Pop Goes the Weasel Entangled: Embrace
Lord of the Flies meets Hunger Games i
The Lover's Dictionary Penguin

Armed with her besties, an embarrassing number of shots, and her list of 10 Wild Things To Do Before Adulthood, recent grad Cameron Lawson is partying it up before she starts her dream job at New York's biggest ad agency. Her last task? Hook up with a random guy. And while it's so not her style, the super-sexy guy sitting next to her is definitely game. No names. No details. At least, that was the plan. On her first day of work, Cameron discovers her hook-up is none other than Aidan Truitt—her new boss's boss. Talk about failing the "no fraternizing with coworkers" policy on an epic level. Especially when Aidan makes it clear their one night was only the beginning. Falling for him could cost her everything, but sometimes the only way to get what you want is by breaking a few rules... Each book in the No Kissing Allowed series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 No Kissing Allowed Book #2 No Falling Allowed

The debut full-length poetry collection of Melissa Cundieff

To Hover Over Waters Brookings Institution Press

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, *New York Times* bestselling author) from the #1 *New York Times* bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

That Cheese Plate Will Change Your Life Penguin UK

The wildly popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution:

- Identify the most important areas (MIAs) in your home that need attention
- Select the proper products, tools, and techniques (PTT) for the job
- Implement these new cleaning routines so that they stick

Clean My Space takes the chore out of cleaning with Melissa's incredible tips and cleaning hacks (the power of pretreating!) her lightning fast 5-10 minute "express clean" routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa's simple groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

From the international bestselling author of *Eeny Meeny* comes the second thriller in the "truly excellent series"* featuring Detective Helen Grace. A man's body is found in an empty house. A gruesome memento of his murder is sent to his wife and children. He is the first victim, and Detective Helen Grace knows he will not be the last. But why would a happily married man be this far from home in the dead of night? The media call it Jack the Ripper in reverse: a serial killer preying on family men who lead hidden double lives. Helen can sense the fury behind the murders. But what she cannot possibly predict is how volatile this killer is—or what is waiting for her at the end of the chase....

50 Best Plants on the Planet Severn House Publishers Ltd

"From the author of the acclaimed and award-winning debut *The Map of Salt and Stars*, a remarkably moving and lyrical novel following

three generations of Syrian Americans who are linked by the truths they carry close to their hearts. Five years after a suspicious fire killed his mother, a closeted Syrian American trans boy sheds his birth name and searches for a new one. He has been unable to paint since his mother's ghost has begun to visit him each evening. The only time he feels truly free is when he slips out at night to paint murals on buildings in the once-thriving Manhattan neighborhood known as Little Syria. One night, he finds the tattered journal of a Syrian American artist named Laila Z. She famously and mysteriously disappeared more than sixty years before, but her journal contains proof that Laila Z's past is intimately tied to his mother's—and his grandmother's—in ways he never could have expected. Even more surprising, Laila Z's story reveals the histories of queer and transgender people within his community that he never knew. Following his mother's ghost, he uncovers the silences kept in the name of survival by his own community, his own family, and within himself, and discovers the family that was there all along. *The Thirty Names of Night* is an imaginative and intimate exploration of how we all search for and ultimately embrace who we are"--.

Olivia takes her readers on a journey through her own experiences with transportation. Children will increase their vocabulary, be exposed to rhyme and rhythm, and learn about homonyms.

State Duke University Press

Only her love could gentle his savage soul— He was born to a clan of warriors of supernatural strength, but Gavrael McIlloch abandoned his name and his Highland castle, determined to escape the dark fate of his ancestors. Hiding his identity from the relentless rival clan that hunted him, he called himself Grimm to protect the people he cared for, vowing never to acknowledge his love for ravishing Jillian St. Clair. Yet even from afar he watched over her, and when her father sent an urgent summons, "Come for Jillian," he raced to her side—into a competition to win her hand in marriage. Why had he run from her so many years before? And why return now to see her offered as a prize in her father's manipulative game? Furious, Jillian vowed never to wed. But Grimm was the man she loved, the one who urged her to marry another. He tried to pretend indifference as she tempted him, but he could not deny the fierce desires that compelled him to abduct her from the altar. She was the only woman who could tame the beast that raged within him—even as deadly enemies plotted to destroy them both....

Maybe Not Simon and Schuster

A thrilling debut packed with action and mystery. Aliens never looked so good." —Jennifer L. Armentrout, #1 NYT bestselling author In the future, only one rule will matter: Don't. Ever. Peek. Seventeen-year-old Ari Alexander just broke that rule and saw the last person she expected hovering above her bed — arrogant Jackson Locke, the most popular boy in her school. She expects instant execution or some kind of freak alien punishment, but instead, Jackson issues a challenge: help him, or everyone on Earth will die. Ari knows she should report him, but everything about Jackson makes her question what she's been taught about his kind. And against her instincts, she's falling for him. But Ari isn't just any girl, and Jackson wants more than her attention. She's a military legacy who's been trained by her father and exposed to war strategies and societal information no one can know — especially an alien spy, like Jackson. Giving Jackson the information he needs will betray her father and her country, but keeping silent will start a war. The Taking series is best enjoyed in order. Mia Lee Is Wheeling Through Middle School Dial Press

A definitive and comprehensive survey of the work of one of America's best-known and most acclaimed photographers. Renowned for his melancholic, dramatic, and painterly images of small-town America, Gregory Crewdson has evolved over a nearly thirty-year career into one of the world's most acclaimed and recognizable photographers. With a meticulous approach that has been likened to that of a film director, Crewdson typically works with a large crew and extremely technical sets to achieve a remarkably atmospheric and textured perspective. His fanatical attention to light and location creates a vision of life at once familiar and haunting; his artistic vision seems in line with those of Edward Hopper and David Lynch. Published together for the first time are images from each of his many series of work, from the little-seen black-and-white images of *Fireflies* to more recent masterpieces such as *Beneath the Roses* and *Sanctuary*. With a narrative of short stories written specially to accompany each series by Jonathan Lethem, an introductory overview by Nancy Spector, and an essay by Melissa Harris on his unique process, this is the definitive monograph on the work of a true contemporary master of photography.

No Kissing Allowed Penguin

From the acclaimed author of the *Anderson & Costello* series, a compelling standalone psychological thriller. Megan Melvick has returned home after a three-year absence to visit her dying sister, Melissa, for the last time. As she approaches the grand Scottish country estate where she grew up, the memories come flooding back. Just what did happen on the night of Melissa's wedding five years before? Where has Megan and Melissa's mother disappeared to? And why does Melissa whisper that solitary word before she finally slips away: Sorry. In order to overcome her demons, Megan must confront her painful recollections of that terrible night, the night of Melissa's wedding. The night somebody died. But can she really trust her memories? And who is it who's determined that she should forget ...?

It Ends with Us Aperture Direct

"As fearless as a futuristic *Game of Thrones*." — MARGARET STOHL, *New York Times* bestselling co-author of the *Beautiful Creatures* trilogy From Melissa de la Cruz and Michael Johnston, the *New York Times* bestselling authors of the *Blue Bloods* and *Witches of East End* series. Welcome to New Vegas, a city once covered in bling, now blanketed in ice. Like much of the destroyed planet, the place knows only one temperature—freezing. But some things never change. The diamond in the ice desert is still a 24-hour hedonistic playground and nothing keeps the crowds away from the casino floors, never mind the rumors about sinister sorcery in its shadows. At the heart of this city is Natasha Kestel, a young blackjack dealer looking for a way out. Like many, she's heard of a mythical land simply called "the Blue." They say it's a paradise, where the sun still shines and the waters are turquoise. More importantly, it's a place where Nat won't be persecuted, even if her darkest secret comes to light. But passage to the Blue is treacherous, if not impossible, and her only shot is to bet on a ragtag crew of mercenaries led by a cocky runner named Ryan Wesson there. Danger and deceit await on every corner, even as Nat and Wes find themselves inexorably drawn to each other. But can true love survive the lies? Fiery hearts collide in this fantastic tale of the evil men do and the awesome power within us all. This is a remarkable first book in a spellbinding new series about

the dawn of a new kind of magic.

Collide Artisan

WALL STREET JOURNAL BESTSELLER • A how-to guide for crafting beautiful and delicious cheese boards for entertaining and self-care, from the creator of the Cheese by Numbers method and the Instagram phenomenon That Cheese Plate “[Marissa Mullen] takes the guesswork out of the coolest, most solid thing to bring to any party or potluck: the cheese platter.”—Rachael Ray With her gorgeous, showstopping cheese and charcuterie boards, Marissa Mullen takes cheese to a whole new level. With fifty exquisite, easy-to-make cheese and charcuterie plates, this book will teach you how to relax, enjoy, and indulge— to find your cheesy bliss.

To Tame a Highland Warrior Penguin

A collection of essays on affect theory, by groundbreaking scholars in the field.

The Thirty Names of Night Rizzoli International Publications

One-in-seven adults and one-in-five children in the United States live in poverty. Individuals and families living in poverty not only lack basic, material necessities, but they are also disproportionately afflicted by many social and economic challenges. Some of these challenges include the increased possibility of an unstable home situation, inadequate education opportunities at all levels, and a high chance of crime and victimization. Given this growing social, economic, and political concern, The Hamilton Project at Brookings asked academic experts to develop policy proposals confronting the various challenges of America’s poorest citizens, and to introduce innovative approaches to addressing poverty. When combined, the scope and impact of these proposals has the potential to vastly improve the lives of the poor. The resulting 14 policy memos are included in The Hamilton Project’s Policies to Address Poverty in America. The main areas of focus include promoting early childhood development, supporting disadvantaged youth, building worker skills, and improving safety net and work support.

It Starts with Us Entangled: Teen

From the New York Times bestselling author of Blue Bloods and Isle of the Lost (a Disney Decendants novel)—the powerful trilogy that’s been compared to Game of Thrones continues in this sequel to Frozen! Nat and her drakon are the last of their kind—sworn to protect what their enemies seek to control—and she’s risked her life for their reunion. But fighting for the majestic Blue meant saying goodbye to Wes, breaking both their hearts. Back in New Vegas, citizens are threatened by the resurgence of magic and declare war on all the marked. Wes and his team travel to the extravagant indoor city of El Dorado looking for his sister, but when they are caught on the wrong side of the RSA’s strict new laws, Wes is forced to do the unthinkable—surrender and rejoin the military’s quest to uncover the magical source, the same land Nat is struggling to protect. Now he and Nat find themselves on opposing sides of a war that could potentially destroy what’s left of the world. “As fearless as a futuristic Game of Thrones.” —Margaret Stohl “A thought-provoking novel, part epic fantasy and part social commentary.”—Entertainment Weekly on Frozen: Heart of Dread, Book One

Dreaming of You Entangled: Teen

They’re running out of time... Sixteen-year-old alien Val Stone was born for one mission—to kill teenage Randolph “Rolf” Cartier before he fulfills an age-old prophecy, becomes the future American president, and murders thousands of her kind. Val is ready to sacrifice herself for the good of her people. She knows every aspect of Rolf’s life and is prepared to strike. But what she doesn’t know is that Rolf’s been watching her, too. Waiting for her. Ready to defeat her and save himself. Only when the day arrives, doubt overcomes purpose, and they discover the prophecy was all a hoax. Oh, and they can’t seem to stop thinking about each other. Now they’re running against the clock, desperate to reveal who created the fake prophecy before tensions erupt and there’s nothing left but the memory of a species called human.

Miss Peregrine’s Home for Peculiar Children Agate Publishing

"A feverish story of young adulthood, exploring how fandom and obsession shape how we relate to the world . . . Dreaming of You navigates the complexities of Latinx identity, self-loathing, love, and the loneliness of drifting into adulthood." —Miguel Salazar, *Vulture* "At the center of this exploration of insecurities, joys, and identity stands Melissa Lozada-Oliva—an unapologetic poet who isn’t afraid of the rawness of the mind and is resilient in her writing— so much so that it feels like we’re talking to our best friend." —Bianca Pérez, *Porter House Review* A macabre novel in verse of loss, longing, and identity crises following a poet who resurrects pop star Selena from the dead. Melissa Lozada-Oliva’s *Dreaming of You* is an absurd yet heartfelt examination of celebrity worship. A young Latinx poet grappling with loneliness and heartache decides one day to bring Tejano pop star Selena Quintanilla back to life. The séance kicks off an uncanny trip narrated by a Greek chorus of gossiping spirits as she journeys through a dead celebrity prom, encounters her shadow self, and performs karaoke in hell. In visceral poems embodying millennial angst, paragraph-long conversations overheard at her local coffeeshop, and unhinged Twitter rants, Lozada-Oliva reveals an eerie, sometimes gruesome, yet moving love story. Playfully morbid and profoundly candid, an interrogation of Latinidad, womanhood, obsession, and disillusionment, *Dreaming of You* grapples with the cost of being seen for your truest self.
