Portraits of Courage Entangled: Teen

Over the last seven years, Melissa O'Shaughnessy has photographed daily on the streets of New York. As one of a growing number of women street photographers contributing to this dynamic genre, O'Shaughnessy enters the territory with clarity and a distinctly humanist eye, offering a refreshing addition to the tradition of street photography. Through her curious and quirky vision, we witness the play of human activity on the glittering sidewalks of the city. Woven into her cast of characters are the lonely, the soulful, and the proud. She has fallen for them all--perfect strangers.

They're running out of time... Sixteen-year-old alien Val Stone was born for one mission—to kill teenage Randolph “Rolf” Cartier before he fulfills an age-old prophecy, becomes the future American president, and murders thousands of her kind. Val is ready to sacrifice herself for the good of her people. She knows every aspect of Rolf's life and is prepared to strike. But what she doesn't know is that Rolf's been watching her, too. Waiting for her. Ready to defeat her and save himself. Only when the day arrives, doubt overcomes purpose, and they discover the prophecy was all a hoax. Oh, and they can't seem to stop thinking about each other. Now they're running against the clock, desperate to reveal who created the fake prophecy before tensions erupt and there's nothing left but the memory of a species called human.

“A gorgeous scrapbook of the late icon's life—featuring clippings, letters, and dozens of finely honed quips from her famous-joke files.” —Vanity Fair Joan Rivers is an enduring icon of the twentieth century, and her wildly popular humor has appealed to generations of fans. With a career that began in the late 1950s, Joan kept mementos over the course of her entire working life, and Joan Rivers Confidential is a compilation of never-before-seen personal archives. Assembled by her daughter Melissa with Scott Currie, the book contains scripts and monologues, letters from famous friends, exchanges with fans, rare photographs, as well as classic and never-before-heard jokes—many simply scribbled on everything from hotel stationery to airplane boarding passes. Touching on subjects from her 50 years in show business (The Tonight Show, Las Vegas, Elizabeth Taylor, Heidi Abromowitz, the red carpet, and Fashion Police), this is a revelatory and humor-filled insider look at the popular, multitalented comedian. “It's easy to forget, in this era of Amy Schumer and Sarah Silverman, how revolutionary it was for a meticulously coiffed, nice Jewish girl from Brooklyn—born in 1933!—to get up onstage and crack jokes about hookers, the Holocaust, and her vagina. What fun it is to be reminded.” —W Magazine “From joke cards and contracts to personal letters from pals like Nancy Reagan and Prince Charles, Rivers' mountain of memorabilia was mostly sealed and largely unseen—until now.” —Women's Wear Daily “For fans, this is a gold mine. For others who are simply curious about this unstoppable force, it's a fun, loving tribute.” —Southern Jewish Life

A poetic and nuanced exploration of the human experience of flight that reminds us of the full imaginative weight of our most ordinary journeys—and reawakens our capacity to be amazed. The twenty-first century has relegated airplane flight—a once remarkable feat of human ingenuity—to the realm of the mundane. Mark Vanhoenacker, a 747 pilot who left academia and a career in the business world to pursue his childhood dream of flight, asks us to reimagine what we—both as pilots and as passengers—are actually doing when we enter the world between departure and discovery. In a seamless fusion of history, politics, geography, meteorology, ecology, family, and physics, Vanhoenacker vaults across geographical and cultural boundaries; above mountains, oceans, and deserts; through snow, wind, and rain, renewing a simultaneously humbling and almost superhuman activity that affords us unparalleled perspectives on the planet we inhabit and the communities we form.

One-in-seven adults and one-in-five children in the United States live in poverty. Individuals and families living in poverty É not only lack basic, material necessities, but they are also disproportionately afflicted by many social and economic challenges. Some of these challenges include the increased possibility of an unstable home situation, inadequate education opportunities at all levels, and a high chance of crime and victimization. Given this growing social, economic, and political concern, The Hamilton Project at Brookings asked academic experts to develop policy proposals confronting the various challenges of America's poorest citizens, and to introduce innovative approaches to addressing poverty. É When combined, the scope and impact of these proposals has the potential to vastly improve the lives of the poor. The resulting 14 policy memos are included in The Hamilton Project's Policies to Address Poverty in America. The main areas of focus include promoting early childhood development, supporting disadvantaged youth, building worker skills, and improving safety net and work support.

The Whole30 Gill Books

A practical guide to generating less waste, featuring meaningful and achievable strategies from the blogger behind The Green Garbage Project, a yearlong experiment in living garbage-free. Trash is a big, dirty problem. The average American tosses out nearly 2,000 pounds of garbage every year that piles up in landfills and threatens our air and water quality. You do your part to reduce, reuse, and recycle, but is it enough? In The Zero-Waste Lifestyle, Amy Korst shows you how to lead a healthier, happier, and more sustainable life by generating less garbage. Drawing from lessons she learned during a yearlong experiment in zero-waste living, Amy outlines hundreds of easy ideas—from the simple to the radical—for consuming and throwing away less, with low-impact tips on the best ways to:

- Buy eggs from a local farm instead of the grocery store
- Start a worm bin for composting
- Grow your own loofah sponges and mix up eco-friendly cleaning solutions
- Purchase gently used items and donate them when you're finished
- Shop the bulk aisle and keep reusable bags in your purse or car
- Bring your own containers for take-out or restaurant leftovers

By eliminating unnecessary items in every aspect of your life, these meaningful and achievable strategies will help you save time and money, support local businesses, decrease litter, reduce your toxic exposure, eat well, become more self-sufficient, and preserve the planet for future generations.

The Hudson River Valley, 1769: A man mysteriously disappears without a trace, abandoning his wife and children on their farm at the foot of the Catskill Mountains. At first many believe that his wife, who has the reputation of being a scold, has driven her husband away, but as the strange circumstances of his disappearance circulate, a darker story unfolds. And as the lines between myth and reality fade in the wilderness, and an American nation struggles to emerge, the lost man's wife embarks on a desperate journey to find the means to ensure her family's survival . . .

In the future, only one rule will matter: Don't. Ever. Peek. Seventeen-year-old Ari Alexander just broke that rule and saw the last person she expected hovering above her bed — arrogant Jackson Locke, the most popular boy in her school. She expects instant execution or some kind of freak alien punishment, but instead, Jackson issues a challenge: help him, or everyone on Earth will die. Ari knows she should report him, but everything about Jackson makes her question what she's been taught about his kind. And against her instincts, she's falling for him. But Ari isn't just any girl, and Jackson wants more than her attention. She's a military legacy who's been trained by her father and exposed to war strategies and societal information no one can know — especially an alien spy, like Jackson. Giving Jackson the information he needs will betray her father and her country, but keeping silent will start a war.

A compassionate, shame-free guide for your darkest days “ A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized. ” —Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “ choose joy ” and “ pray more. ” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In I Love Jesus, But I Want to Die, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, I Love Jesus, But I Want to Die offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

From the star of USA reality show The Radkes and creator of the viral "Red Ribbon Week" video, this is a hilarious and inspiring story of finding self-confidence in a world of naysayers. My name is Melissa Radke, and there is a very real chance you have no idea who I am or why I wrote a book. But admit it, you're curious! Even though millions of people seem to like watching my videos and The Radkes TV show bemoaning the trials of parenting, marriage, French braiding, faith, and living life as an anti-aging female, you may still be wondering who let me write a book. I mean, books are written by people who say things like, "I was having a root canal and I literally died in the chair. I saw heaven. Also, when I came back to earth I could speak Mandarin." Yeah, that didn't happen to me. I wrote this book because when I turned 41 I made the decision to live brave, bolder, and freer. I thought our lives were supposed to change when we turned 40. But mine changed when I turned 41 and I set out to prove that it wasn't too late for me. And maybe, just maybe, reading about my journey to find my sense of self-worth will help you rightfully believe in yours. This book is about how all the years of my life led up to the one that changed it. So, cut a big slice and raise a fork... Here's to bravery. Here's to courage. Here's to cake. (And not the crappy kind, like carrot.)
