Believe, Sachin Tendulkar told him - and he took it to heart, getting the word etched on his arm as a tattoo. In this book, Suresh Raina takes us through the challenges he faced as a young cricketer. He was bullied in school and at cricket camps, but he always punched above his weight, overcoming every adversity life threw at him and never giving up. This is the story of the lessons he learnt and the friendships he built. Peppered with invaluable insights - about the game and about life - that Raina acquired from senior colleagues like M.S. Dhoni, Rahul Dravid, Anil Kumble, Sachin Tendulkar and Sourav Ganguly, among others, this book will make you believe in the power of hard work, love, luck, hope and camaraderie. It is a journey through the highs and lows in the cricketing career of a man who saw his world fall apart and yet became one of the most influential white-ball cricketers India has ever seen. New Press, The  
Finalist for the Writers' Trust Fiction Prize and for the Governor General's Literary Award, this powerful new work, about a transgender sex worker in the red-light district of Bombay who is given an unexpected task, is a gripping literary page-turner--difficult and moving, surprising and tender. Anosh Irani's best novel yet, and his first with Knopf Canada. The Parcel's astonishing heart, soul and unforgettable voice is Madhu--born a boy, but a eunuch by choice--who has spent most of her life in a close-knit clan of transgender sex workers in Kamathipura, the notorious red-light district of Bombay. Madhu identifies herself as a "hijra"--a person belonging to the third sex, neither here nor there, man nor woman. Now, at 40, she has moved away from prostitution, her trade since her teens, and is forced to beg to support the charismatic head of the hijra clan, Gurumai. One day Madhu receives a call from Padma Madam, the most feared brothel owner in the district: a "parcel" has arrived--a young girl from the provinces, betrayed and trafficked by her aunt--and Madhu must prepare it for its fate. Despite Madhu's reluctance, she is forced to take the job by Gurumai. As Madhu's emotions spiral out of control, her past comes back to haunt her, threatening to unravel a lifetime's work and identity. This is a dark, devastating but ultimately redemptive novel that promises to be one of the most talked-about

publications of the year.

Cobalt Blue is a tale of rapturous love and fierce heartbreak told with tenderness and unsparing clarity. Brother and sister Tanay and Anuja both fall in love with the same man, an artist lodging in their family home in Pune, in western India. He seems like the perfect tenant, ready with the rent and happy to listen to their mother's musings on the imminent collapse of Indian culture. But he's also a man of mystery. He has no last name. He has no family, no friends, no history, and no plans for the future. When he runs away with Anuja, he overturns the family's lives. Translated from Marathi by acclaimed novelist and critic Jerry Pinto, Sachin Kundalkar's elegantly wrought and exquisitely spare novel explores the disruption of a traditional family by a free-spirited stranger to examine a generation in transition. Intimate, moving, sensual, and wry in its portrait of young love, Cobalt Blue is a frank and lyrical exploration of gay life in India that recalls the work of Edmund White and Alan Hollinghurst—of people living in emotional isolation, attempting to find long-term intimacy in relationships that until recently were barely conceivable to them.

Then, watching television one night, he stumbles upon a clip from a lost silent film by comedian Hector Mann. Zimmer's interest is piqued, and he soon finds himself embarking on a journey around the world to research a book on this mysterious figure, who vanished from sight in 1929 and has been presumed dead for sixty years.
