A smoking-hot prequel to Jennifer Bernard's fabulous Bachelor Firemen series. If you love the novels of Rachel Gibson and Bella Andre, then this is for you! Kirk, a.k.a. Thor, one of San Gabriel's infamous Bachelor Firemen, certainly lives up to his nickname. He's tall and handsome, with a chiseled body worthy of any Viking god. But he'd give it all up for one glance from her. Sweet, shy Maribel has no idea that Kirk's been pining for her. There's nothing he'd like better than to sweep her off her feet and show her just how exquisite their love could be. But Kirk has a secret, and he won't let anyone get close, least of all the sexiest woman he's ever met. Can a feisty little dog and an even feistier little boy help these star-crossed lovers find the passion they both so richly deserve?

**Setting Off Sparks** Jennifer Bernard

From USA Today bestselling author Jennifer Bernard comes a second chance to fall in love ... Ben, the most romantic of Jupiter Point's smoking hot Knight brothers, knew from the moment he met his high school sweetheart, Julie deGaia, that she was the one for him. Marriage, kids...he wanted forever with Julie—until the moment she skipped town without a word. Then Ben's father was murdered, and his life was irrevocably changed. Now, after twelve years, Julie's back. Ben's over her, of course. They're completely different people now. Right. If they're so different, why do his feelings for her seem so damn familiar? And how, after all this time, can she still make Ben so hot and bothered? Julie was never supposed to return to Jupiter Point. It's only by staying away that she's ensured her safety. But she owes a huge debt to the wealthy and demanding Reinhard family, who took her in as a child. What the Reinhard want, they get, so here she is, dodging a handsomer-than-ever Ben Knight. Her former sweetheart has turned into a hunky pilot who aims that sexy smile at everyone except her—until he learns the truth about why she left in the first place. If the past can't keep Ben and Julie apart, a deadly threat in the present might. As for that idyllic future they always dreamed about? It might take some Jupiter Point magic to put this star-crossed couple on the road to happy ever after.

Two people in different places in life. Full-time fireman and part-time rancher Caleb is living the bachelor's dream and staying rent-free in his best friend's place. Too bad it's because he lost his house to a tornado and his best friend's sister is the one that got away. At least she doesn't visit often—the last thing he needs is to show her she was right about him: he's going nowhere fast. But when her cheating fiancé kicks her out, she has no place to go except her brother's suddenly too-crowded ranch house. After a streak of bad decisions, Brigit has to slink back home to nurse her wounds and find a job. To complete her humiliation, there's no way she can avoid the first love she walked away from years ago—because he's sleeping on the other side of her wall. At least it's only a matter of time before she's gone again. After all, there's nothing in this town for her but bullies and cow patties...except a fireman in cowboy boots who melts her heart and makes her consider love again. He's not leaving. She's not staying. If the reason they can't be together is so simple, why is it so hard to remember? The first installment in Hot in Chicago, a brand-new, sizzling series from Kate Meader that follows a group of firefighting foster siblings and their blazing hot love interests! Savvy PR guru Kinsey Taylor has always defined herself by her career, not her gender. That is, until she moved from San Francisco to Chicago to be with her fiancé who thought she wasn't taking her "job" of supporting him in his high-powered career seriously enough—and promptly dumped her for a more supportive and "feminine" nurse. Now, as the new assistant press secretary to Chicago's dynamic mayor, she's determined to keep her eye on the prize: no time to feel inferior because she's a strong, kick-ass woman, and certainly no time for men. But that all changes when she meets Luke Almeida, a firefighter as searingly sexy as he is quick-tempered. He's also the second oldest of the Firefightin' Dempseys, a family of foster siblings who have committed their lives to the service—if Luke's antics don't get him fired first. When Luke goes one step too far and gets into a bar brawl with the Chicago Police Department, Kinsey marches into Luke's firehouse and lays down the law on orders from the mayor. But at Engine Co. 6, Luke Almeida is the law. And he's not about to let Kinsey make the rules.
