Sevan has been keeping secrets. She's not the errand boy everyone at the Wildfire outlaw motorcycle gang thinks she is. No, she's been playing a dangerous game, hunting their president from inside their ranks in the name of revenge. And if anyone finds out, they won't hesitate to kill her. Levi Jansen has always been drawn to Sevan, even when he thought she was a scrawny male mechanic named Rivet. He can't blame her for that since he's been hiding plenty too. As an undercover agent, he's relied on his tenuous partnership with ex-con, Ransom, to infiltrate Wildfire and build an ironclad case against them. As the three of them swirl deeper into darkness, they'll need to rely on each other to find their way out, and back home to Hot Rides. Otherwise they're doomed to become exactly what they've been fighting so hard to defeat. Allowing themselves to be distracted by desire would be the stupidest thing they could do.

Unfortunately, it's impossible to ignore the sizzling attraction between them, complicating everything. This is a standalone book in the Hot Rides series and includes an HEA with no cheating. The series is part of the greater universe where both the Powertools and Hot Rods books are also set, so you can visit with many of your previous favorite characters and see what they're up to now!

Especially one who's a sexy reminder why it's a bad idea to get involved while on a case. Living together, surrounded by crime, pretending their sizzling sexual tension is just for show is getting harder by the day. But as the mission comes to a head, the two fiercely independent warriors must decide which fear is worse. Losing their quarry...or losing each other.

The melting point is where it all comes together...or makes a big mess. San Amaro Singles, Book 1 Corey Fenwick keeps her bitter past as hidden as the sweet centers inside the handmade chocolates she sells to a growing list of upscale customers. After his last girlfriend deemed him "boring," Matt Ferber watched her ride off on the back of a Harley with a rock musician. Figuring he's doomed to "let's just be friends" with the women he cares about, the arrangement with Corey suits him fine too. Until his old friend Dylan Schell rolls into town to hang out while recovering from a surfing injury. The sexy bad boy makes Corey's mouth water, and she figures a harmless fling won't hurt, especially when Dylan suggests she come between him and Matt-in bed. It's a win-win-win situation...until somehow there are strings attached. And too late they realize they're getting all tangled up. Warning: This book contains an independent woman, two hot guys, some trash talking, a little jealousy, a few beers, chocolate body paint and scary stuff like falling in love.
