#### How to Answer Multiple Choice Questions? - WiseStep

A multiple-choice question is a type of questionnaire/survey question that provides respondents with multiple answer options. Sometimes called objective response questions, it requires respondents to select only correct answers from the choice options.

#### **How To Answer Objective Questions**

Objective questions with short, specific answers require memorization. Flashcards are a helpful tool for this process. However, students should not stop with memorizing terms and definitions, as memorization is only the first step. As a student, you must gain a deeper understanding of each term or concept in order to understand why some potential multiple choice answers are incorrect.
