AQA | Economics | GCSE | Economics Make sure your argument is also in context by applying your answer to the business and that your argument is coherent, showing a logical chain of reasoning. Using connectives in your answer can help you to develop logical chains of reasoning. Then, you need to show balance by providing a counter argument (counterbalance). This argument should look at some of the limitations of total quality management to Mayflower or perhaps a disadvantage of total quality management. How Long Should You Spend On the IGCSE Economics Paper 2 ...

First of all, go through all the content and the syllabus. Understand the basics of economics. Get the hang of it. Sit with your syllabus and go through all the points and see if you can answer them.

Question paper: Paper 1 How markets work - Sample set 1

Economics (0455) The Cambridge IGCSE Economics syllabus develops an understanding of economic theory, terminology and principles. Learners study the economics of different countries and how these interrelate. They also learn to work with simple economics data and to use the tools of economic analysis. Learners apply understanding of economics to current economic issues.
