No Kiss for Mother Emma Hart
A girl. A curse. A kiss. The Lakes are not only famous for founding the small town of Lakeland, but also for killing off any man who would dare love them. Just one little kiss and he will perish, or so the rumors say. Erralynn Lake has never been a fan of rumors, or Lakeland. She can't wait to move away and spread her wings. But as she plans her escape, an unlikely cold wind blows into town, bringing with it something wicked. Things crawl from the shadows with stories of a curse, a girl, and a kiss. And nothing makes sense. Because Erralynn Lake isn't who she thinks she is. And Lakeland isn't her real home. In fact, it might not be anyone's real home. Crawl into the

fairytale that will leave you wishing there was a rabbit to follow through the insanity. First Kiss

dainty spark; I hate him, Phoebe, I always hated Good KisserThe prospect of

kissing someone for the first time is crazy-scary-exciting. For most of us, it marks a step into adulthood, the first validation of our appeal to the opposite sex. That first kiss will go down in your history of "firsts" and you want to be able to recall the memory fondly. I imagined my first kiss to look like the kissing scenes on TV, with a handsome and charming partner slowly leaning towards my coy yet expert lips. But first kisses seldom have the advantage of a seasoned director and cameramen zooming in at precise perfect angles the way they do on TV. By virtue of inexperience and any real knowledge, my first kiss was awkward and clumsy. But yours doesn't have to be! By learning how to kiss - and how NOT to kiss - in advance and prepping for that special moment, your first kiss can be oh-so-much-more graceful and sophisticated than mine was. For this short read, I'm going to be your personal kissing coach. We'll leave no stone unturned, and by the end of the book, you'll kiss like a pro. Sweet, yet smooth; excited, yet confident; romantic, yet racy. So pucker up and let's get started!The Science of Kissing

Parker Stanhope has played soccer practically since she could walk. And now that she's a high school junior, everything she's worked for is finally coming together. She's paid her dues on the field, and as an upperclassman, she's a shoo-in for the varsity team. But that's not what happens. This year, Coach Hartley moved up every JV player but two—and one of those two was Parker. Now, she's stuck with the freshmen, her friends are cutting her loose, and her love of the game is seriously beginning to fail. But Parker is determined to get her life back. She has to get on the varsity team, and she has the perfect plan. All she needs now is the right kind of coach. Tina Ferraro lives in southern California. You can visit her online at www.tinaferraro.com.

Our Principal Promised to Kiss a Pig Wrye Writing

From the national bestselling author of *Before We Were Strangers*, *Swear on this Life*, and *Wish You Were Here* comes a powerful story of two people who spend years denying their scientifically proven chemistry. Penny spends her afternoons sitting outside a sandwich shop, surrounded by ghosts. Fourteen years ago,

this shop was her childhood dance studio—and she was a dancer on the rise. Now she’s a suburban housewife, dreading the moment her son departs for MIT, leaving her with an impeccably decorated McMansion and a failing marriage. She had her chance at wild, stars-in-her-eyes happiness, but that was a lifetime ago. After The Kiss. Before The Decision. The Kiss was soulful. Magical. Earth-shattering. And it was all for a free gift card. Asked to participate in a psych study that posed the question, “Can you have sexual chemistry without knowing what the other person looks like?” Penny agreed to be blindfolded, make polite conversation with a total stranger, and kiss him. She never expected The Kiss to change her life forever and introduce her to Gavin: tattooed, gorgeous, and spontaneous enough to ask her out seconds after the blindfolds came off. For a year, they danced between friendship and romance—until Penny made The Decision that forced them to settle for friendship. Now, fourteen years later, both of their lives are about to radically change—and it’s his turn to decide what will become

of their once-in-a-lifetime connection.

How to Be a Good Kisser

BimHaven Press

Cindy's Ordinary boyfriend is missing and nobody seems to know where he has gone. Cindy is convinced that something horrible has happened to him, but every attempt she has made to find him--Magical or otherwise--has offered no explanation. Then she learns that her mysterious father is behind it all. How can she fight against powers she doesn't even understand--especially when her own Magic is acting up worse

than ever before? And what will she do when enemies of her father start coming out of the woodwork?

I'm Here to Save Your Ass Not Kiss It Random House Books for Young Readers

"Love at first sight is something for fairy tales. It doesn't last in real life." Olivia Statler hates Logan Hayes. It's not the fact that he's an executive of a rival travel company, or the fact that he's trying to buy her company, or even the fact that he won't leave her alone. Two years ago, the two of them seemed to have something that

was amazing and real, but Logan's ego got in the way. When a new resort offers her an all-expense-paid trip to woo new clients, she figures that a working vacation is just what she needs. As the youngest CEO in the travel business, she's honored and flattered. However, she isn't the only executive that the resort invited. When Olivia sees the broad shoulders and blonde hair of Logan Hayes, her heart races. Half of it is raw sexual attraction, half of it is anger at what he did to her. Logan is determined to reignite their past spark, but Olivia does everything possible

to avoid him. However, a hurricane strikes and traps them on the island, making it impossible to ignore the changed man in front of her. Only a storm as powerful as their passion will show them love or hate. Can romance survive the storm - or will their hurricane kisses be swept away forever? "Everything you hate was done by my father. I don't want your company." His brown eyes were flames, and my soul was the moth. I couldn't have escaped from his gaze if I had been blinded. He moved close enough that those eyes were all I could see. "I want you." I blinked

twice. That was not what I was expecting. His words startled and excited me, but before my brain could analyze and process them, his hand was around the back of my neck and his lips were on mine. His mouth was hot and insistent as he pressed it against mine. I fought for a moment, but his grip was too strong and his kiss too sweet. It was a kiss I had craved for two years and had tried to convince myself I could do without. I wanted to give in to him completely, but I was still too angry to budge even an inch. Instead, I just stood there like a statue as he kissed me. I was furious and turned on beyond anything I could imagine. After a moment, he pulled back and searched my face. "What was that for?" I surprised myself with the amount of venom in my voice. His kiss had sent want scorching down into the very marrow of my bones, but I needed someone to be angry with, and he was the closest person. He had hurt me. His eyebrows came together above those beautiful eyes. Hope fell as he saw something in my expression that disappointed him. Without thinking, I put my hand on the back of his neck and pressed my mouth into his. He didn't hesitate, kissing me back

with a need that matched my own. KISS LIST is the quintessential Girl-Likes-Boy-Who-Likes-Boys story. Naomi and Ely are best friends. Inseparable since childhood. Naomi is straight. He pushed me up against the wall. Our tongues interlocked as we found the valve for the sexual tension that had been building between the two of us for the past two years. My body responded to his every touch with a fervor I couldn't contain. Didn't want to contain. I wanted it to consume us both...

Naomi and Ely's No Kiss List

Delacorte Press

Now a motion picture starring Victoria Justice! From the New York Times bestselling authors of NICK & NORAH'S INFINITE PLAYLIST, NAOMI AND ELY'S NO

and Ely created a No Kiss List—a list of people neither of them is allowed to kiss under any circumstances. Naomi's latest boyfriend Bruce isn't on that list. But he probably should have been. Because when Ely kisses Bruce, it breaks Naomi's heart. The result? A rift of universal proportions. Can these

best friends come together again, or will this be end of Naomi and Ely: the Institution? Told in alternating voices using an array of emoticons and symbols by co-authors Rachel Cohn and David Levithan, co-author of WILL GRAYSON, WILL GRAYSON with John Green (THE FAULT IN OUR STARS), NAOMI AND ELY'S NO KISS LIST is the ultimate offbeat story about leaving room for every kind of love.

Blind Kiss Knopf Books for
Young Readers
Named One of the Most

Anticipated Books of 2022 by
Vogue, BuzzFeed, Bustle, Marie
Claire, Harper's Bazaar,
Electric Lit, Thrillist,
Glamour, CNN, and Shondaland
"Wickedly funny and
heartstoppingly vulnerable...every
page twinkles with brilliance."
—Refinery29 Perfect for fans of
Samantha Irby and Trick Mirror,
a funny, whip-smart collection
of personal essays exploring the
intersection of queerness,
relationships, pop culture, the
internet, and identity,
introducing one of the most
undeniably original new voices
today. Jill Gutowitz's life—for
better and worse—has always been

on a collision course with pop culture. There's the time the FBI showed up at her door because of something she tweeted about Game of Thrones. The pop songs that have been the soundtrack to the worst moments of her life. And of course, the pivotal day when Orange Is the New Black hit the airwaves and broke down the door to Jill's own sexuality. In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the mainstreaming of lesbian culture. Dusting off her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always teaching, distracting, disappointing, and revealing us. *Girls Can Kiss Now* is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us make sense of our collective pop-culture past even as it points the way toward a joyous, uproarious, near-and-very queer-future.

Kiss Me Not Harlequin In September, when the school principal promises to kiss a

pig if the students read 10,000 books, a girl volunteers Hamlet, her unwilling, Shakespeare-quoting pet pig. But poor Hamlet wants nothing to do with such foolishness. "To kiss, or not to kiss, The principal in school? Why choose a pig To be their fool?" By the end of April the kids still have a long way to go, and it looks as if Hamlet is safe. But after an author comes to visit and the school has a book fair, the students quickly reach their goal. The date is set for the big kiss. Hamlet is miserable. But he tells himself, "A pig to himself must be true In spite of plans that humans brew." Will the principal follow through on her promise? Kiss me good bye but say not farewell M J F Books

She needs him undercover...He needs her forever. Tabitha "TR" Meyers needs a man--and not just any man. She needs one who can act as an escort, as a bodyguard, and as a potential cover while she researches a story--and he needs to rock a tux while doing it. One man is perfect for the job--if TR can convince him to take it. A former Army Ranger specializing in dark ops

private security, Gordon "Mac" MacGregor will do anything to get the job done. But when TR shows up with her half-baked plan, Mac realizes going undercover as her date is the one assignment he isn't qualified for. TR won't take no for an answer and Mac finds himself accepting the mission against his better judgment. When the night heats up and sparks fly between them, can this badass operative pass himself off as nothing more than a trophy date? Or will Mac's undercover assignment lead to something more? This 26,000-word novella is the prequel to *The Protector: MAC, Cover Six Security 1*, and ends in a small cliffhanger.

365 Ways to Kiss Your Love Simon and Schuster

Anna and the French Kiss

Independently Published

The dictionary says that a kiss is 'a salute made by touching with the lips pressed closely together and suddenly parting them.' From this, it is quite obvious that, although a dictionary may know something about words, it knows nothing about kissing. In this rediscovered

classic guide, originally published in 1936, Hugh Morris expounds on the wonderful ritual of osculation (better known as kissing). He explores why people kiss, how to prepare for a kiss, putting variety into your kissing, as well as some popular naughty kissing games. In his guide, you will discover a range of kisses, including the French Soul Kiss, the Eyelash Kiss, the Nip Kiss, the Dancing Kiss. You'll come away from this book wanting to discover the pain-pleasure of the Vacuum Kiss, include your friends in Electric Kissing Parties, and please your paramour with the Surprise Kiss! So, gird up your loins, pucker up your lips and let's to the kissing arena!

You Should Not Kiss an Alligator CreateSpace Emily Samuels was devastated when she found her boyfriend of a year cheating on her. She was angry and hurt that she swore she would never forgive him. Logan has apologised to her and said it was a mistake, but Emily did not want to hear it. She also turned him down when he

begged for her back. Logan's plea for her has gotten consistent that Emily wanted him to stop, so she did something that she hadn't expected to do... She kissed the school's bad boy and heartthrob, Tyler King. She only did that to let Logan see that she has moved on. Tyler, on the other hand, got an idea, so he strike a deal with Emily - To pretend that they were dating. Spending a lot of time with the bad boy has allowed Emily to see the real Tyler. Would their fake-dating be just that; fake? Or would

it turn out to be real?
How (Not) to Kiss a Beast (Cindy Eller #3) W. W. Norton & Company
"Admit it. Admit that you wanted that kiss as much as I did." I wish someone would have warned me about my best friend Deacon Cross when we were nine. Because nearly sixteen years later, the only man I've forbidden myself to cross that line with still doesn't understand my rules of friendship. Best friends aren't supposed to kiss. They're not supposed to dream of having insanely hot sex while working together, either. And they're definitely not supposed to keep secrets. And now I wish I had warned myself about this two days ago. Right before Deacon kissed me for the second

time. And all of the rules changed... competition in this year's
