The author focuses on the marketing perspective of the topic and illustrates how women's roles in society have shifted during the past century. Among the key issues explored is a peculiar dichotomy of American advertising that served as a conservative reflection of society and, at the same time, became an underlying force of progressive social change. The study shows how advertisers of housekeeping products perpetuated the Happy Homemaker stereytype while tobacco and cosmetics marketers dismantled women's stereotypes to create an entirely new type of consumer.

**Your Quick and Easy Washer Dryer Guide** Eb Marketing

In his illuminating, fascinating book, Keith Badman finally uncovers the truth about the icon's last years. It was a tough time - one in which the star's increasingly erratic behaviour and dependence on alcohol and medication

plunged her glittering movie career into drastic decline. Meticulously researched, the book reveals precisely how Monroe died at just thirty-six years of age, and shines a light on the suspicious delays on the night of her overdose - delays that indicate a cover up. He discovers new details about her rekindled relationship with Joe DiMaggio, and the horrendous weekend she spent at Frank Sinatra's Cal-Nevada lodge, as well as why Fox refused to let her finish her final movie *Something's Got to Give*, and her distress at being imprisoned at the Payne Witney psychiatric hospital. Drawing on private, previously unpublished itineraries and original eye-witness accounts, Badman sheds new light on Marilyn's involvement with John and Bobby Kennedy, and ends a six-decade-old mystery by telling the precise date of her first encounter with the President. The *Final Years of Marilyn Monroe* features a deluge of stories of which even the most die-hard fan will be unaware.
