It is better to ask an open-ended question -- one without artificial bounds -- and to give the respondent time to answer with the appropriate level of detail and nuance. Open-ended questions also...

Another tactic is to ask a question in the declarative format — “ Tell me about that. ” People who won ' t answer questions sometimes respond better to a direct order. Speak your listener ' s language. Relate questions to the listener ' s frame of reference and use words and phrases that your listener understands.
