covered in bling, now blanketed in ice. Like much of the destroyed planet, the place knows only one temperature—freezing. But some things never change. The diamond in the ice desert is still a 24-hour hedonistic playground and nothing keeps the crowds away from the casino floors, never mind the rumors about sinister sorcery in its shadows. At the heart of this city is Natasha Kestal, a young blackjack dealer looking for a way out. Like many, she's heard of a mythical land simply called “ the Blue. ” They say it ' s a paradise, where the sun still shines and the waters are turquoise. More importantly, it ' s a place where Nat won ' t be persecuted, even if her darkest secret comes to light. But passage to the Blue is treacherous, if not impossible, and her only shot is to bet on a ragtag crew of mercenaries led by a cocky runner named Ryan Wesson there. Danger and deceit await on every corner, even as Nat and Wes find themselves inexorably drawn to each other. But can true love survive the lies? Fiery hearts collide in this fantastic tale of the evil men do and the awesome power within us all. This is a remarkable first book in a spellbinding new series about the dawn

of a new kind of magic.

Farming family land on sunny Crestler's Key, the sweet, sexy Littleton brothers are notorious bachelors. But all that will change when the right woman comes along . . . There aren't many things Charlie Littleton values more than his lifelong friendship with his buddy Lucas, currently home from a tour in Iraq. But when he discovers that Lucas's younger sister, Lila, is back to assist the town's overburdened veterinarian, Charlie is torn. She's no longer the skinny, awkward kid he remembers, but a gorgeous woman—one Lucas would never approve of him dating. When Lucas asks him to watch out for Lila when he's called to duty again, Charlie can't say no—but he can't pretend it's easy to ignore his feelings either. As a teen, Lila crushed on Charlie—hard—and the man he's grown up to be is even more wonderful than she dreamed. Relationships are a tricky business, though, and too much history is at stake to risk one now. But every moment they're together is heated by their simmering attraction—and one day an impulsive kiss leads to much more. What's

tangled in a matter of loyalty soon becomes a question of the kind of love worth chasing . . . Praise for Melissa West's *Racing Hearts* “An emotional story filled with heart, humor, and second chances, *Racing Hearts* is a love letter to small towns, southern pride, and the heartbeat of all tight communities—its strong families. Before It Ends with Us, it started with Atlas. Colleen Hoover tells fan favorite Atlas' side of the story and shares what comes next in this long-anticipated sequel to the "glorious and touching" (USA TODAY) #1 New York Times bestseller It Ends with Us. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, Atlas, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when Atlas asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and Atlas Corrigan is the one man he will hate being in his ex-wife and daughter's life. Switching between the perspectives of Lily and Atlas, It Starts with Us picks up right where the epilogue for the "gripping, pulse-pounding" (Sarah Pekkanen, author of Perfect Neighbors) bestselling phenomenon It Ends with Us left off. Revealing more about Atlas' past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that "no one delivers an emotional read like Colleen Hoover" (Anna Todd, New York Times bestselling author).

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own

---

business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

"From the author of the acclaimed and award-winning debut *The Map of Salt and Stars*, a remarkably moving and lyrical novel following three generations of Syrian

Americans who are linked by the truths they carry close to their hearts. Five years after a suspicious fire killed his mother, a closeted Syrian American trans boy sheds his birth name and searches for a new one. He has been unable to paint since his mother's ghost has begun to visit him each evening. The only time he feels truly free is when he slips out at night to paint murals on buildings in the once-thriving Manhattan neighborhood known as Little Syria. One night, he finds the tattered journal of a Syrian American artist named Laila Z. She famously and mysteriously disappeared more than sixty years before, but her journal contains proof that Laila Z's past is intimately tied to his mother's—and his grandmother's—in ways he never could have expected. Even more surprising, Laila Z's story reveals the histories of queer and transgender people within his community that he never knew. Following his mother's ghost, he uncovers the silences kept in the name of survival by his own community, his own family, and within himself, and discovers the family that was there all along. *The Thirty Names of Night* is an imaginative and intimate exploration of how we all search for and ultimately embrace who we are" --.

A definitive and comprehensive survey of the work of one of America's best-known and most acclaimed photographers. Renowned for his melancholic, dramatic, and painterly images of small-town America, Gregory Crewdson has evolved over a nearly thirty-year career into one of the world's most acclaimed and recognizable photographers. With a meticulous approach that has been likened to that of a film

---

director, Crewdson typically works with a large crew and extremely technical sets to achieve a remarkably atmospheric and textured perspective. His fanatical attention to light and location creates a vision of life at once familiar and haunting; his artistic vision seems in line with those of Edward Hopper and David Lynch. Published together for the first time are images from each of his many series of work, from the little-seen black-and-white images of Fireflies to more recent masterpieces such as Beneath the Roses and Sanctuary. With a narrative of short stories written specially to accompany each series by Jonathan Lethem, an introductory overview by Nancy Spector, and an essay by Melissa Harris on his unique process, this is the definitive monograph on the work of a true contemporary master of photography.
