Make sure your argument is also in context by  
applying your answer to the business and that your  
argument is coherent, showing a logical chain of  
reasoning. Using connectives in your answer can help  
you to develop logical chains of reasoning. Then, you  
need to show balance by providing a counter  
argument (counterbalance). This argument should  
look at some of the limitations of total quality  
management to Mayflower or perhaps a disadvantage  
of total quality management.
