Squares Zondervan

'How Round is your Circle?'
includes chapters on: hard
lines; how to draw a straight
line; four-bar variations;
building the world's first
rules; dividing the circle;
falling apart; follow my
leader; all approximations
are rational; all a matter of
balance; and finding some
equilibrium.

The Circle Blueprint

Penguin

The debut picture

book from the creator
of the viral
sensation Kid
President is a moving
take on how we can
create bigger and
bigger circles of
community and
connections as we
grow—now a New York
Times bestseller! In
the circles all
around us, everywhere
that we all go,
there's a difference
we can make and a
love we can all show.
This is the story of
a circle. When we're
first born, our
circle is very small,
but as we grow and
build relationships,
our circle keeps
getting bigger and
bigger to include
family, friends,
neighbors, community,
and beyond. Brad
Montague originally

created *Circles* as an Instagram video adorably narrated by his kids, and now this picture book adaptation is the perfect way to start a conversation about how to expand our worlds with kindness and inclusivity—even if it seems scary or uncomfortable. This book makes an ideal new-baby, first-day-of-school, or graduation gift, or any milestone that celebrates someone's world getting bigger.

Take a Shape: Circle

Bantam

The Great Ball Game, a classic folktale originating from the Cherokee, Creek, Ojibway and Menominee people of North America, is adapted for a contemporary audience by Rebecca Sheir, host of the award-

winning Circle Round podcast, and accompanied by the vibrant illustrations of Joshua Mangeshig Pawis-Steckley, an Ojibwe Woodland artist. A dispute between the animals and the birds over who is best leads to a ball game challenge. When the game is disrupted by the arrival of a tiny creature named Bat, who doesn't seem to fit on either team, all the participants learn the value of diversity and celebrating those who seem "different." The accompanying activities and prompts encourage children to develop their own storytelling skills. [Circle Rolls](#) Charlesbridge Publishing
Part Sandra Boynton, part Each Peach Pear Plum; part Chicka Chicka Boom Boom, part Hippopposites—a treat for the brain and the tongue. With an elegant and simple approach, this thought-provoking concept book shows young readers that

everything in the world can be seen from infinite perspectives. Each page compares colors, shapes, and objects in relation to each other. A triangle that is over a square is also under a circle. A circle that is pink also might be a flower. The artful, playful combinations of simple concepts and Higgins's rhythmic writing and expert arrangement of objects on the page make this book a perfect read-aloud, capable of entertaining, educating, and challenging readers in equal measure. There are multiple ways to read the book, allowing it to work for several ages and reading levels at once. The educational value and sheer fun packed into this book's language and visual design will make it a huge hit with educators and librarians, new parents, and creative kids who are visual learners. This striking, delightfully different exploration of shape, color, and patterns redefines what a picture book can be. Read it once, read it ten times. See something new every time. A GREAT INTRODUCTION TO MANY DIFFERENT CONCEPTS: This book's focus on color, shapes, objects, and relative

words like "over," "under," and "next to" make this the perfect introduction to basic concepts of all kinds. Rather than traditional concept books that focus on only one idea, this book combines its teaching approach, helping young readers learn more than one concept at once by showing how they relate to each other. A DYNAMIC LEARNING EXPERIENCE: The unusual combination of colors, shapes, and animals intelligently introduces young readers to patterns, classification, and problem-solving. The imaginative language of this book, rich with rhythmic phrasing and a tongue twister – like playfulness, creates a soothing read-aloud text that engages young children with questions and encourages audience participation. PERFECT FOR ANY KIND OF EDUCATION: With a variety of qualities, and the many different ways this book engages different styles of learning, this book is ideal for librarians, educators, and anyone creating reading events in their communities. BELOVED AUTHOR: Carter Higgins is not

only the author of many acclaimed books for children such as *Everything You Need to Build a Treehouse*, *This Is Not a Valentine*, and *Bikes for Sale*, she's also a seasoned school librarian who's spent many years working with children. Her love of kids—and her passion for teaching—shines throughout this book. **EASY ART PROJECT INSPIRATION:** Having honed her art skills as an elementary librarian, Carter Higgins makes her own debut as an illustrator for this book with simple, appealing collages. Kids will love making their own art projects inspired by the illustrations in this book. **BRIGHT, EYE-CATCHING ART:** The simple shapes and lively colors are designed to appeal to young children. Read this if your children enjoy Hervé Tullet's *Press Here* or Bill Martin Jr.'s *Brown Bear, Brown Bear What Do You See?* Perfect for: • Parents • Grandparents • Educators • Gift-givers
Circle Under Berry Living Justice Press
Clutter: it's not just the piles of junk in your closet. It's also the

nagging thoughts, endless to-do lists, and calendar full of obligations. It's the fears and worries that cycle through your mind on repeat, and the sticky emotional energy that you pick up from the people around you. It's the sense of panicky suffocation you feel when you contemplate all that you "have" to accomplish in a day, a week, or a lifetime. For almost thirty years, Stephanie Bennett Vogt has been teaching the art of clearing clutter at every level: physical, energetic, mental, and emotional. Her unique "slow-drip" approach to clearing is a welcome antidote to popular binge-cleaning methods that leave you feeling exhausted and overwhelmed. With her practical tips and step-by-step guidance, you'll learn how to identify the root causes of clutter, create a personalized clutter-clearing plan, and break the endless cycle of clutter accumulation. Completely revised and updated with even more inspiring stories, helpful exercises, and insightful advice, *Your Spacious Self: Clear the Clutter and Discover Who You Are*, 10th Anniversary Edition is the ultimate guide to transforming

your home and life.

Here We Go Round National Geographic Books

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. **START WITH WHY** asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started

with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. **START WITH WHY** shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

How Round Is Your Circle?

Chronicle Books

Meetings in the round have become the preferred tool for moving individual commitment into group action. This book lays out the structure of circle conversation, based on the original work of the authors who have standardized the essential elements that constitute circle practice.

Start with Why Berrett-Koehler Publishers

If you look closely, you will find that the world is bursting, swelling,

budding, and ripening with round things awaiting discovery—like eggs about to hatch, sunflowers stretching toward the sun, or planets slowly spinning together for billions of years. Whimsical and imaginative, this poetic ode to all that is round and full of wonder by the Newbery Honor – winning author and poet Joyce Sidman, with illustrations by the two-time New York Best Illustrated Book award recipient Taeun Yoo, inspires curiosity and wonder for this (round) little earth we call home.

Conjure up these adorable figures of "the boy who lived" and his friends. All the spells needed to make amigurumi dolls of Harry Potter and Dobby are included: yarn, stuffing, needle and thread, safety eye beads, and the special magic wand crochet hook.

Harry Potter Crochet Red Wheel/Weiser

#1 INTERNATIONAL BESTSELLER • “ A landmark manifesto” (The New York Times) that's a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential. In her famed TED talk, Sheryl Sandberg described how women unintentionally hold themselves back in their careers. Her talk, which has been viewed more than eleven million times, encouraged women to “ sit at the table, ” seek challenges, take risks, and pursue their goals with gusto. Lean In continues that conversation, combining personal anecdotes, hard data, and compelling research to change the conversation from what women can ’ t do to what they can. Sandberg, COO of Meta (previously

called Facebook) from 2008-2022, provides practical advice on negotiation techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home.

Writing Alone Together
Scholastic Inc.

In Round the Circle, author Julie Brill gathers the wisdom of twenty-three established doulas who generously share what they've learned along the way, including Laurel Wilson and Tracy Wilson Peters, authors of The Attachment Pregnancy, Rivka Cymbalist, author of The Birth Conspiracy Natural Birth, Hospitals, and Doulas: A Guide, and Amy Wright

Glenn, author of *Birth, Breath, and Death: Meditations on Motherhood, Chaplaincy, and Life as a Doula*. Learn more about addressing fears mothers may have; encouraging the motherbaby bond; supporting religious and spiritual practices; working with orthodox Jewish families, LGBTQ families, teen mothers, surrogates, immigrants, and incarcerated moms; the pros and cons of attending the births of friends/family members; issues related to becoming personal friends with your clients; the doula's role in planned and unexpected homebirths and cesarean births; supporting the family after the birth; building and marketing your doula business; and doula self-care. Intended to be a mentoring tool, *Round the Circle* will prove interesting and helpful

considering becoming a doula and for those already practicing.

The Vicious Circle Hale Pub.

This classic children ' s book is “ a treasure trove for admirers of [Stein ' s] singular vision and Hurd ' s always charming artwork ” (Publishers Weekly).

Written in her unique prose style, Gertrude Stein ' s *The World Is Round* chronicles the adventures of a young girl named Rose—a whimsical tale that delights in wordplay and sound while exploring the ideas of personal identity and individuality. This volume replicates the original 1939 edition, including all of Clement Hurd ' s original blue-and-white art printed on the rose-pink paper that Stein insisted upon. Also featured here are two essays that provide an inside view to the making of the book. The first, a foreword by Clement Hurd ' s son, author and illustrator Thacher Hurd, includes previously unpublished photographs and sheds light on a creative family life in Vermont,

where his father and mother, author Edith Thacher Hurd, often collaborated on children's books. The second essay, an afterword by Edith Thacher Hurd, takes readers behind the scenes of the making of *The World Is Round*, including the numerous letters exchanged between Hurd and Stein as well as images of Stein with the real-life Rose and her white poodle, Love.

“ The perfect mix of Gertrude Stein's painterly words and Clement Hurd's elegant illustrations make *The World Is Round* an unforgettable treasure. ” —Todd Oldham “ a book. a beautiful book. arrived. it is pink and it is smart and it is beautiful. bring that book over here so i can look at it. would you like some tea? ” —Maira Kalman
Simple Geometric Quilting
Knopf

A circle of children ask others to join in their play and soon find out that inclusion is irresistible, illustrated by Caldecott Honor recipient Hanna Cha. From the author of *I'm New Here* and *Someone New* comes an inspiring new

story of inclusion. One child in a park waves over a second child. Two children then wave over a third. Counting from one to ten, a growing circle of children see new faces outside the group and invite them over. Children of different abilities, ages, genders, and races demonstrate how easy it can be to expand your group, extend yourself, and welcome new friends.

Lean In Capstone

A roadmap to fulfillment, with practical tools for the journey *The Circle Blueprint* is your personal guide to fulfillment. Are you thriving or just surviving? Are you energized, balanced, and happy? This book helps you dig to the root of the problem, and gives you a roadmap for getting your life on a more positive trajectory. You'll begin with an honest assessment of your current situation, and the life choices that got you there; this is your

Circle, and through it, almost anything becomes possible. Your Circle can be adjusted—expanded, narrowed, balanced, or thrown off-kilter—to steer your life where you want it to go. Your Circle must be tended to, and whether you realize it or not, you make these choices every single day. This book helps you define your Circle, master it, and create the life you want to live. Finding satisfaction doesn't mean starting a whole new life, it means reshaping the one you have to keep what's working and adjust what's holding you back. This book gives you the tools and insight you need to make the journey, with practical exercises to guide you through each step of the way. Think about how your life choices affect your emotional well-being Map your existing

Circle to your current levels of life satisfaction Expand and balance your Circle to align more closely to your vision Discover the fulfillment of living life with purpose Wanting more doesn't mean not liking what you have, it's simply an acknowledgment that there is room for improvement. Change is not only possible; it's often inevitable—but it's up to you to dictate the course of these changes. The Circle Blueprint helps you chart your path, and gives you the tools you need to reach that destination. Your Spacious Self Simon and Schuster A clever and spirited rhyming story of friends who literally come in all shapes and sizes When Circle rolls into one of Triangle's points and pops, chaos momentarily ensues until Octagon's "Stop!" brings everyone to their senses. An

effortlessly rhyming text introduces us to a collection of shapes and subtly weaves their physical characteristics into traits that both lead to and solve a would-be catastrophe. Master illustrator Serge Bloch's shapes are accompanied by a chorus of miniature people who play along, creating the perfect complement to Barbara Kanninen's economy of words. Worthy of comparison to Shel Silverstein's *The Missing Piece*, this raucous chain of events is satisfyingly cyclical, ending just exactly where it began.

How Round Is Your Circle?
HarperCollins

Our ancestors gathered around a fire in a circle, families gather around their kitchen tables in circles, and

now we are gathering in circles as communities to solve problems. The practice draws on the ancient Native American tradition of a talking piece. Peacemaking Circles are used in neighborhoods to provide support for those harmed by crime and to decide sentences for those who commit crime, in schools to create positive classroom climates and resolve behavior problems, in the workplace to deal with conflict, and in social services to develop more organic support systems for people struggling to get their lives together. A title in *The Little Books of Justice and Peacebuilding Series*.
