Evil Readers, as ye partake of Encyclopaedia of Hell, rejoice! The hateful sequel written by Satan has arrived! After Hell's army conquers Insignificant Earth and devours the human race in a celebratory feast, Lord Satan reveals that he will now journey deep into the universe to find the throne of the despised Creator. There Satan will depose God and take his rightful place as Emperor of Existence. However, hellish complications quickly arise: exposed to the rays of the Celestial

Sun, Satan's horns and claws become brittle and his undercarriage breaks out in a rash. And a hypnotic, ghostly nun named Debbie seduces the naïve King of Hate into taking a wrong turn. Now Lord Satan must face Oblivion when he enters Heaven's labyrinthine Library, from which there is no escape. But when the Armies of Hell arrive to find Lord Satan and conquer Heaven, instead they find a disturbing secret at the core of Creation too shocking for even a demon to stomach. Martin Olson's savage wit

provides the firepower for a preposterous literary feat unaccomplished since Mark Twain and Ambrose Bierce passed—channeling the real voice of Satan. As a satirist, Olson has inflicted numerous comedy series on the populace via HBO, CBS, Showtime, Comedy Central, Disney, and FX.

A paranormal romantic

comedy at the (possible) end of the world. From New York Times bestselling author

Gwenda Bond, *Not Your Average Hot Guy* is a hilarious romantic comedy about two people falling in love, while the fate of the world rests on their shoulders. All Callie wanted was a quiet weekend with her best friend. She promised her mom she could handle running her family's escape room business while her mom is out of town. Instead a Satanic cult shows up, claiming that the prop spell book in one of the rooms is the real deal, and they need it to summon the right hand of the devil. Naturally they take Callie and her friend, Mag, along with them. But when the summoning reveals a handsome demon in a leather jacket named Luke who offers to help Callie stop the cult from destroying the world, her night goes from weird to completely strange. As the group tries to stay one step ahead of the cult, Callie finds herself drawn to the annoying (and annoyingly handsome) Luke. But what Callie doesn't know is that Luke is none other than Luke Morningstar, Prince of Hell and son of the Devil himself. Callie never had time for love, and with the apocalypse coming closer, is there room

for romance when all hell's about to break loose?
