and heaven help whatever tries to stand in their way! At the publisher's request, this title is sold without DRM (Digital Rights Management).

**Imperial Leather** Hachette UK  
Would you like to learn to pray like a medieval Christian? In *Mary and the Art of Prayer*, Rachel Fulton Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the Virgin. More than just a work of comprehensive historical scholarship, the book asks readers to immerse themselves in the experience of believing in and praying to Mary. *Mary and the Art of Prayer* crosses the boundaries that modern scholars typically place between observation and

experience, between the world of provable facts and the world of imagination, suggesting what it would have been like for medieval Christians to encounter Mary in prayer. *Mary and the Art of Prayer* opens with a history of the devotion of the Hours or "Little Office" of the Virgin. It then guides readers in the practice of saying this Office, including its invitatory (Ave Maria), antiphons, psalms, lessons, and prayers. The book works on several levels at once. It provides a new methodology for thinking about devotion and prayer; a new appreciation of the scope of and audience for

---

the Hours of the Virgin; a new understanding of how Mary functions theologically and devotionally; and a new reading of sources not previously taken into account. A courageous and moving work, it will transform our ideas of what scholarship is and what it can accomplish.

The Selected Canterbury Tales: A New Verse Translation Baen

Publishing Enterprises

Eli Monpress is talented. He's charming. And he's a thief. But not just any thief. He's the greatest thief of the age, and he's also a wizard. And with the help of his partners - a swordsman with the

most powerful magic sword in the world, and a demonseed who can step through shadows and punch through walls - he's going to put his grand plan into effect. Because Eli won't rest until he's amassed a fortune. Step one in his plan is to increase the bounty on his head, so he'll need to steal some big things. He'll start small for now though: he'll just steal something that no one will miss - at least for a while. Like a king . . . This omnibus edition contains: THE SPIRIT THIEF, THE SPIRIT REBELLION and THE SPIRIT EATER

he's a thief. But not just any thief. He's the greatest thief of the age - and he's also a wizard. And with the help of his partners - a swordsman with the most powerful magic sword in the world but no magical ability of his own, and a demonseed who can step through shadows and punch through walls - he's going to put his plan into effect. The first step is to increase the size of the bounty on his head, so he'll need to steal some big things. But he'll start small for now. He'll just steal something that no one will miss - at least for a while. Like a king.

**The Second Machine Age: Work, Progress, and Prosperity in a Time of Brilliant Technologies** Honor's Knight

View our feature on Ann Aguirre's Doubleblind. As a "Jumper" who navigates ships through grimspace, Sirantha Jax is used to kicking ass. So why is she

suddenly chosen as an ambassador of peace?

**Doubleblind** SAGE Publications

This early work on Martin Luther is both expensive and hard to find in its first edition. It details the life of the monk responsible for translating the Bible from Latin into German and for inspiring the Lutheran movement. This is a fascinating work and is thoroughly recommended for anyone interested in the history of European religion. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and

---

artwork.

INTERNATIONAL BESTSELLER A

powerful and persuasive discussion about economics, freedom, and the relationship between the two, from today's brightest economist. In this classic discussion, Milton and Rose Friedman explain how our freedom has been eroded and our affluence undermined through the explosion of laws, regulations, agencies, and spending in Washington. This important analysis reveals what has gone wrong in America in the past and what is necessary for our economic health to flourish.

*A History of the World in Seven Cheap Things* Routledge

"A truly remarkable achievement."

—Barry Unsworth In the tradition of Seamus Heaney's *Beowulf* and Marie Borroff's *Sir Gawain and the Green Knight*, Sheila Fisher's *The Selected Canterbury Tales* is a vivid, lively, and readable translation of the most famous work of England's premier medieval poet. Preserving Chaucer's rhyme and meter, Fisher makes these tales accessible to a contemporary ear while inviting readers to the Middle English original on facing pages. Her informative introduction highlights Chaucer's artistic originality in his memorable portrayals of surprisingly modern women and men from across the spectrum of medieval society.

### *Fortune's Pawn* Orbit

Eli Monpress is clever, he's determined, and he's in way over his head. First rule of thievery: don't be a hero. When Eli broke the rules and saved the Council Kingdoms, he thought he knew the price, but resuming his place as the Shepherdess's favorite isn't as simple as bowing his head. Now that she has her darling back, Benehime is setting in motion a plan that could destroy everything she was created to protect, and even Eli's charm might not be enough to stop her. But Eli Monpress always has a plan, and with disaster rapidly approaching, he's pulling in every favor he can think of to make it work, including the grudging help of the

Spirit Court's new Rector, Miranda Lyonette. But with the world in panic, the demon stirring, and the Lord of Storms back on the hunt, it's going to take more than luck and charm to pull Eli through this time. He's going to have to break a few more rules and work with some old enemies if he's going to survive.

### *Freya of the Seven Isles* Oxford University Press

As the carrier of a rare gene, Sirantha Jax has the ability to jump ships through grimspace—a talent which makes her a highly prized navigator for the Corp. Then a crash landing kills everyone on board, leaving Jax in a jail cell with no memory of the crash. But her fun's not over. A group of rogue fighters frees

---

her...for a price: her help in overthrowing the established order.

Calculating God W. W. Norton & Company

"Character" has become a front-and-center topic in contemporary discourse, but this term does not have a fixed meaning. Character may be simply defined by what someone does not do, but a more active and thorough definition is necessary, one that addresses certain vital questions. Is character a singular characteristic of an individual, or is it composed of different aspects? Does character--however we define it--exist in degrees, or is it simply something one happens to have? How can character be developed? Can it be

learned? Relatedly, can it be taught, and who might be the most effective teacher? What roles are played by family, schools, the media, religion, and the larger culture? This groundbreaking handbook of character strengths and virtues is the first progress report from a prestigious group of researchers who have undertaken the systematic classification and measurement of widely valued positive traits. They approach good character in terms of separate strengths--authenticity, persistence, kindness, gratitude, hope, humor, and so on--each of which exists in degrees. Character Strengths and Virtues classifies twenty-four specific strengths under six broad virtues that

---

consistently emerge across history and culture: wisdom, courage, humanity, justice, temperance, and transcendence. Each strength is thoroughly examined in its own chapter, with special attention to its meaning, explanation, measurement, causes, correlates, consequences, and development across the life span, as well as to strategies for its deliberate cultivation. This book demands the attention of anyone interested in psychology and what it can teach about the good life.

World Bank Publications

Dear Reader, There is no way to write a blurb for this final book without spoiling all of the others. Suffice it to say, mysteries resolve, dragons war, pigeons abound, and no one is safe as Bob's grand plan finally comes to

fruition. But the Great Seer of the Heartstrikers isn't the only one whose schemes are nearing completion. The Nameless End is coming, and even the machinations of the world's most brilliant dragon seer might not be enough to stop it. As everything comes crashing down, it's up to Julius to prove what he's always known: that seers can be wrong, and Nice Dragons don't always finish last.

The rollicking sequel to Fortune's Pawn -- an action packed science fiction novel. Devi Morris has a lot of problems. And not the fun, easy-to-shoot kind either. After a mysterious attack left her short several memories and one partner, she's determined to keep her head down, do her job, and get on with her life. But even though

---

Devi's not actually looking for it -- trouble keeps finding her. She sees things no one else can, the black stain on her hands is growing, and she is entangled with the cook she's supposed to hate. But when a deadly crisis exposes far more of the truth than she bargained for, Devi discovers there's worse fates than being shot, and sometimes the only people you can trust are the ones who want you dead.

[How to Live Safely in a Science Fictional Universe \(Enhanced Edition\)](#) HarperCollins  
New diversity style guide helps journalists write with authority and accuracy about a complex, multicultural world A companion to the online resource of the same name, The Diversity Style Guide raises the

consciousness of journalists who strive to be accurate. Based on studies, news reports and style guides, as well as interviews with more than 50 journalists and experts, it offers the best, most up-to-date advice on writing about underrepresented and often misrepresented groups.

Addressing such thorny questions as whether the words Black and White should be capitalized when referring to race and which pronouns to use for people who don't identify as male or female, the book helps readers navigate the minefield of names, terms, labels and colloquialisms that come with living in a diverse society. The Diversity Style Guide comes in two parts. Part One offers enlightening chapters on Why is Diversity So Important; Implicit Bias; Black Americans; Native People; Hispanics

---

and Latinos; Asian Americans and Pacific Islanders; Arab Americans and Muslim Americans; Immigrants and Immigration; Gender Identity and Sexual Orientation; People with Disabilities; Gender Equality in the News Media; Mental Illness, Substance Abuse and Suicide; and Diversity and Inclusion in a Changing Industry. Part Two includes Diversity and Inclusion Activities and an A-Z Guide with more than 500 terms. This guide: Helps journalists, journalism students, and other media writers better understand the context behind hot-button words so they can report with confidence and sensitivity Explores the subtle and not-so-subtle ways that certain words can alienate a source or infuriate a reader Provides writers with an understanding that diversity in journalism is

about accuracy and truth, not "political correctness." Brings together guidance from more than 20 organizations and style guides into a single handy reference book The Diversity Style Guide is first and foremost a guide for journalists, but it is also an important resource for journalism and writing instructors, as well as other media professionals. In addition, it will appeal to those in other fields looking to make informed choices in their word usage and their personal interactions.

*The Legend Of Eli Monpress Orbit*  
In this dark, dangerous, roller coaster of a debut, a young man sets out on a single-minded quest for revenge across a breathtaking multiverse filled with aliens, mind-bending tech, and ships beyond his wildest imagining. Essa Hansen's is a bold new voice for the next generation of science fiction

---

readers. Caiden's planet is destroyed. His family gone. And, his only hope for survival is a crew of misfit aliens and a mysterious ship that seems to have a soul and a universe of its own. Together they will show him that the universe is much bigger, much more advanced, and much more mysterious than Caiden had ever imagined. But the universe hides dangers as well, and soon Caiden has his own plans. He vows to do anything it takes to get revenge on the slavers who murdered his people and took away his home. To destroy their regime, he must infiltrate and dismantle them from the inside, or die trying. Finalist for r/Fantasy Stabby Awards for Best Debut! One of the most highly praised science fiction debuts of the year: "A killer story with real heart and soul."-Alastair Reynolds "A fast-paced, action-filled ride through the multiverse" - Library Journal (starred) "A strong, rollercoaster of a debut." – Gareth L Powell "Gripping and

inventive" – Megan E O'Keefe "Mesmerizing" – Fantasy Book Critic "Reads like a Becky Chambers novel crossed with Firefly"—Michael Mammay The Graven Trilogy Nophek Gloss Azura Ghost

**The Diversity Style Guide** Penguin  
2011 AJN Book of the Year Winner in Leadership and Management! The ultimate goal for Doctor of Nursing Practice (DNP) leaders is to develop skills that will support their ability to lead effectively through complex challenges-such as working within the constraints of tight budgets, initiating health care policy change to eliminate health disparities, and improving health care outcomes at all levels of care. This text is an invaluable instructional guide for nursing graduate students who are developing the skills needed to fulfill this new and emerging role of clinical

---

leadership. With this book, nurses can develop leadership skills that will ultimately transform health care practice by incorporating innovative professional models of care. It provides critical information and practical tools to enhance leadership, drawing from the works of experts in business and health care leadership. This book is an important resource for DNP students, nurse practitioners, and current clinical leaders dealing with the challenges of health care for the next generation. Key topics:

- Cultivating the characteristics of a transformational leader: charisma, innovation, inspiration, intellect, and more
- Developing the role of the DNP within complex organizational systems
- Incorporating new care delivery, practice,

and management models through leadership Navigating power, politics, and policy: building the team, understanding economics and finance, and more

*Transformational Leadership in Nursing*

John Wiley & Sons

Since Freud published the Interpretation of Dreams in 1900 and utilized Sophocles' Oedipus Rex to work through his developing ideas about the psycho-sexual development of children, it has been virtually impossible to think about psychoanalysis without reference to classical myth. Myth has the capacity to transcend the context of any particular retelling, continuing to transform our understanding of the present. Throughout the twentieth century, experts on the ancient world have turned to the insights of

---

psychoanalytic criticism to supplement and inform their readings of classical myth and literature. This volume examines the inter-relationship of classical myth and psychoanalysis from the generation before Freud to the present day, engaging with debates about the role of classical myth in modernity, the importance of psychoanalytic ideas for cultural critique, and its ongoing relevance to ways of conceiving the self. The chapters trace the historical roots of terms in everyday usage, such as narcissism and the phallic symbol, in the reception of Classical Greece, and cover a variety of both classical and psychoanalytic texts.

**Nophek Gloss** Quirk Books

The far right is back with a vengeance. After several decades at the political

margins, far-right politics has again taken center stage. Three of the world's largest democracies – Brazil, India, and the United States – now have a radical right leader, while far-right parties continue to increase their profile and support within Europe. In this timely book, leading global expert on political extremism Cas Mudde provides a concise overview of the fourth wave of postwar far-right politics, exploring its history, ideology, organization, causes, and consequences, as well as the responses available to civil society, party, and state actors to challenge its ideas and influence. What defines this current far-right renaissance, Mudde argues, is its mainstreaming and

---

normalization within the contemporary political landscape. Challenging orthodox thinking on the relationship between conventional and far-right politics, Mudde offers a complex and insightful picture of one of the key political challenges of our time.
