The Instant New York Times Bestseller! A Good Morning America\* Book Club Pick! Named a Best Book of the Year by NPR! Named a Notable Book of the Year by the Washington Post! "Historical fiction at its best!" \* A remarkable novel about J. P. Morgan's personal librarian, Belle da Costa Greene, the Black American woman who was forced to hide her true identity and pass as white in order to leave a lasting legacy that enriched our nation, from New York Times bestselling authors Marie Benedict and Victoria Christopher Murray. In her twenties, Belle da Costa Greene is hired by J. P. Morgan to curate a collection of rare manuscripts, books, and artwork for his newly built Pierpont Morgan Library. Belle becomes a fixture in New York City society and one of the most powerful people in the art and book world, known for her impeccable taste and shrewd negotiating for critical works as she helps create a world-class collection. But Belle has a secret, one she must protect at all costs. She was born not Belle da Costa Greene but Belle Marion Greener. She is the daughter of Richard Greener, the first Black graduate of Harvard and a well-known advocate for equality. Belle's complexion isn't dark because of her alleged Portuguese heritage that lets

her pass as white—her complexion is dark because she is African American. The Personal Librarian tells the story of an extraordinary woman, famous for her intellect, style, and wit, and shares the lengths she must go to—for the protection of her family and her legacy—to preserve her carefully crafted white identity in the racist world in which she lives.

Keeping a personal journal can be a great self-growth tool. Many people who seek personal development do this to chronicle their journey. What exactly are the benefits of keeping a journal? Here are ten reasons to do so: You create a record: A journal allows you to capture your experiences, thoughts and feelings so you always have a record to look back at. Often you don't think you have made progress in your life. When you keep a journal, it is useful to look back at previous entries and take note of all the changes you have brought about. It's a way of becoming clear about things: The journaling process allows you to clarify your thoughts. As you write, insights seem to come from nowhere about decisions to make and actions to take. A journal sets intentions: When you write down what you want in your life and what you intend to do in the future, you concretize your dreams and goals and this sets the wheels in motion for the law of attraction to work for you. Reduces stress: Expressing in writing what is worrying you, allows you to release your troublesome thoughts and when you do this, you create relief for yourself. Provides a personal safe place: It's like having a friend you can trust 100% and know that you can tell them absolutely anything you choose without the fear of being judged or criticized. A way of organizing: A journal can provide a personal checklist of things you want to do and the order in which you want to do them. A form of creative self-expression: You can draw, write a poem, compose some music or simply write a story because a journal is your special place to be creative. Solves problems: When you have a problem you can't solve, write about it, especially write down questions you want answers to and you will be surprised at how journaling often helps you find a solution. Learn about yourself: Writing down your

thoughts regularly will help you to better understand your values, morals and beliefs. You will clarify for yourself what is important to you in life and why you behave as you do. Fun: Reading through some of your older entries at a later date can be very entertaining when you allow yourself to laugh at what you thought about something then and perhaps how differently you think about it now. The benefits of keeping a journal as a personal development tool are many. Besides the obvious aid to self-growth, it is an intensely personal experience and when you do so, you will not only be able to confirm the above benefits but add to the list yourself.

Journal of a Novel Little, Brown

John Steinbeck wrote *The Grapes of Wrath* during an astonishing burst of activity between June and October of 1938. Throughout the time he was creating his greatest work, Steinbeck faithfully kept a journal revealing his arduous journey toward its completion. The journal, like the novel it chronicles, tells a tale of dramatic proportions—of dogged determination and inspiration, yet also of paranoia, self-doubt, and obstacles. It records in intimate detail the conception and genesis of *The Grapes of Wrath* and its huge though controversial success. It is a unique and penetrating portrait of an emblematic American writer creating an essential American masterpiece. Pirate Diary Hearst Communications The poet and author's "beautiful . . . wise and warm" journal of time spent in her New Hampshire home

alone with her garden, her books, the seasons, and herself (Eugenia Thornton, *Cleveland Plain Dealer*). "Loneliness is the poverty of self; solitude is richness of self." —May Sarton May Sarton's parrot chatters away as Sarton looks out the window at the rain and contemplates returning to her "real" life—not friends, not even love, but writing. In her bravest and most revealing memoir, Sarton casts her keenly observant eye on both the interior and exterior worlds. She shares insights about everyday life in the quiet New Hampshire village of Nelson, the desire for friends, and need for solitude—both an exhilarating and terrifying state. She likens writing to "cracking open the inner world again," which sometimes plunges her into depression. She confesses her fears, her disappointments, her unresolved angers. Sarton's garden is her great, abiding joy, sustaining her through seasons of psychic and emotional pain. *Journal of a Solitude* is a moving and profound meditation on creativity, oneness with nature, and the courage it takes to be alone. Both uplifting and cathartic, it sweeps us along on Sarton's pilgrimage inward. This ebook features an extended biography of May Sarton.

A young Russian woman comes into her own in the midst of revolution and civil war in this "brilliant" novel set in "a world of furious beauty" (*Los Angeles Review of Books*). After the loves and betrayals of *The Revolution of Marina M.*, young poet Marina Makarova finds herself alone amid the devastation of the Russian Civil War -- pregnant and adrift, forced to rely on her own resourcefulness to find a place to wait out the birth of her child and eventually make her way back to her native city, Petrograd. After two years of revolution, the city that was once St. Petersburg is almost unrecognizable, the haunted, half-emptied, starving Capital of Once Had Been, its streets teeming with homeless children. Moved by their

plight, though hardly better off Rubenstein, editor-in-chief of generations.
