Can she win at love? Evie Baker lost everything that mattered. Her restaurant, her money, her self-respect. When she comes home to tiny Rochambeau, Louisiana, she's looking for a fresh start. What she isn't looking for is the tall, sexy, badass Cajun who stomped on her heart and left it for dead. Hostile Operations Team soldier Matt Girard isn't home for long. Evie's not a warrior. But Matt is. And he'll do whatever it takes to protect her, even if it costs him everything he's ever worked for. Because sometimes you don't realize what you had until it's gone. Or what matters most until you get a second chance... HOT ANGEL: She's damaged. He's ruthless. Together, they're combustible... Brooke Sullivan's carefully ordered existence is spiraling out of control. Two years ago, she was violently abducted by a terrorist group and nearly killed. She's worked hard to get her life back on track—moving to a new house, changing careers, going on a couple of dates. When she witnesses a murder, she's plunged into a new nightmare. And as the past threatens to repeat itself, she's not sure she'll survive this time. Cade "Saint" Rodgers never forgot the beautiful girl he talked to at the wedding of his commanding officer. Now she's in trouble, and he's the one tasked with protecting her. Brooke is terrified of men like him—a black-ops soldier for whom violence is a way of life—which makes falling for her terrible idea. But that won't stop Cade from using every sensual trick he's got to make her believe anything is possible if only she wants it badly enough. As danger draws closer, it'll take all Cade's strength—and all Brooke's determination—to learn how to let go of the past and trust each other. But it might not be enough. To keep her safe, he may have to let her go forever... HOT SEAL: Saving the world? No problem. Faking a relationship with his ex-wife to do it? Problem! When a terrorist steals a drug submarine, Navy SEAL Dane "Viking" Erikson finds himself thrust into his first HOT mission with an unexpected partner: his ex-wife, DEA agent Ivy McGill. Dane doesn't want to work with the one woman who still twists him up inside, but he can't refuse a direct order from his commanding officer. Ivy's on a mission of her own - to put the ruthless drug dealer she blames for her mother's death out of business for good. If she has to work with Dane to get it done, she will. And she absolutely will not fall for his hard muscles and killer smile ever again. Once burned, twice shy. But Dane and Ivy have never been able to keep their hands off each other. While they may believe that sex and love don't intertwine, they'll find out what's real and what isn't when a dangerous player takes matters into his own hands. They'll need to be more than a team to survive what's coming their way - and it's not going to be easy! BLACK LIST: Jace Kaiser is a man without a country, without connection. His only loyalty is to the group who saved him, and the man who leads them. Until her... The assignment should have been easy. Capture a deadly assassin and take her to HQ. But flawed intel leads to disaster, and Jace abducts a beautiful art appraiser instead. Intrigued by her courage, he's drawn to her in ways he can't explain. Dr. Madeline Cole stood up to him, fought for her identity, and never backed down. She's the kind of woman he could fall for if it wasn't so dangerous - for her. Then Maddy is targeted for elimination because she's the sole person who can identify the mysterious female assassin - and the only thing standing between her and certain death is the sexy mercenary who swears he'll die before he lets anything happen to her. As the passion between them ignites, it seems clear that keeping Maddy safe has become the most important assignment of Jace's life.
