House of War is the story of the Pentagon. The author, a self-described beatnik, is the son of a general who spent his career at the Pentagon. Noting ironically that the birth of the Pentagon matches exactly the birth of the Atomic bomb he takes through the years showing how each president has effected the nuclear arms race for good and bad.

**House of War : The Pentagon and the Disastrous Rise of ...**

The key to House of War's relentless, driving power lies in its insinuating mix of objective facts and deeply respectful personal autobiography, as Carroll

pays tribute to his late father, Lieutenant-General Joseph F. Carroll, an FBI man who ended up working in the Pentagon for over 20 years, some of them alongside Robert McNamara, as first director of the Pentagon's Defense Intelligence Agency, and who shattered the young Carroll in the Cuban Missile Crisis era by urging the teenager to ...

House of War: The Pentagon and the Disastrous Rise of ...

House of War provides a thorough and detailed account of American foreign policy since the creation of the Pentagon during WWII. James Carroll's account is riveting and multi-layered, with an

appealing peppering of anecdotes, many from his personal history with the institution, as his father had been the first director of the Defense Intelligence Agency.
