## The Sword of Summer Penguin

After 10 years owning and managing a brewery, I've learned some things. Namely that if I wanted to make any money I should have stayed in the fitness business.

This book will teach you the right way to start and operate a brewery by pulling back the curtain on all the wrong things I did when I founded my small, family-run brewery, The New Braunfels Brewing Company, back in 2012. It's a bit of a "How To" in reverse. My 10 mistakes will walk you through recipe design, equipment selection, distributor relations, and even how to deal with online beer reviews. The final chapter is how to manage your cash flow, which might be the most

important lesson you can learn. I truly want you to be successful in your business and have all the fun. But buckle up because you've got a lot of preparation and planning to do if you ever hope to make that happen. The lessons you'll learn will help you in any business but I wrote it for brewery-folk. There are formulas, bad jokes and real-world examples that will show you where all the landmines are and how to avoid them. I'll probably make you laugh, I'll likely make you mad and I hope I don't make you cry. But if you read my book I will definitely make you better equipped to open any business, but especially your own brewery. "How Not To Start A Damn Brewery is a must read for anyone

---

looking to open a damn brewery. Kelly's authentic, creative and unorthodox style of brewing beer is reflected in his writing, snowflakes be warned. You will laugh, you might be offended, but at the end of it, you will have learned tricks of the trade from one of the best damn brewery owners around." Matt Smart - Sales Manager, Bluebonnet Distributing "Kelly offers a sincere take on what it is like navigating the ups and downs of today's beer market in the US. While Kelly and I express ourselves in different ways, there is no mistaking his concern for the current state of how things are done as well as enlightening the new brewery owner to the lessons learned from his

mistakes. His candor and willingness to share an unedited version of his life in the industry is refreshing and rare."

Seth Weatherly - 5

Stones Artisan Brewery

"Would-be brewers will save themselves a lot of tears and bad beers if they give this book a read. Experienced pros will get a laugh because they made the same damn mistakes. And any beer drinker will enjoy this authentic and fun inside look at what it takes to put a beer in your glass." Don Russell  
Creator & Chief Beer Drinker at Joe Sixpack's Philly Beer World  
Northwest Passage Goruck Media

Nothing can ruin a new school year...except maybe a pesky little brother. This Step 4 reader is the perfect back-to-school story for newly independent

---

readers! Will should be excited to start third grade. But his little brother, Steve, is starting kindergarten. The same laugh-out-loud writing and hilarious illustrations that brought us *How Not to Babysit Your Brother* now portray the tribulations and embarrassments of starting school with a very troublesome little brother. School will never be the same! Step 4 Readers use challenging vocabulary and short paragraphs to tell exciting stories. For newly independent readers who read simple sentences with confidence.

**It Did Not Start With JFK Volume 1: The Decades of Events that Led to the Assassination of John F Kennedy**

Simon and Schuster

In today's interconnected world, most people have acquired knowledge of producing the best result but are still stuck in the how do I start phase. You don't

---

want your big dreams, if you have one, and plans fade away like it never existed just because you don't have the resources. This book will do justice to that in a very simplified way such that by the time you are reading the last chapter, you have already started. The subtitle of this book is "Start Now". That's because I believe that achieving any height of success or milestone can only be possible if, against all odds, you started. You will remember back in school when our instructors ask

us questions and we are supposed to answer, maybe after someone has answered it, but we are like, "that is what I wanted to say". Funny memory, right? The truth is, the world will recognize who does it first, not who has it in mind first.

### **Phoenix in Action**

Sunbury Press

This guide reveals how writers can utilize cognitive storytelling strategies to craft stories that ignite readers' brains and captivate them through each plot element. Imagine knowing what the brain craves from every tale it encounters, what fuels the success of any great story, and what keeps readers transfixed. Wired for Story

---

reveals these cognitive secrets—and it's a game-changer for anyone who has ever set pen to paper. The vast majority of writing advice focuses on "writing well" as if it were the same as telling a great story. This is exactly where many aspiring writers fail—they strive for beautiful metaphors, authentic dialogue, and interesting characters, losing sight of the one thing that every engaging story must do: ignite the brain's hardwired desire to learn what happens next. When writers tap into the evolutionary purpose of story and electrify our curiosity, it triggers a delicious dopamine rush that tells us to pay attention. Without it, even the most perfect prose won't hold anyone's interest. Backed by recent breakthroughs in neuroscience as well as

examples from novels, screenplays, and short stories, *Wired for Story* offers a revolutionary look at story as the brain experiences it. Each chapter zeroes in on an aspect of the brain, its corresponding revelation about story, and the way to apply it to your storytelling right now.

### Codependent No More Penguin

Have you been led to believe that sales success is about learning killer closing techniques and being the master of selling anything to anyone? It isn't. If you want to drive mega long-term sales, get buckets of repeat business and referrals and be the top producer in your company, **SHUT UP! Stop Talking and Start Making Money** will fast track your success. You

---

<p>don't have to be the best presenter or stunning public speaker. Your customers don't care what car you drive and designer clothes you own. Decision makers want to deal with Salespeople who have learned to SHUT UP and stop selling them something they don't want to buy. They want to engage with Salespeople who get it! In this book, you will learn The Five Success Skills of Professional Salespeople in B2B (Business to Business selling) and B2C (Business to Consumer selling): Ask Great Questions - Get great answers to find the true needs of your client. Actively Listen - SHUT UP and hear what your customer is telling you. Paraphrase - Capture the</p>	<p>meaning of what was said and confirm the message. Summarize the Customer's Full Needs - The master paraphrase! Project a Positive Personality - Have fun and enjoy the process! Sales success is not rocket science. Stop closing your customers and start connecting with them! Too many Salespeople blow a sale by focusing on their commission, bonus and ego. They rush the sales process to prove to their Sales Manager that they are filling their sales funnel with the required activity level in cold calls, appointments and presentations. The quality of your client engagements will make the biggest difference in your ability to be the</p>
---	---

---

Salesperson that clients want to do business with repeatedly! Are you are tired of clients who say "maybe" to only find them running away from your efforts to get a final decision? Are too many customers asking you to send them an email versus booking an appointment with you? Do your clients use a cheap competitor to beat you up on price and put the boots to you? SHUT UP! Stop Talking and Start Making Money will teach you how to lose fast with the wrong customers and win with the right ones by engaging with decision makers that meet your ideal customer profile and close themselves. You will learn to get rid of customer objections by countering them before they even enter your client's mind. Read the reviews from actual Salespeople who have seen great sales results from this book and its Five Star Reviews. SHUT UP! Stop Talking and Start Making Money is a practical guide of proven, consultative sales techniques to generate sales through trust, needs analysis and the use of social media for inbound marketing. The greatest skill in Professional Sales is the ability to listen, not talk. If you truly believe that, allow this book to give you the tools to gain confidence and develop your natural abilities. The Good Soldier A Tale of Passion by Ford Madox Ford At the fashionable

German spa town Bad Nauheim, two wealthy, fin de siecle couples - one British, the other American - meet for their yearly assignation. As their story moves back and forth in time between 1902 and 1914, the fragile surface propriety of the pre - World War I society in which these four characters live is ruptured - revealing deceit, hatred, infidelity, and betrayal. "The Good Soldier" is Edward Ashburnham, who, as an adherent to the moral code of the English upper class, is nonetheless consumed by a passion for women younger than his wife - a stoic but fallible figure in what his American friend, John Dowell, calls "the saddest story I ever heard." Tiny Habits Allen & Unwin

"Heartbreaking yet hopeful, this astute exploration of the bonds and limitations of

---

family is a perfect book club pick.” – New York Times bestselling author Joshilyn Jackson

*A Most Anticipated by Goodreads \* SheReads \* E! News \* Frolic*

Jessica Strawser's *A Million Reasons* Why is "a fascinating foray into the questions we are most afraid to ask" (Jodi Picoult, #1 New York Times bestselling author)--the story of two women who discover a bond between them that will change both their lives forever. When two strangers are linked by a mail-in DNA test, it's an answered prayer—that is, for one half sister. For the other, it will dismantle everything she knows to be true. But as they step into the unfamiliar realm of sisterhood, the roles will reverse in ways no one could have foreseen. Caroline lives a full, happy life—thriving career, three feisty children, enviable marriage, and a close-knit extended family. She couldn't have scripted it better. Except for one thing: She's about to discover her fundamental beliefs about them all are wrong. Sela lives a life in shades of gray, suffering from irreversible kidney failure. Her marriage crumbled in the wake of her illness. Her beloved mother, always her closest friend, unexpectedly passed away. She refuses to be defined by her grief, but still, she worries what will happen to her two-year-old son if she doesn't find a donor match in time. She's the only one who knows Caroline is her half sister and may also be her best hope for a future. But Sela's world isn't as clear-cut as it appears—and one misstep could destroy it all. "A thrilling story of what happens when a long-held family secret comes to

---

light...[Strawser] shows that no one is ever truly a villain or a hero, but instead, we are all a beautiful and messy mix of both." -

Associated Press review

*The Jungle* BoD – Books on Demand

So. Were you glad, deep down? Were you glad to be rid of her? Your perfect sister? Were you secretly glad when she was killed? Following a horrific tragedy that leaves her once perfect family devastated, Katherine Patterson moves to a new city, starts at a new school, and looks forward to a new life of quiet anonymity. But when Katherine meets the gregarious and beautiful Alice Parrie her resolution to live a solitary life becomes difficult.

Katherine is unable resist the flattering attention that Alice pays her and is so charmed by Alice's contagious enthusiasm that the two girls soon become firm friends.

Alice's joie de vivre is transformative; it helps Katherine forget her painful past and slowly, tentatively, Katherine allows herself to start enjoying life again. But being friends with Alice is complicated - and as Katherine gets to know her better she discovers that although Alice can be charming and generous she can also be selfish and egocentric.

Sometimes, even, Alice is cruel. And when Katherine starts to wonder if Alice is really the kind of person she wants as a friend, she discovers something else

---

about Alice - she doesn't like being cast off.

Shocking and utterly absorbing, Rebecca

James's strong narrative will grip readers from the very first page.

BEAUTIFUL MALICE has become a publishing phenomenon, sparking numerous auctions worldwide, selling to 27 countries, and launching a previously unknown writer into the centre of the international book market.

companies around the world, Fogg brings his proven method to a global audience for the first time. Whether you want to lose weight, de-stress, sleep better, or be more productive each day, *Tiny Habits* makes it easy to achieve.

*How (Not) to Start an Orphanage* Currency

How could it be wrong to save the children by starting an orphanage? Oh, in so many ways . . . Tara Winkler first arrived in Cambodia to join a tour group in 2005 and was taken to visit a small orphanage in Battambang. The children were living in extreme poverty, and Tara was determined to raise money to help them. Two years later, after fundraising in Australia, Tara returned to Battambang only to discover that the same children were in deep trouble. Her spontaneous response was to find them a new, safe, home.

With a team of committed locals and support from friends, she established the Cambodian Children's Trust (CCT). With an instant family of fourteen children and three dogs, Tara had to learn a lot, very fast. And, along the way, she realised that many of the actions she took with good intentions were not at all what the children needed - or indeed, what any child needs. CCT now helps vulnerable children to escape poverty and be cared for within their families. In this compelling, poignant and funny memoir, Tara shares the many joys and the terrible lows of her journey thus far with honesty and passion. Written with co-writer, Lynda Delacey, *How (Not) to Start an Orphanage* is a book that will keep you thinking long after you turn the final page.

THE RIVAN CODEX will enrich your understanding of all that has gone before . . . and whet your appetite for more spectacular adventures from this talented team.

#### How Not to Start Third

#### Grade Faber & Faber

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of

all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all

---

started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. **START WITH WHY** shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

**Beginnings, Middles and Ends** BenBella Books, Inc.

#1 New York Times Bestseller  
Over 10 million copies sold  
In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let's be honest, shit is f\*\*ked and we have to live

with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F\*\*k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we

---

can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F\*\*k* is a refreshing slap for a generation to help them lead contented, grounded lives.
