State Operations Manual - CMS

At a minimum, the policies and procedures must address the following: (1) Procedures to follow up

with on-duty staff and patients to determine services that are needed, in the event that there is an interruption in services during or due to an emergency. The hospice must inform State and local officials of any on-duty staff or [Home Health Policies – Policies for your Home Care, Home ...](#)

Hospice is not a building. Hospice is a concept, a philosophy of care and an approach emphasizing palliative and supportive care for the terminally ill patient and family. Different adaptations of this approach include hospice facilities, hospice wards in acute care hospitals, hospice home care, etc.
