House of Meetings, by Martin Amis, is a 2006 novel about two brothers who share a common love interest while living in a Soviet gulag during the last decade of Stalin's rule. This novel was written by Amis during a two-year-long self-imposed exile in Uruguay following the release and tepid reception afforded to his 2003 novel Yellow Dog .

House of Meetings by Martin Amis

In House of Meetings (Knopf), Martin Amis has written a Russian novel -- not just a Russian novel but a novel about the Gulags. More than this, it is a love triangle set in a prison camp, told by a survivor who is now, in the process of self-accusation and self-condemnation. How dare Amis write such a book? He did it because he could.

Jim McCormick Books Recommendations - Together Alone: Quarantine Fantasy Football Telethon Martin Amis ’ prose is a distinctive combination of droll black humour mingled with near purple theatrics. It ’ s acerbic and heady all at once. His characters deal with situations that concern everyone: thwarted love, identity and self-worth, but always amidst a grand setting of transition, whether that be a scene of historic atrocity such as the Holocaust or a brain damaging, personality-changing head blow.
