And let me tell you something: writer Brian  
Michael Endis and artist Oliver Coipel have  
composed a formidable and pristine piece of comic  
book storytelling in the unbelievably catastrophic  
major event of House of M which had been dubbed  
ominously as "M-Day." And for a rather distressing  
reason at that.

### Layla Miller (Earth-616) | Marvel Database | Fandom

Dr. Brian Blatt has been in practice in the Flatiron/Union Square/Chelsea area of NYC for the past ten years.. Before opening his practice, he spent several months treating patients with neurological and structural issues in the orthopedic and neurological departments at a hospital in Zigong, China.

### House of M by Brian Michael Bendis - Goodreads

House of M writer Brian Michael Bendis explains, "And from there you get new kinds of stories. We love the Marvel Universe, we're not just turning it on its head because we think we know better...."

### House of M by Brian Michael Bendis - Goodreads

House of M by Brian Michael Bendis and Olivier Coipel. The Marvel event of the decade is here! The Avengers and the X-Men are faced with a common foe that becomes their greatest threat: Wanda Maximoff! The Scarlet Witch is out of control, and the fate of the entire world is in her hands. Will Magneto help his daughter or use her powers to his own benefit?

### Editions of House of M by Brian Michael Bendis

House of M was the best option given the circumstance. Since I am only reading everything Avengers right now, this was a unique opportunity to learn more about the X-Men as well. I loved how Wolverine, who has been my favorite character since my childhood, was the protagonist and how he deals with the task at hand.

House of M : Bendis, Brian Michael : Free Download, Borrow ...

The first House of M tie-in I read, "House of M: Spider-Man, Fantastic Four & X-Men" was very good with the glaring exception of the X-Men portion (which was a confusing mess). Wolverine, Iron Man and Hulk is a more balanced collection, with all three major stories being very strong.
