*Death and The Flower* Simon and Schuster

Raven Two people. That's how it usually starts right? I grew up believing one thing, only for one day to completely mess up everything I've ever been taught. Was I a good girl? No, not by any means. But, the world I'm about to be thrown into is unlike anything I've

ever known. Mace Multiple people. I live for club life. As the President of the Hell's Storm MC I protect my brothers at all costs, and they do the same for me. After a rival club killed what was mine, I vowed to live in as many chicks as possible. Never tasting the same one twice. But, all it takes is that one look to completely bring a man, even me, to my knees. Two people. Brought up on different sides of the tracks. Two different paths in life. Both will be tested, taken to the very edge of darkness that threatens to consume them both. Will they be able to withstand the heat of

hell? Or will they fight to death and lose themselves?  
*Mayfly Holiday House*  
The Wall is the story of an incident or a lifetime. It is one woman's dilemma or the dilemma of all mankind. The Wall is a modern parable about what happens when we surround ourselves with protective walls of our own making - we shut ourselves in and deprive ourselves of light and love and fellowship. We can build walls so high we can't get out - at least not without help. But there is help, help that sometimes comes in ways we don't expect... The Wall is a very wise little story about people and God and relationships. Read it, lend it to a friend, give it as a gift; The Wall is sure to make you think...and to lift your heart.

“Lynne Hinton writes about the most important things—family, friends, and faith—with grace, wit, and a keen insight.” —Silas House, author of *Clay’s Quilt*

“Reading Hinton’s light, quickly moving prose feels like sitting down to catch up with an old friend over coffee.” —New Mexico Magazine

Lynne Hinton of Friendship Cake fame delighted readers everywhere when she invited them to experience the simple joys and small triumphs of the endearing residents of Pie Town—a tiny New Mexico community once renowned for its unsurpassable baked desserts. And now, *Welcome Back to Pie Town* for a second slice of small-town life, as sweet and tasty as the first. The recently rejuvenated Pie Town is a tiny speck of heaven on earth for most of its inhabitants, but not for one recently returned veteran of the war in Afghanistan, who now feels ill at ease and out of place—and it will take the love of a good woman and the support of the whole town to truly bring him back home again. As an extra added treat, *Welcome Back to Pie Town* features recipes from the novel...for mouth-watering pies, of course.

Troy Billings is seventeen, 296 pounds, friendless, utterly

miserable, and about to step off a New York subway platform in front of an oncoming train. Until he meets Curt MacCrae, an emaciated, semi-homeless, high school dropout guitar genius, the stuff of which Lower East Side punk rock legends are made. Never mind that Troy 's dad thinks Curt ' s a drug addict and Troy ' s brother thinks Troy ' s the biggest (literally) loser in Manhattan. Soon, Curt ' s recruited Troy as his new drummer—even though Troy can ' t play the drums. Together, Curt and Troy will change the world of punk, and Troy ' s own life, forever. "Troy's voice is candid, irreverent, realistic and humorous. Hope for the Flowers: A must read during this time of the corona virus and civil unrest in 2020.

Caterpillars, Butterflies, Life & a real Hope Revolution THE WORLD HAS BEEN COCOONING; LET US EMERGE WITH HOPE. We have all lived through months of strange relationships with ourselves and the world around us. Virtual gatherings have become the norm, while the pain, uncertainty and injustice goes on. What will our new normal possibly become? What new work? How can we do our part to heal the world from whatever limited space we have? How can our United States truly be one nation under God with liberty and JUSTICE FOR ALL? "What might I do to help others during this global crisis? Is likely still your question

as well as still mine. I will continue to offer my e-book for \$2.99 with my hope that it can strengthen hope and courage in each of you and your children. We will need all we can get! If inspired, please join our Facebook group - Hope (For the Flowers) Revolution. Maybe we can inspire each other to build the better world that's possible. My hope for us is that, like our caterpillar heroes, Stripe and Yellow, we transform in the darkness of the cocoon to something new and totally unexpected. May we each find a way to use this time of darkness to light the way to justice and peace in the world. May we discover our own new beauty as we discover the beauty in our differences. May we each discover our purpose and live with passion this thing called life, while we still can. "How does one become a butterfly" Yellow asks pensively. "You must want to fly so much That you are willing to give up being a caterpillar." I can't think

of anything more transformational and radical than the change that happens when a lowly caterpillar worm becomes a flying beautiful butterfly. And it doesn't end with flying! They find their true purpose, to carry the pollen of love from one flower to another and receive in return the sweet nectar that keeps them alive. What wondrous exchange! Sharing is the answer to so much! I'm so grateful the story seems to reach every culture, and over 3 million have loved and shared the paper version in English and countless more in other languages for 50 years. May each of us and the world flourish after this strange dark cocoon of isolation.

From the first brilliant rush of horses to the triumphant sight of beautiful bays, chestnuts, shiny blacks, whites, grays, and paints galloping across the pages, Paul Goble's very special book will delight all who love horses and all who love stories that tell of the spiritual connection between people and animals. His magnificent, detailed paintings evoke an almost forgotten world as he recounts

a stirring legend based on the oral tradition of the Pawnee. Focusing on a poor boy and his grandmother, adventure begins when the boy discovers an old, limping horse. Though ridiculed by his tribe, the boy cares for the horse and brings it back to health. In turn, the animal helps his friend achieve greatness, only to be betrayed. The boy's remorse is sincere, but will he be forgiven?  
Captivating readers, Caldecott medalist Paul Goble shows how a loving friendship changes the lives of a people.

Mystic Horse Albert Whitman & Company

In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. You're learning to let go, to live your life free of the grip of someone else's problems. And yet you find you've just started on the long journey of recovery. Let Melody Beattie, author of the classic Codependent No More, help you along your way. A guided tour past the pitfalls of recovery, Beyond Codependency is dedicated to those struggling to master the art of self-care. It is a book about what to do once the pain has stopped and you've begun to suspect that you have a life to live. It is about what happens

next. In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. With personal stories, hard-won insights, and activities, her book teaches the lessons of dealing with shame, growing in self-esteem, overcoming deprivation, and getting past fatal attractions long enough to find relationships that work.
