Everything Must Go Harlequin
A major contribution to the field, this ground-breaking book explores design anthropology’s focus on futures and future-making. Examining what design anthropology is and what it is becoming, the authors push the frontiers of the discipline and reveal both the challenges for and the potential of this rapidly growing transdisciplinary field.Divided into four sections – Ethnographies of the Possible, Interventionist Speculation, Collaborative Formation of Issues, and Engaging Things – the book develops readers’ understanding of the central theoretical and methodological aspects of future knowledge production in design anthropology. Bringing together renowned scholars such as George Marcus and Alison Clarke with young experimental design anthropologists from countries such as Denmark, Sweden, Austria, Brazil, the UK, and the United States, the sixteen chapters offer an unparalleled breadth of theoretical reflections and rich empirical case studies.Written by those at the forefront of the field, Design Anthropological Futures is destined to become a defining text for this growing discipline. A unique resource for students, scholars, and practitioners in design anthropology, design, architecture, material culture studies, and related fields.

To those on the outside, the Powells are a happy family, but then a devastating accident destroys their fragile facade. When seven- year-old Henry is blamed for the tragedy, he tries desperately to make his parents happy again. As Henry grows up, he is full of potential—a talented sportsman with an academic mind and a thirst for adventure—but soon he questions if the guilt his parents have burdened him with has left him unable to escape his anguished family or their painful past. With a delicate touch and masterful attention to detail, New York Times bestselling author Elizabeth Flock invites us to meet a man both ordinary and extraordinary, and to experience a life that has yet to be lived.

There’s something in the earth deep below Elise Kavanagh’s territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. And it’s coming for Elise next. The Union has an easy way out. They want to send Elise into hiding again with her former partner, James Faulkner. All she has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she’s come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer—plans that mean surrendering her life and blood to the most powerful demon alive. But if she descends, there’s no turning back. Once she gazes into the abyss, it will gaze back into her…and Elise will be damned forever.

The more powerful the family...the darker the secrets. Meet the family everyone's talking about in this prequel novella to the Sicily's Corretti Dynasty series, brought to you by Harlequin Presents. Investigative journalist Emily Hyslop is furious when her editor—and ex—reassigns her from a career-making expos to a frivolous wedding in Sicily. But scandalous secrets lie behind the union of the rival Corretti and Battaglia families. Things start looking up when Emily meets the most intimidating, not to mention sexiest, man she's ever encountered.... Detective Anton Soranno has valuable insight into the Correttis and their scandalous dealings...and plenty of reason to hate them. He's the perfect source of information—and the more he helps Emily with her story, the more time they have to explore their intense desire. But even as their passionate nights uncover surprising feelings in both of them, Emily and Anton know that she must leave Sicily once the wedding is over.... Cliff Richard has been Britain’s longest surviving and most consistent hit music maker. Starting his

career as a rock ’n’ roll threat to decent, upstanding citizens, he is now a friend to Royalty and prime ministers, a Knight, and a holder of the OBE. This book tells his story chronologically, through the voices of his friends, family, and colleagues including songwriters, film directors, managers, and agents—like listening in on a dinner party attended by most of the key people in his career. The stories reveal Cliff as seen by those closest to him and, in contrast to the many official publications, this book does not just include the flattering stories. The author’s probing questions have elicited extraordinary memories and observations, previously unheard by the public. Heavily illustrated with rare and interesting photographs of Cliff at work and play, this unique oral history will stand as a lasting testament to one of the most glorious careers in British show business.

Rudolf Steiner often emphasized the importance of meditation practice for the self-development of students of Anthroposophy. In his writings and lectures, he offered various instructions for approaches to meditation and for strengthening qualities needed to unfold our latent spiritual capacities. In this accessible book, Massimo Scaligero—a lifelong student of Rudolf Steiner and Spiritual Science—systematically illumines Steiner’s practices, building on the foundation of our human constitution and explaining how and why these practices work. Such efforts take place in the world and with the people around us and restore us to our true condition: “Initiation is the restoration of the spirit’s original state, despite its human incarnation.” This text by Massimo Scaligero should be read and thought deeply, but also acted upon. It will be an aid to all those who wish to take the path of initiation through Spiritual Science. A Practical Manual of Meditation is a translation from Italian of Manuale Pratico della Meditazione (Teseo, Rome, 1973/2005).

Whether you just bought your first sewing machine or have been sewing for years, Martha Stewart’s Encyclopedia of Sewing and Fabric Crafts will open your eyes to an irresistible range of ideas. A comprehensive visual reference, the book covers everything a home sewer craves: the basics of sewing by hand or machine, along with five other time-honored crafts techniques, and step-by-step instructions for more than 150 projects that reflect not only Martha Stewart’s depth of experience and crafting expertise, but also her singular sense of style. Encyclopedic in scope, the book features two main parts to help you brush up on the basics and take your skills to a new level. First, the Techniques section guides readers through Sewing, Appliqué, Embroidery, Quilting, Dyeing, and Printing. Following that, the Projects A to Z section features more than 150 clever ideas (including many no-sew projects), all illustrated and explained with the clear, detailed instructions that have become a signature of Martha Stewart’s magazines, books, and television shows. An enclosed CD includes full-size clothing patterns as well as templates that can be easily produced on a home printer. Fabric, thread, and tool glossaries identify the properties, workability, and best uses of common sewing materials. And, perhaps best of all, when you need it most, Martha and her talented team of crafts editors offer you the reassurance that you really can make it yourself. The projects are as delightful as they are imaginative, and include classic Roman shades, hand-drawn stuffed animals, an easy upholstered blanket chest, a quilted crib bumper, French knot-embellished pillowcases and sheets, and Japanese-embroidered table linens, among many others.With gorgeous color photographs as well as expert instruction, this handy guide will surely encourage beginners and keep sewers and crafters of all experience levels wonderfully busy for many years to come.
