For Clara Deverill, standing in for the real Lady Truelove means dispensing advice on problems she herself has never managed to overcome. There ' s nothing for it but to retreat to a tearoom and hope inspiration strikes between scones. It doesn ' t—until Clara overhears a rake waxing eloquent on the art of “ honorable ” jilting. The cad may look like an Adonis, but he ' s about to find himself on the wrong side of Lady Truelove. Rex Galbraith is an heir with no plans to produce a spare. He flirts with the minimum number of eligible young ladies to humor his matchmaking aunt, but Clara is the first to ever catch his roving eye. When he realizes that Clara—as Lady Truelove—has used his advice as newspaper fodder, he ' s infuriated. “ Kelly introduces fierce, lovable heroine Sam Quinn with this master class in storytelling and survival. ” —Publishers Weekly, starred review on The Slaughtered Lamb Bookstore and Bar “Dynamic supernatural characters fuel a riveting tale. ” —Kirkus Reviews I ' m Sam Quinn, the werewolf book nerd owner of the Slaughtered Lamb Bookstore and Bar. Clive, my vampire gentleman caller, has asked me to marry him. His nocturne is less than celebratory. Unfortunately, for them and the sexy vamp doing her best to seduce him, his cold, dead heart beats only for me. As much as my love life feels like a minefield, it has to take a backseat to a far more pressing problem. The time has come. I need to deal with my aunt, the woman who ' s been trying to kill me for as long as I can remember. She ' s learned a new trick. She ' s figured out how to weaponize my friends against me. To have any hope of surviving, I have to learn to use my necromantic gifts. I need a teacher. We find one hiding among the fae, which is a completely different problem. I need to determine what I ' m capable of in a hurry because my aunt doesn ' t care how many are hurt or killed as long as she gets what she wants. Sadly for me, what she wants is my name on a headstone. I ' m gathering my friends—werewolves, vampires, wicches, gorgons, a Fury, a half-demon, an elf, and a couple of dragon-shifters—into a kind of Fellowship of the Sam. It ' s going to be one hell of a battle. Hopefully, San Francisco will still be standing when the dust clears.

A new shifter romance series from New York Times & USA Today Bestselling author Cristina Rayne *Previously published as Transformation, Revelation, Ramification, and Infiltration. Book One: Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the beginning that

getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying.
