**Brightness Reef** Henry Holt and Company

Magic exists beneath our feet, if we only know where to look ... Growing up in a New York orphanage, Ayla has no idea who her family is. It is not until she comes to Ireland that she finds out just how deep her roots really are. Then her past rises up to haunt her and seeks to destroy her as Ayla is abducted and buried alive in the bowels of the earth. Above ground, her three best friends set out to find and save her from a fate that has been lying in wait for centuries. Guided by Ayla's uncles, they must make a treacherous journey that takes them down among the very roots of time.

**Airel: The Awakening the Airel Saga. Book One Part One** Emma Lombard

The saga of the greatest tornado chaser who ever lived: a tale of obsession and daring and an extraordinary account of humanity's high-stakes race to understand nature's fiercest phenomenon from Brantley Hargrove, "one of today's great science writers" (The Washington Post). At the turn of the twenty-first century, the tornado was one of the last true mysteries of the modern world. It was a monster that ravaged the American heartland a thousand times each year, yet science's every effort to divine its inner workings had ended in failure. Researchers all but gave up, until the arrival of an outsider. In a field of PhDs, Tim Samaras didn't attend a day of college in his life. He chased storms with brilliant tools of his own invention and pushed closer to the tornado than anyone else ever dared. When he achieved what meteorologists had deemed impossible, it was as if he had snatched the fire of the gods. Yet even as he transformed the field, Samaras kept on pushing. As his ambitions grew, so did the risks. And when he finally met his match—in a faceoff against the largest tornado ever recorded—it upended everything he thought he knew. Brantley Hargrove delivers a "cinematically thrilling and scientifically wonky" (Outside) tale, chronicling the life of Tim Samaras in all its triumph and tragedy. Hargrove takes readers inside the thrill of the chase, the captivating science of tornadoes, and the remarkable character of a man who walked the line between life and death in pursuit of knowledge. The Man Who Caught the Storm is an "adrenaline rush of a tornado chase...Readers from all across the spectrum will enjoy this" (Library Journal, starred review) unforgettable exploration of obsession and the extremes of the natural world.

The Man Who Caught the Storm The O'Brien Press

Braving the Storms, is the third book of the Strengthen What Remains series. In this latest novel, new and even more lethal problem emerges. A swift and deadly flu epidemic sweeps out of overcrowded FEMA camps and strikes the nation with horrific results. Caden Westmore struggles to keep his family and community safe, while others use the plague to advance their own military and political agendas.

The Jaguar Smile Macmillan

Andrej Koscuisko, the Ragnarok's Ship's Inquisitor, is going home on leave. His ship of assignment is participating in training exercises, and when an observer station unexpectedly explodes -- killing the Ragnarok's captain -- Pesadie Training Command has to come up with a cover story in a hurry or risk exposure of its black-market profiteering. There is a conveniently obvious explanation: the Ragnarok did it on purpose. All Pesadie needs are a few confessions -- obtained by judicial torture, which creates its

own truth. And a bitter enemy from Andrej's earliest days in Fleet has been waiting for just such an opportunity to set a trap and bait it with the lives of people Andrej loves. Andrej will have to fight Fleet itself to bring the Ragnarok the only thing that can save the ship and crew from destruction -- a single piece of evidence with the potential to change the course of the history of Jurisdiction Space forever. At the publisher's request, this title is sold without DRM (Digital Rights Management). A tightly woven space opera full of grand heroic gestures and characters strong enough to sustain all the action. -Booklist Matthews' work here -- of projecting a concentrated vision of the horrors of the last hundred years into a space-operatic future -- is extraordinarily risky and emotionally difficult, but now that she has shown that the Judiciary universe holds hope as well as pathology and pain, I will be able to follow Koscuisko to whatever fate awaits him with an easier mind. -Locus Magazine

**Arc of Justice** Little, Brown

Five years after attacking the human-colonized worlds of the Spiral Arm, the hydrogues maintain absolute control over stardrive fuel...and their embargo is strangling human civilization. On Earth, mankind suffers from renewed attacks by the hydrogues and decides to use a cybernetic army to fight them. Yet the Terran leaders don't realize that these military robots have already exterminated their own makers - and may soon turn on humanity. Once the rulers of an expanding empire, humans have become the galaxy's most endangered species. But the sudden appearance of incredible new beings will destroy all balances of power. Now for humans and the myriad alien factions in the universe, the real war is about to begin...and genocide may be the result.

**The Darkness That Comes Before** HarperCollins

Caught in the middle of a titanic struggle between two alien superpowers, the factions of humanity and their allies, the Ildirans, are under siege. Can they resolve their differences to fight a common threat? For the leader of the Roamers, survival means extending a helping hand to others, while the chairman of the Terran Hansa plans to use a new, untested alien weapon regardless of the consequences. And for the new Ildiran Mage-Imperator, survival involves throwing off the choking traditions of the Empire - even if it might trigger a civil war. As old intrigues and dark secrets come to light, a man who is believed to be long dead returns with an ally who may save mankind. But this new fragile hope will be threatened by a fresh betrayal - the most bitter and brutal of them all...

Gather under the mistletoe for one last round of caroling with the Quinn family in this heartwarming conclusion to Elin Hilderbrand's bestselling Winter Street Trilogy. Some of the stormy weather of the past few seasons seems to have finally lifted for the Quinns. After a year apart, and an ill-fated affair with the Winter Street Inn's old Santa Claus, Mitz has returned to rule the roost; Patrick is about to be released from prison; Kevin has a successful new business and is finally ready to tie the knot with Isabelle; and best of all, there's hopeful news about Bart, who has been captured by enemy forces in Afghanistan. That doesn't mean there aren't a few dark clouds on the horizon. Kelley has recently survived a health scare; Jennifer can't quite shake her addiction to the drugs she used as a crutch while Patrick was in jail; and Ava still can't decide between the two lovers that she's been juggling with limited success. However, if there's one holiday that brings the Quinn family together to give thanks for the good times, it's Christmas. And this year promises to be a celebration unlike any other as the Quinns prepare to host Kevin and Isabelle's wedding at the inn. But as the special day approaches, a historic once-in-a-century blizzard bears down on Nantucket, threatening to keep the Quinns away from the place--and the people--they love most. Before the snow clears, the Quinns will have to survive enough upheavals to send anyone running for the spiked eggnog, in this touching novel that proves that when the holidays roll around, you can always go home again.

To Paradise Harry N. Abrams

Galactic empires clash, elemental beings devastate whole planetary systems, and the factions of humanity are pitted against each other in the epic conclusion of Anderson's Saga of the Suns.

Minecraft: Mob Squad Domain

The spellbinding epic adventure of a time when mankind took its first steps and the icy wilds claimed the earth. Breathtaking, vivid, unforgettable—here is the third volume of the panoramic new series The First Americans which began with Beyond The Sea Of Ice and continued with Corridor Of Storms. In this untamed prehistoric time, the great hunter Torka has led a group of survivors across a frozen sea. Now he is their proud headman, a leader who defies the old ways. For this, the will of the tribe turns against him—and he must act quickly to save his children from those who would see them killed. Together with his family and a small band of faithful followers, Torka and his wife Lonit strike out a dangerous journey to an unknown land feared by all men . . . the forbidden

land. With supreme courage they will struggle against its savagery, its strange creatures and ancient mystical beliefs to build a future worthy of a noble people . . . worthy of Americans.

**The Saga of the Seven Suns: Horizon Storms Bk 3** Open Road Media

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

Braving the Storms Simon and Schuster

In the wake of a terrible loss, Rain is left alone to bear the Hudson family secrets -- as dark and forbidding as storm clouds on the horizon... After the death of her beloved Grandmother Hudson, Rain found herself caught in a battle for the vast Hudson family wealth. Marked to inherit millions, Rain faced the fury of her unaccepting mother, her manipulative stepfather, and her cold, vicious Aunt Victoria. But no amount of money can keep Rain's world from crashing down when sudden tragedy strikes. Left helpless after a devastating blow, Rain sinks into despair as her precious dreams are washed away...dreams that cannot be bought with the Hudson fortune. Her only hope for rebuilding her life rests in trusting a stranger who has come into her world -- a man whose generosity and kindness does not appear to come with strings attached, much to Rain's amazement. But just as she opens her heart to a promising new future, her past comes back to haunt her -- and Rain is pulled into a furious whirlpool of bitterness and heartache.

Horizon Storms Random House Worlds

GRACE ON THE HORIZON is the second full-length novel in The White Sails Series. Grace and Seamus, united by their past experiences, are adrift on a raft of shame in the sea of 1830s London society. After a personal tragedy, Grace's desperation to leave London forces Seamus to accept a dubious commission on the private explorer, Clover. With the expedition financed by Colonel Hamilton and his private backers, Seamus is tasked with mapping a round-the-world voyage. But Colonel Hamilton has an additional package that requires delivering—Father Babcock—a priest wanted for murder. The church wants Babcock transported far from England to set up a new mission in South America. Battling his overprotectiveness, Seamus breaks his oath to always tell Grace the truth and hides Babcock's identity from her. But the journey aboard the Clover is far from

---

smooth sailing, and Grace suspects a saboteur. Trapped within the ship ' s confines, she must learn to forgive her husband's well-intentioned duplicity and determine who wishes them harm—because now she also has her unborn child to protect. Is it an aggrieved member of the Admiralty who believes Seamus disgraced the service by resigning his command to chase after Grace? Perhaps Grace ' s father, Lord Flint, seeking revenge against her for ruining the family name? Or a jealous suitor determined to ruin the life Grace is trying to build with Seamus? From the damp cobbled streets of London, around the freezing stormy tip of Cape Horn, and into the scorching dusty bush of New Holland, GRACE ON THE HORIZON promises another adventure on the high seas, bursting with action and suspense. It is historical women's fiction that will appeal to fans of the strong female protagonist in Outlander and and Poldark.
