Community Policing Routledge

Laytime and Demurrage is the leading authority for all queries pertaining to this vital aspect of maritime law. It has continued to offer reliable, authoritative, and in-depth analysis since the first edition published in 1986. Praised for its unrivalled coverage and lucid writing style, this book provides a comprehensive overview of all aspects of laytime and demurrage, tracing the development of the law from its origins

in the nineteenth century right up to the present day. The author delivers an in-depth analysis of both fixed and customary laytime clauses, the rules relating to commencement of laytime in berth, dock and port charters, and discusses under which circumstances laytime can be suspended. Furthermore, it analyses demurrage rules and vital issues such as despatch, detention and frustration. This seventh edition includes all key judicial and arbitral decisions reported since the sixth edition published in 2011. It also covers suffixes in connection with laytime measured in terms of Working days and Weather Working Days, and disputes arising from tender of NORs at the end of the sea passage. Laytime and Demurrage is an invaluable guide for both legal practitioners

and maritime professionals worldwide, including commodity traders and brokers, shipping companies, P&I Clubs, shipowners, charterers, and arbitrators.

Introduction to Hospitality Wiley
Although Parliament is constantly in the news and televised daily, much of its work remains a mystery to outsiders and is sometimes perplexing even to its own members. This book provides a unique insight into the work and daily life of Parliament. It sets out plainly and intelligibly what goes on and why things happen, but it also analyses the pressures within the institution, its strengths and weaknesses, and ways in which it might change. Covering every aspect of the work, membership, and structures of both Houses, this book also reflects the profound changes that have taken place in Parliament over the years.

International Encyclopedia of Hospitality Management McGraw-Hill Europe

As the hospitality industry continues to grow and the business environment become ever more competitive, it must become increasingly profit and cost-conscious in order to maximize revenue and minimize costs, all while maintaining the level of service necessary for a successful operation. There is no other hospitality management accounting book on the market that combines essential information, illustrative examples, and useful problems and exercises.

How Parliament Works 6th Edition John Wiley & Sons

Folland, Goodman, and Stano 's bestselling The Economics of Health and Health Care text offers the market-leading overview of all aspects of Health Economics, teaching through core

economic themes, rather than concepts unique to the health care economy. The Eighth Edition of this key textbook has been revised and updated throughout, and reflects changes since the implementation of the Affordable Care Act (ACA). In addition to its revised treatment of health insurance, the text also introduces the key literature on social capital as it applies to individual and public health, as well as looking at public health initiatives relating to population health and economic equity, and comparing numerous policies across Western countries, China, and the developing world. It provides up-to-date discussions on current issues, as well as a comprehensive bibliography with over 1,100 references. Extra material and teaching resources are now also available through the brand new companion website, which provides full sets of discussion questions, exercises,

presentation slides, and a test bank. This book demonstrates the multiplicity of ways in which economists analyze the health care system, and is suitable for courses in Health Economics, Health Policy/Systems, or Public Health, taken by health services students or practitioners.

Hospitality Management Accounting John Wiley and Sons

Hospitality Industry Financial Accounting Routledge

This new edition covers many significant changes impacting the petroleum industry including important updates such as current industry practice issues from a proprietary survey conducted by the Institute of Petroleum Accounting, and practical guidance on new standards of revenue

recognition, joint arrangements, consolidated financial statements, and disclosure of interests in other entities which are of critical importance to those involved or interested in the petroleum industry. New chapters covering midstream operations, master limited partnerships, and SEC considerations have been added. The updated text will also address numerous operational issues that continue to evolve with the demand for capital, inherent industry risks, and the impacts of product price fluctuation.

International Encyclopedia of Hospitality Management 2nd edition Routledge

Hospitality Financial Management is an up-to-date finance text that offers hospitality students a uniquely Canadian introduction

to financial management specifically for hospitality and tourism majors. The book uses hospitality examples throughout to cover concepts from a practical perspective, explaining and demonstrating the importance of financial management in the hospitality industry.

Effective Project Management Routledge Praised for its authoritative coverage, Global Political Economy places the study of international political economy (IPE) in its broadest theoretical context now updated to cover the continuing global economic crisis and regional relationships and impacts. This text not only helps students understand the fundamentals of how the global economy works but also encourages them to use theory to more fully grasp the

connections between key issue areas like trade and development. Written by a leading IPE scholar, this text equally emphasizes theory and practice to provide a framework for analyzing current events and long-term developments in the global economy. New to the Seventh Edition Focuses on the ongoing global economic crisis and the continuing European sovereign debt crisis, along with other regional economic issues, including their implications for relationships in the global economy. Offers fuller and updated discussions of critical perspectives like feminism and environmentalism, and includes new material differentiating among the terms neomercantilism, realism, mercantilism, and economic nationalism. Updated, author-written Test Bank is

provided to professors as an e-Resource on the book 's Webpage.

Petroleum Accounting Butterworth-Heinemann

This book is about leadership in organizations. The primary focus is on managerial leadership, as opposed to parliamentary leadership, leadership of social movements, or informal leadership in peer groups. The book presents a broad survey of theory and research on leadership in formal organizations. The topic of leadership effectiveness is of special interest.

Human Resource Management in the Hospitality Industry CRC Press

This introductory textbook describes the basics of supply chain management, manufacturing planning and control

systems, purchasing, and physical distribution. The fourth edition makes additions in kanban, supply chain concepts, system selection, theory of constraints and drum-buffer-rope, and need f

Introduction to Information Systems Wiley Global Education

This new textbook, Hospitality Revenue Management: Concepts and Practices, provides a comprehensive, in-depth introduction to the basic concepts and best practices of hospitality revenue management. With a real-world, hands-on approach, the book places students in the role of a revenue manager striving to succeed in an ever-changing hospitality business environment. The book takes a unique multi-author, collaborative

approach, with chapters from outstanding industry leaders who share their experience and provide the information necessary to arm students with the most up-to-date tools and methods they to be effective in the hospitality revenue management field. The chapters cover the important topics in hospitality revenue management, including hotel pricing, hotel segmentation, distribution channels, competitive analysis, hotel forecasting, performance analysis, market data, supply and demand management, and more.

The Meaning of Company Accounts Educational Inst of the Amer Hotel

Known for both its narrative style and scientific rigor, *Principles of Behavior* is the premier introduction to behavior analysis. Through an exploration of experimental, applied, and

theoretical concepts, the authors summarize the key conversations in the field. They bring the content to life using humorous and engaging language and show students how the principles of behavior relate to their everyday lives. The text 's tried-and-true pedagogy make the content as clear as possible without oversimplifying the concepts. Each chapter includes study objectives, key terms, and review questions that encourage students to check their understanding before moving on, and incorporated throughout the text are real-world examples and case studies to illustrate key concepts and principles. This edition features some significant organizational changes: the respondent conditioning chapter is now Chapter 1, a general introduction to operant conditioning is now covered in Chapters 2 and 3, and the introduction to research methods is now covered in Chapter 4. These changes were made to help instructors prepare students for starting a research project at the beginning of the course. Two new chapters include Chapter 5 on the philosophy

supporting behavior analysis, and Chapter 24 on verbal behavior that introduces B.F. Skinner's approach and terminology. This edition also features a new full-color design and over 400 color figures, tables, and graphs. Principles of Behavior is an essential resource for both introductory and intermediate courses in behavior analysis. It is carefully tailored to the length of a standard academic semester and how behavior analysis courses are taught, with each section corresponding to a week's worth of coursework. The text can also function as the first step in a student's journey into becoming a professional behavior analyst at the BA, MA, or PhD/EdD level. Each chapter of the text is integrated with the Behavior Analyst Certification Board (BACB) task list, serving as an excellent primer to many of the BACB tasks.

Learning how to Use it Routledge

Now in its ninth edition, *Human Resource Management in the Hospitality Industry: A*

Guide to Best Practice, is fully updated with new legal information, data, statistics and examples. Taking a 'process' approach, it provides the reader with an essential understanding of the purpose, policies and processes concerned with managing an enterprise's workforce within the current business and social environment. Since the eighth edition of this book there have been many important developments in this field and this ninth edition has been completely revised and updated in the following ways: Extensively updated content to reflect recent issues and trends including: labour markets and industry structure, impacts of IT and social media, growth of international multi – unit brands, role of employer branding, talent management, equal opportunities and

managing diversity. All explored specifically within the Hospitality Industry The text explores key issues and shows real life applications of HRM in the Hospitality industry and is informed through the authors ' research projects within Mitchells & Butler's plc, Pizza Express, Marriott Hotels and Caf é Rouge. An extended case study drawing from the authors ' experience working with Forte and Co., Centre hotels, Choice Hotels and Bass, Price Waterhouse and Grant Thornton Written in a user friendly style and with strong support from the Institute of Hospitality, each chapter includes international examples, bulleted lists, guides to further reading and exercises to test knowledge.
