The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Relationship, no...but threesome, hell yes! San Amaro Singles, Book 2 Ever since Jules's new

neighbor moved in, she's been undressing him in her mind. Mike is the fresh inspiration she needs to make her erotic photography studio a success, if she can convince him and his equally buff roommate, Carlos, to strip for her lens. And maybe indulge in a little off-camera fun as well. But Jules isn't too worried. She doesn't do relationships, but she loves men and sex—and in her experience, most men are okay with that. Judging from the raw emotions leaping from the images in Jules's gallery, Mike senses there's a lot going on beneath her flirtatious, slightly cynical exterior. He and Carlos are happy in their committed relationship, but they've always felt there's a piece missing. They want a woman. Jules could be that woman. A threesome with two committed men? Sounds like an emotionally risk-free dream come true for Jules. But when they make it clear they want more, her deepest fears push to the surface, straining bonds forged in incredible heat to the breaking point... Warning: The book features two hot men brave enough to climb cliffs, strip naked for erotic photographs, have sex in a portrait studio and on a cliff, and who have the courage to teach a commitment-phobic woman how to love.
