Martin Amis' prose is a distinctive combination of droll black humour mingled with near purple theatrics. It's acerbic and heady all at once. His characters deal with situations that concern everyone: thwarted love, identity and self-worth, but always amidst a grand setting of transition, whether that be a scene of historic atrocity such as the Holocaust or a brain damaging, personality-changing head blow.

**ANTONELLA GAMBOTTO-BURKE reveals her affair with Martin Amis**

In House of Meetings (Knopf), Martin Amis has written a Russian novel -- not just a Russian novel but a novel about the Gulags. More than this, it is a love triangle set in a prison camp, told by a survivor who is now, in the process of self-accusation and self-condemnation. How dare Amis write such a book? He did it because he could.

But instead of merely occupying himself with the trusted liberal beat of policing the divide between literature and politics, Amis has repeatedly marched into established hearts of darkness, writing books about Nazism (Time's Arrow), Stalinism (House of Meetings) and Islamism (The Second Plane), as if to prove his mettle, or cover some keenly felt gap in his political education (the crimes of liberalism and colonialism, too close or perhaps too far from home, have rarely aroused anything ...

**House of Meetings: Amazon.co.uk: Amis, Martin ...**

The House of Meetings is a narrative delivered as a long letter from an unnamed narrator, an 86-year-old Russian man, to his step-daughter Venus, living in Chicago. He is in the midst of traveling back home after many years in the U.S.

His most intimate and epic work to date, Inside Story is the portrait of Martin Amis' extraordinary life, as a man and a writer. This novel had its birth in a death - that of the author's closest friend, Christopher Hitchens.

We also encounter the vibrant characters who have helped define Martin Amis, from his father Kingsley, to his hero Saul Bellow, from Philip Larkin to Iris Murdoch and ...
