INVESTIGATING YOUR CAREER, 3E offers students an opportunity to direct their attention toward an area of interest that might develop into a career path while also identifying high school and college course offerings related to their career choices. This career exploration text uniquely focuses on the student's individual PATH to success: their Passions, Attitude, Talents, and Heart, as career possibilities are explored. By choosing a career based on what they want to do, students develop the ability to make informed decisions about their future, are more excited about learning, and are more motivated to stay in school. INVESTIGATING YOUR CAREER, 3E has been revised to include social networking, personal finance, blog activities, math and financial information, and additional coverage on the 16 Career Clusters. This text takes career exploration to a new level and is the perfect solution for states that now require/recommend a semester length middle school/junior high career course before graduating students. Focusing education on the future, the U.S. Office of Education has grouped careers into 16 clusters based on similar job characteristics. Every chapter in INVESTIGATING YOUR CAREER, 3E includes detailed information on a career cluster allowing students to learn about the various career options available to them. The career cluster approach makes it easier for students to understand the relevance of their required courses and helps them select their elective courses more wisely. Important

Planning an Applied Research Project in Hospitality, Tourism and Sports provides a comprehensive and carefully structured treatment of all the aspects involved in planning a research project. Instead of being a statistically oriented book, this text provides a conceptual and process-oriented approach to planning and conducting research. Written for both students and professionals, it is easy to read, short, and to the point, i.e., practical. The book provides basic, yet comprehensive information about doing research, and can be used not only in a "research methods" course where students will have to plan and conduct a research project, but also in earlier course work to help students learn to write research papers. Planning an Applied Research Project in Hospitality, Tourism and Sports covers a range of subjects including: selecting a topic, conducting a literature review, developing a coherent design, and using various research techniques such as interviews, questionnaires, and observations. It also contains information on analyzing data once it has been collected and developing a proposal to obtain support before undertaking a research project.

Unique coverage includes: 2 chapters on conducting and writing a literature review, 1 chapter on analyzing data (from both a qualitative and quantitative perspective), 1 chapter on writing a research proposal, and 3 detailed chapters on techniques.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit "reply all"
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work." —Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience." —Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor." —Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way." —Erin Lowry, author of Broke Millennial: Stop Scraping

How to Succeed in Hotel Management Job Interviews Sourcebooks, Inc.

Employers today are using increasingly tough interview questions to evaluate candidates based on key competencies and determine how well they think on their feet. To stand out in these competency-based interviews, job seekers must be prepared with situation-specific examples and answers to questions that highlight their accomplishments, knowledge, and abilities--and clearly display how all three meet their potential employers' needs. In 201 Knockout Answers to Tough Interview Questions, you'll learn the five core competencies most interviewers are looking for--individual responsibility (decisiveness, independence, flexibility, career goals); managerial skills (leadership, delegation, strategic planning); motivational factors (ambition, initiative); analytical skills (problem solving, attention to detail); and people skills (teamwork, communication, customer service)--and will gain a storehouse of sample interview answers that consistently highlight your ability in these areas. Featuring fill-in-the-blank exercises and a plethora of traditional and quirky interview questions to help you prepare, this powerful book will help you get noticed by key players during the interview process--no matter what questions get thrown your way.

The Professor Is In Springer

Hotel Management is an area of study that covers a wide range of topics concerned with the operational aspects of hoteliery. Hotel operations are varied and cover topics as wide ranging as marketing, eco-tourism, leisure, business administration and management. It is the job of the Hotel Manager to coordinate the many operational tasks of running a successful hotel. Managing a hotel requires knowledge and skills within a wide variety of fields. A hotel manager, hotelier, or lodging manager is a person who manages the operation of a hotel, motel, resort, or other lodging-related establishment. Management of a hotel operation contains, but is not limited to management of hotel staff, business management, upkeep and sanitary standards of hotel facilities, guest satisfaction and customer service, marketing management, sales management, revenue management, financial accounting,

purchasing, and other functions. The size and complexity of a hotel management organizational structure varies significantly depending on the size, features, and function of the hotel or resort. Administrative functions for a small-scale hotel such as Accounting, Payroll, and Human Resources may normally be handled by a centralized corporate office or solely by the Hotel Manager. Hotel Management and Operations presents a variety of viewpoints on the duties, responsibilities, problems, and opportunities encountered there. The book continues to provide a comprehensive and lucid coverage of the subject. The text gives a practical approach, challenge readers to recognize the central issues involved in complex management problems, understand the structure and resources of the department in question, and discover solutions that may help in supervision other hotel resources and departments.
