Hourglass Series by Myra McEntire - Goodreads

Hourglass is the kind of book that took me by surprise, I hoped that I would enjoy it, but I never thought I'd love it the way I did. Hourglass (Hourglass Series #1), by Myra McEntire. Posted on August 26, 2013 by Susan. The image and typography of the cover of Hourglass, by Myra McEntire, (2011, 390 pages) is stunning. Unfortunately, I did not find the story itself to be as striking. More like chick lit time travel. The author does not seem to subscribe to the widely held belief that characters in novels should be somewhat ...
