Kiss Me Not Random House Books for Young Readers
Named One of the Most Anticipated Books of 2022 by Vogue, BuzzFeed, Bustle, Marie Claire, Harper's Bazaar, Electric Lit, Thrillist, Glamour, CNN, and Shondaland
"Wickedly funny and heartstoppingly vulnerable...every page twinkles with brilliance."
—Refinery29 Perfect for fans of Samantha Irby and Trick Mirror, a funny, whip-smart collection of personal essays exploring the intersection of

queerness, relationships, pop culture, the internet, and identity, introducing one of the most undeniably original new voices today. Jill Gutowitz's life—for better and worse—has always been on a collision course with pop culture. There's the time the FBI showed up at her door because of something she tweeted about Game of Thrones. The pop songs that have been the soundtrack to the worst moments of her life. And of course, the pivotal day when Orange Is the New Black hit the airwaves and broke down the door to Jill's own sexuality. In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the

mainstreaming of lesbian culture. Dusting off her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always teaching, distracting, disappointing, and revealing us. *Girls Can Kiss Now* is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us make sense of our collective pop-culture past even as it points the way toward a joyous, uproarious, near—and very queer—future.

Kiss Him, Not Me Knopf Books for Young Readers

In September, when the school principal

promises to kiss a pig if the students read 10,000 books, a girl volunteers Hamlet, her unwilling, Shakespeare-quoting pet pig. But poor Hamlet wants nothing to do with such foolishness. "To kiss, or not to kiss, The principal in school? Why choose a pig To be their fool?" By the end of April the kids still have a long way to go, and it looks as if Hamlet is safe. But after an author comes to visit and the school has a book fair, the students quickly reach their goal. The date is set for the big kiss. Hamlet is miserable. But he tells himself, "A pig to himself must be true In spite of plans that humans brew." Will the principal follow through on her promise?

Girls Can Kiss Now Simon and Schuster

This is a blank, dot grid journal that's perfect for your loved one. Other details include: 110 pages, 6x9, white paper and a beautiful, matte-finished cover. This journal is the best gift that will allow you to express yourself to the world. Anna and the French Kiss Harlequin "Love at first sight is something for fairy tales.

It doesn't last in real life."Olivia Statler hates Logan Hayes. It's not the fact that he's an executive of a rival travel company, or the fact that he's trying to buy her company, or even the fact that he won't leave her alone. Two years ago, the two of them seemed to have something that was amazing and real, but Logan's ego got in the way. When a new resort offers her an all-expense-paid trip to woo new clients, she figures that a working vacation is just what she needs. As the youngest CEO in the travel business, she's honored and flattered. However, she isn't the only executive that the resort invited. When Olivia sees the broad shoulders and blonde hair of Logan Hayes, her heart races. Half of it is raw sexual attraction, half of it is anger at what he did to her. Logan is determined to reignite their past spark, but Olivia does everything possible to avoid him. However, a hurricane strikes and traps them on the island, making it impossible to ignore the changed man in front of her. Only a storm as powerful as their passion will show them love or hate. Can romance

survive the storm – or will their hurricane kisses be swept away forever? “ Everything you hate was done by my father. I don't want your company. ” His brown eyes were flames, and my soul was the moth. I couldn't have escaped from his gaze if I had been blinded. He moved close enough that those eyes were all I could see. “ I want you. ” I blinked twice. That was not what I was expecting. His words startled and excited me, but before my brain could analyze and process them, his hand was around the back of my neck and his lips were on mine. His mouth was hot and insistent as he pressed it against mine. I fought for a moment, but his grip was too strong and his kiss too sweet. It was a kiss I had craved for two years and had tried to convince myself I could do without. I wanted to give in to him completely, but I was still too angry to budge even an inch. Instead, I just stood there like a statue as he kissed me. I was furious and turned on beyond anything I could imagine. After a moment, he pulled back and searched my face. “ What was that for? ” I surprised

myself with the amount of venom in my voice. His kiss had sent me scorching down into the very marrow of my bones, but I needed someone to be angry with, and he was the closest person. He had hurt me. His eyebrows came together above those beautiful eyes. Hope fell as he saw something in my expression that disappointed him. Without thinking, I put my hand on the back of his neck and pressed my mouth into his. He didn't hesitate, kissing me back with a need that matched my own. He pushed me up against the wall. Our tongues interlocked as we found the valve for the sexual tension that had been building between the two of us for the past two years. My body responded to his every touch with a fervor I couldn't contain. Didn't want to contain. I wanted it to consume us both...
The Biggest Kiss
Createspace Independent Publishing Platform
From a noted science journalist comes a wonderfully witty and fascinating exploration of how and why we kiss. When did humans begin to kiss? Why is kissing

integral to some cultures and alien to others? Do good kissers make the best lovers? And is that expensive lip-plumping gloss worth it? Sheril Kirshenbaum, a biologist and science journalist, tackles these questions and more in **THE SCIENCE OF KISSING**. It's everything you always wanted to know about kissing but either haven't asked, couldn't find out, or didn't realize you should understand. The book is informed by the latest studies and theories, but Kirshenbaum's engaging voice gives the information a light touch. Topics range from the kind of kissing men like to do (as distinct from women) to what animals can teach us about the kiss to whether or not the true art of kissing was lost sometime in the Dark Ages. Drawing upon classical history, evolutionary biology, psychology, popular culture, and more, Kirshenbaum's winning book will appeal to romantics and armchair scientists alike.

Armed with her besties, an embarrassing number of shots, and her list of

10 Wild Things To Do Before Adulthood, recent grad Cameron Lawson is partying it up before she starts her dream job at New York's biggest ad agency. Her last task? Hook up with a random guy. And while it's so not her style, the super-sexy guy sitting next to her is definitely game. No names. No details. At least, that was the plan. On her first day of work, Cameron discovers her hook-up is none other than Aidan Truitt—her new boss's boss. Talk about failing the "no fraternizing with coworkers" policy on an epic level. Especially when Aidan makes it clear their one night was only the beginning. Falling for him could cost her everything, but sometimes the only way to get what you want is by breaking a few rules... Each book in the **No Kissing Allowed** series is a standalone, full-length story that can be enjoyed out of order. Series Order: **Book #1 No Kissing Allowed** **Book #2 No Falling Allowed**

Kissing Independently Published
Kisses from Nick Flynn, Rebecca Makkai, Pico Iyer, Ilyse Kusnetz, Andre Dubus III, Christian Kiefer, Camille T. Dungy, Major Jackson, Bich Minh Nguyen, Terrance Hayes, Ada Limón, Honor Moore, Téa Obreht and Dan Sheehan, Kazim Ali, Beth Ann Fennelly, and others. In this wide-ranging collection of essays, stories, graphic memoir, and cross-genre work, writers explore the deeply human act of kissing, and share their thoughts on a specific kiss—the unexpected and unforgettable, the sublime and the ambiguous, the devastating and the regenerative. Selections from beloved authors “tantalize with such grace that they linger sweetly in your mind for days” (New York Times Book Review), as they explore the messy and complicated intimacies that exist in our actual lives, as well as in the complicated landscape of the imagination. This is a book meant to be read from cover to cover, just as much as it's meant to be dipped into—with each kiss pulling us closer to

the moments in our lives that matter most.

A girl. A curse. A kiss. The Lakes are not only famous for founding the small town of Lakeland, but also for killing off any man who would dare love them. Just one little kiss and he will perish, or so the rumors say. Erralynn Lake has never been a fan of rumors, or Lakeland. She can't wait to move away and spread her wings. But as she plans her escape, an unlikely cold wind blows into town, bringing with it something wicked. Things crawl from the shadows with stories of a curse, a girl, and a kiss. And nothing makes sense. Because Erralynn Lake isn't who she thinks she is. And Lakeland isn't her real home. It fact, it might not be anyone's real home. Crawl into the fairytale that will leave you wishing there was a rabbit to follow through the insanity. First Kiss

to Kiss a Pig SuperNove
I(HK)Co., Limited
What do you do when you're the reigning kissing booth champion but the only person you want to kiss is your best friend's brother? Let me make this clear right here, right now: I, Halley Dawson, do not care that Preston Wright is kissing other women. Not a lick. Not at all. Nuh-uh-freakin'-uh. I do care that he's doing it six feet away from me behind a gaudy velvet curtain--making him my competition in this year's kissing contest. Why do I care, you ask? Because I've had an unfortunate crush on the insufferable idiot since I was sixteen years old, but I also know it's never going to happen. He's the Creek Falls bachelor to die for, and I'm the Creek Falls racoon lady who puts peanut butter sandwiches out for them every night. I'm not going to let him break my four-year-long reign--no matter how many times he breaks the rules and slides the curtain

across to do the one thing he's not allowed to: Kiss me.
Kiss me good bye but say not farewell
Entangled: Embrace
The dictionary says that a kiss is 'a salute made by touching with the lips pressed closely together and suddenly parting them.' From this, it is quite obvious that, although a dictionary may know something about words, it knows nothing about kissing. In this rediscovered classic guide, originally published in 1936, Hugh Morris expounds on the wonderful ritual of osculation (better known as kissing). He explores why people kiss, how to prepare for a kiss, putting variety into your kissing, as well as some popular naughty kissing games. In his guide, you will discover a range of kisses, including the French Soul Kiss, the Eyelash Kiss, the Nip Kiss, the Dancing Kiss. You'll come away from this book wanting to discover the pain-pleasure of the Vacuum Kiss, include your

friends in Electric Kissing Parties, and please your paramour with the Surprise Kiss! So, gird up your loins, pucker up your lips and let's to the kissing arena!

Kiss Not the Child

Delacorte Press

Anna is less than thrilled to be shipped off to boarding school in Paris, leaving a fledgling romance behind – until she meets Étienne St. Clair. Smart, charming, beautiful, Étienne has it all...including a girlfriend. But in the City of Light, wishes have a way of coming true. Will a year of romantic near-misses end with a longed-for French kiss? "Magical...really captures the feeling of being in love" - Cassandra Clare, author of The Mortal Instruments series NPR's Year's Best Teen Reads, 2010. NPR's 100 Best-Ever Teen Novels, Number 53. Georgia Peach Book Award for Teen Readers, Honor, 2012-13.

The ABC's of Kissing Boys
Simon and Schuster

A lovebird who doesn't like kisses?! Rissy's friends and family wonder if she's sick,

confused, or rude. But kisses make Rissy uncomfortable. Can one little lovebird show everyone that there's no one right way to show you care? Rissy No Kissies carries the message that "your body and your heart are yours, and you choose how to share." A note at the end provides further information for kids, parents, and educators about body autonomy, consent, and different ways to show affection. "This is an artistic gem for consent discussions, sensory-processing contexts, and anyone who champions children's agency and bodily autonomy.

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1811 edition. Excerpt: ... ACT III. SCENE I.--A Room in BartoWs House. Enter Amaranta and Phebe. Pha'be. But by what chance, dear mistress, did your lover Declare his passion? Long coop'd closely up, How could he see you, how converse, how win you? Whence rose your first acquaintance? Amar. Some months since, When my old guardian took

me to his farm Near Palma, to enjoy the country air, As I look'd from the lattice one fine evening, A gallant cavalier came riding by: He seeing me, look'd up and bow'd, I curtsied, Lest he should think I had no breeding, girl; He bow'd again; what could I do but curtsy? I would not be thought rude. Phoebe. No, certainly, That would have been as cruel as ill-bred, I should have done the same. What followed this? Amar. Some interviews, at length, his art contriv'd, In spite of all my uncle's jealous care: For difficulties sharpen lovers' wits: But now 'tis near a fortnight, --two long weeks, And no device, no serenade, no letter; Evil I much forebode. Phoebe. Remov'd to Seville, Thus closely watch'd, old Bartolo, perhaps, May have found out the secret, tell me truly, Are you resolv'd to disappoint his wishes? Carlos his son, who is your promis'd husband, Is now expected home; which will you choose? Amar. O 'tis a dainty spark; I hate him, Phoebe, I always hated him, a double hatred, Both for his father's faults and for his own: Do they not keep me like a prisoner here To marry me, whether I would or no? My fortune is their object. One thing, Phoebe, --Had I a friend. Phoebe. Signora, I'm your friend. I've been in love myself, and pity all Whom little Cupid wounds. ' Amar. Alas!

what's pity, Unless assistance aids it? Phoebe. Trust me mistress, And if I fail you, say no faith's in woman. Amar. Alas! all schemes are vain, unless we.

How (Not) to Kiss a Beast (Cindy Eller #3)
Grand Central
Publishing

The prospect of kissing someone for the first time is crazy-scary-exciting. For most of us, it marks a step into adulthood, the first validation of our appeal to the opposite sex. That first kiss will go down in your history of "firsts" and you want to be able to recall the memory fondly. I imagined my first kiss to look like the kissing scenes on TV, with a handsome and charming partner slowly leaning towards my coy yet expert lips. But first kisses seldom have the advantage of a seasoned director and cameramen zooming in at precise perfect angles the way they do on TV. By virtue of inexperience and any real knowledge, my first kiss was awkward and clumsy. But yours doesn't have to be! By

learning how to kiss - and how NOT to kiss - in advance and prepping for that special moment, your first kiss can be oh-so-much-more graceful and sophisticated than mine was. For this short read, I'm going to be your personal kissing coach. We'll leave no stone unturned, and by the end of the book, you'll kiss like a pro. Sweet, yet smooth; excited, yet confident; romantic, yet racy. So pucker up and let's get started!

Hurricane Kisses Kyle Books

"Admit it. Admit that you wanted that kiss as much as I did." I wish someone would have warned me about my best friend Deacon Cross when we were nine. Because nearly sixteen years later, the only man I've forbidden myself to cross that line with still doesn't understand my rules of friendship. Best friends aren't supposed to kiss. They're not supposed to dream of having insanely hot sex while working together, either. And they're definitely not supposed to keep secrets. And now I wish I had warned myself about this two days ago. Right before Deacon kissed me for the second time. And all of the

rules changed... AUTHOR'S NOTE: THE KISS is a full-length, stand alone, best friends to lovers romance with humor, suspense and heat. Enjoy!

The Kiss; a Comedy, in Five Acts Theclassics.us
Kissing ass is one of the most important things job seekers and employees need to learn. Fortunately for the majority of our population, you do not need a degree from an Ivy to learn this skill. Nearly every one of us has the capacity to be a kiss ass. People like to feel good about themselves! If you put someone else before yourself for just a little bit of time, that person will take care of you. In life, it doesn't matter if you want to be a teacher in France or an intern on Wall Street, it's not about what you know, it's who you know, so pucker up. If you're sick of hearing this saying, then it's time to get over it and face the music. It's the truth. Thankfully, I have learned to take the "who you know" aspect to the next level. Although you are probably well over school by now, please allow me to teach you a little lesson. There will always be someone above you who will be the reason that you do or do not get the job/promotion/boyfriend etc. Whether it's your boyfriend's mother or a networking opportunity, put on your game face and kiss

ass like you've never kissed one before. Here's a trick to getting on someone's good side: always ask about his or her family. Do your research and know what's going on. Don't act like you haven't already Facebook stalked their entire family tree. Keep it simple with something like, "Hey Mark, how's Becky doing? I see she's working really hard on her music." Cue the fireworks because you are in. There is nothing someone cares more about than his or her flesh and blood. If you let them know that you have taken the time to not only ask about them, but to check up on their family...can you say brownie points? Stay up to date on what is going on in your target's life. If he or she has been working hard at the gym, let them know that you see results (regardless of what he or she actually looks like). Kissing ass is basically the same thing as being someone's b*tch. Offer to get your boss a coffee on your way out the door or go out of your way to pick up their favorite pastry from the shop down the street. This will let him or her know that while you have taken the time to invest in his/her interests that you are also just a friendly and nice person who enjoys doing nice things for people. Whether you are this person or not, fake it till you freaking

make it. This is where this notebook becomes essential. To know the correct ass kissing topics, you must record everything about your boss while the information is fresh. You never know when a comment the boss makes may become a valuable asset in your ass kissing mission. The boss may mention in passing on day that he is a huge Yankees fan. How fast will your stock rise when you happen to mention that you have two tickets to the game that you aren't using. You never would have been in position to pull off that nuclear ass kiss if you hadn't jotted down "Big Yankees fan" in the notebook. Good luck and happy ass kissing.

Not with a Kiss Bim Haven Press
