In his book *How the West Won: The Neglected Story of the
Triumph of Modernity*, Professor Rodney Stark outlines how the
rise of the West was fueled and enabled by the rise of Christianity,
and how the philosophical underpinnings of rationality and
reason embraced by early theologians actually enabled the idea
that progress was possible and gave birth to capitalism, democracy
and the western way of war, which enabled the West to defend
against and survive threats from militant Islam.

How the West Won: The Neglected Story of the Triumph of ...

How the West Won shows, for example: Why the fall of Rome was the single most beneficial event in the rise of Western civilization. Why the "Dark Ages" never happened. Why the Crusades had nothing to do with grabbing loot or attacking the Muslim world unprovoked. Why there was no "Scientific Revolution" in the seventeenth century. Why scholars' recent ...

How the West Won Quotes by Rodney Stark - Goodreads

Finally the Truth about the Rise of the West. Modernity developed only in the West—in Europe and North America. Nowhere else did science and democracy arise; nowhere else was slavery outlawed. Only Westerners invented chimneys, musical scores, telescopes, eyeglasses, pianos, electric lights, aspirin, and soap.

by Rodney Stark Intercollegiate Studies Institute. Wilmington, Del. 455 pages REVIEWED BY ROBERT L. MONTGOMERY This is a book for those who, like me, are interested in the "fruits of faith" that have followed over the last 2000 years since the coming of Jesus Christ into the world. It is also a book for critics of Christianity who are overly impressed with the 17th century so-called ...
