Seek. Knock.

'Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened.'
(Matthew 7:7-8). We all have questions about Jesus, the Bible,

the Christian faith and our culture today. The great news is that Jesus gives answers. These questions were gathered from teenagers in fifteen countries in five different continents. All of them are real questions from real teenagers. 52 short chapters. Each contains a question, a Bible passage, a Bible verse,

a discussion, something to consider, recommended further reading and a prayer. These answers may lead to more questions which is fine - but the main aim of this book is that you the reader comes to see and know better the One who is the Answer, Jesus Christ.

Most people decide whether a second date is on the cards in under an hour. Feeling the pressure? Dates are stressful, and a lot rides on that first conversation. When your palms are sweating and you're already hooked on your date's eyes, how do you make sure they're getting hooked on you? The answer's simple: you ask questions. Not just any questions

though--they have to be the right questions. Sound stressful? Not if you have the proper guidance. How many times have you kicked yourself for the nonsense you heard falling out of your mouth on a first date? How many second dates have you lost because the conversation became stagnant before it ever got going? The first date is your earliest opportunity to get to know someone intimately. It's your chance to find out if you're compatible, if you have the same passions, and if the same things make you tick. For this to happen though, you need a killer question to spark hours of conversation. This is your golden key to securing a second date. In 250 Questions for Dates: Never Ask About the Weather Again!, you'll be given an arsenal of material to get the conversation flowing. You'll find: 250 killer questions so that you never find yourself stuck for words again A toolbox of deep questions that will surely deepen your date's interest in you Foolproof ways to learn about the very essence of your date, even when your mind is chaos The questions certain to raise any red flags you need to know about now, before it's too late The #1 way to get answers to the things no modest person will ever brag about How to pick the perfect restaurant for the second date without even asking them A guaranteed way to get a meaningful conversation flowing that is far bigger than 1 simple question seems And much more. We can all remember a time we were stuck for words when all we

really wanted was to truly get to know someone. Once you've been there, you'll know it's not somewhere you want to be again. Data has shown that if you date someone for 3 months, you're likely to start a serious relationship with them. Discover how to turn that first night into at least 3 months of conversation you never want to end. If you're ready to become the person you'd want to date and leave a lasting first impression, click "Add to Cart" right now.

The Killer Questions Your Company Should Be Asking
Generating and executing great ideas is the key to staying ahead in a rapidly changing world. It seems so basic. Why is it so hard to actually get right? According

to innovation expert Phil McKinney, the real problem is that we're teaching people to ask the wrong questions about their businesses--or none at all. There has to be a better way. In *Beyond the Obvious*, McKinney will help you use his proven FIRE (Focus, Ideation, Rank, Execution) Method to dig deeper and get back to asking the right questions--the ones all companies must ask to survive. Full of real-world examples, this book will change the way you operate, innovate, and create, and it

all begins with battle-tested questions Phil has gathered on note cards throughout his career. Shared for the first time here, these "Killer Questions" include: What are the rules and assumptions my industry operates under? What if the opposite were true? What will be the buying criteria used by my customer in 5 years? What are my unshakable beliefs about what my customers want? Who uses my product in ways I never anticipated? These questions will reframe the way you see your products, your customers, and the way the two

interact. Whether you're a company of thousands or a lean startup, *Beyond the Obvious* will give you the skills and easy-to-follow plan you need to make both the revolutionary changes and nuanced tweaks required for success. Praise for *Beyond the Obvious* "Human beings are creatures of habit, so getting ourselves and our teams to think beyond the obvious is a challenge we face all the time. Phil McKinney is an innovation expert, and his killer questions and hit-the-spot anecdotes provide a great way to get

out in front of opportunities we otherwise won't see." --Geoffrey Moore, author of *Crossing the Chasm* and *Escape Velocity* "I've always believed that asking the right questions is the essence of design. Phil McKinney proves that point with this wonderful set of killer questions that will jumpstart- or greatly enhance- your innovation efforts." --B. Joseph Pine II, co-author, *The Experience Economy & Infinite Possibility*. "Product Innovation is a prerequisite to building great

brands. Phil's questions are a prerequisite to building innovative products." --Satjiv S. Chahil, former global marketing chief, Apple

250 Questions for Dates
Wong Hui Shin

We often think of Jesus as someone with all the answers. But over and over in scripture, he asks questions, seeking to engage with people and genuinely interested in their responses. Matthew

Croasmun challenges readers to consider this book as an experiment—an opportunity to see whether God is real. He invites us to enter into conversation with Jesus by answering the questions Jesus asks in scripture. The goal is not to come up with what we think are the right answers but to respond honestly to Jesus' questions. Each chapter of this six-week study contains five readings. Each reading

follows this format: A Bible passage with a question Jesus asks in bold type. A short reflection designed to help you engage with Jesus' question as he asked it in the Gospels and as he asks it of you now. Space for you to continue the conversation with Jesus. Written in a warm, encouraging style, this thought-provoking and imaginative book will certainly give readers entry points into conversation with God, and they may find

For innovation and leadership guru Hal Gregersen, the power of questions has always been clear—but it took some years for the follow-on question to hit him: If so much depends on fresh questions, shouldn't we know more about how to arrive at them? That sent him on a research quest ultimately including over two hundred

Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. You will come to realize that God isn't afraid of the hard questions, and His Word has all the answers you'll ever need! Ask Me This Instead Corwin Many leaders are unaware of the amazing power of questions. Our

conversations may be full of requests and demands, but all too often we are not asking for honest and informative answers, and we don't know how to listen effectively to responses. When leaders start encouraging questions from their teams, however, they begin to see amazing results. Knowing the right questions to ask—and the right way to listen—will give any leader the

skills to perform well in any situation, effectively communicate a vision to the team, and achieve lasting success across the organization. Thoroughly revised and updated, *Leading with Questions* will help you encourage participation and teamwork, foster outside-the-box thinking, empower others, build relationships with customers,

solve problems, and more. Michael Marquardt reveals how to determine which questions will lead to solutions to even the most challenging issues. question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities

and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and “ beautifully. ” this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as

well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from “ How can I adapt my career in a time of constant change? ” to “ How can I step back from the daily rush and figure out what really makes me

happy? ” By showing how to approach questioning with an open, curious mind and a willingness to work through a series of “ Why, ” “ What if, ” and “ How ” queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.
