How Reading Changed My Life

Anna Quindlen. 3.84 · Rating details · 3,762 ratings · 532 reviews. A recurring theme throughout Anna Quindlen's How Reading Changed My Life is the comforting premise that readers are never alone. "There was waking, and there was sleeping. And then there were books," she writes, "a kind of parallel universe in which anything might happen and frequently did, a universe in which I might be a newcomer but never really a stranger.

How Reading Changed My Life is my first exposure to Anna Quindlen, but will not be my last. In 84-pages she has expressed many of our feelings about reading eloquently. Reading is a necessity for some of us or at the least an addiction. It is good to know that we are not alone. Reading is not a punishment.

How Daily Reading Changed My Life - Thrive Global

How Reading Changed My Life by Anna Quindlen, an extended essay masquerading as a book, on the other hand, was perfect. In four short essays, Quindlen tracks her lifelong progression as a reader. I love reading this sort of bookish memoir and though I doubt this one will stand out in my mind, it did make me like Quindlen far more than I had ever thought I would (after having read and disliked several of her other books).

Michelle Kuo: The healing power of reading | TED Talk ...

Often times, during a dark hour or an idle point, a book has changed my life. There are countless books that have pointed me in a different direction, or taught me a lesson. There are also many books that have helped me articulate my own emotions or thoughts, helped me find a voice. If it weren't for the books I've read, I'd be a very different man today...I'd even argue I'd be less of a man.

How Did Your Reading Habits Change This Year?

In many ways, 2020 was an onslaught of nightmare events surrounding the pandemic, social injustice, the burning planet, and a presidential election we're somehow still talking about, to name just a few. For those who could focus on reading, books were a means of escape, hope, or even empowerment. For others, there was a pandemic reading slump. And the publishing industry as a whole shifted, too ...
