How Nonviolence Protects the StateA Review of the Book by Peter Gelderloos. How Nonviolence Protects the State. "There is nothing in this world currently deserving of the name peace. Rather, it is a question of whose violence frightens us most, and on whose side we will stand." This is an excellent example of the sort of book anarchists need to be producing to keep our ideas visible and viable in society at large.

How Nonviolence Protects the State challenges the belief that nonviolence is the only way to fight for a better world. In a call bound to stir controversy and lively debate, Peter Gelderloos invites activists to consider diverse tactics, passionately arguing that exclusive nonviolence often acts to reinforce the same structures of oppression that activists seek to overthrow.

Put quite plainly, nonviolence ensures a state monopoly on violence. States — the centralized bureaucracies that protect capitalism; preserve a white supremacist, patriarchal order; and implement imperialist expansion — survive by assuming the role of the sole legitimate purveyor of violent force within their territory.
