Sixteen Candles meets Sliding Doors in this hilariously charming and irreverent YA debut. Fans of realistic teen fiction like Lauren Barnholdt's *Two-Way Street* and Sarah Mlynowski's *Ten Things We Did (And Probably Shouldn't Have)* will love *Ask Again Later's* pitch-perfect tale of prom night drama—with a twist. And that's why, when two surprise prom invites derail her brilliant plan, Heart takes the only foolproof, drama-free solution: a coin flip—that somehow gives her the chance to live out both prom nights. Heads or tails, where they both end up might be the most surprising thing of all. . . .

The Last Woman He'd Ever Date Henry Holt and Company

The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe -- and the letter that changed both of their lives forever. It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin

recount how they became best friends--and better people--through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.

How to Be Single Scholastic Inc.

Liz Scheier's darkly funny and touching memoir—with shades of Jeannette Walls's *The Glass Castle* and Mira Bartók's *The Memory Palace*—of growing up in '90s Manhattan with a brilliant, mendacious single mother Scheier's mother Judith was a news junkie, a hilarious storyteller, a fast-talking charmer you couldn't look away from, a single mother whose devotion crossed the line into obsession, and—when in the grips of the mental illness that plagued every day of her life—a violent and abusive liar whose hold on reality was shaky at best. On an uneventful afternoon when Scheier was eighteen, her mother sauntered into the room to tell her two important things: one, she had been married for most of Scheier's life to a man she'd never heard of, and two, the man she'd told Scheier was her father was entirely fictional. She'd made him up. Those two big lies were the start, but not the end; it took dozens of smaller lies to support them, and by the time she was done she had built a farcical, half-true life for the two of them, from fake social security number to fabricated husband. One hot July day twenty years later, Scheier receives a voicemail from Adult Protective Services, reporting that Judith has stopped paying rent and is refusing all offers of assistance. That call is the start of a shocking journey that takes the Scheiers, mother and daughter, deep into the cascading effects of decades of lies and deception. *Never Simple* is the story of learning to survive—and, finally, trying to save—a complicated parent, as feared as she is loved, and as self-destructive as she is adoring.

Come Home to Me Simon and Schuster

In this beautiful, grounded, and darkly magical modern-day reimagining of J. M. Barrie's classic, to save her daughter's life one woman must take on the infamous Peter Pan—who is not the innocent adventurer the fairy tales make him out to be . . . Life is looking up for Holly Darling, granddaughter of Wendy—yes, that Wendy. She's running a successful skincare company; her son, Jack, is happy and healthy; and the tragedy of her past is well behind her . . . until she gets a call that her daughter, Eden, who has been in a coma for nearly a decade, has gone missing from the estate where she's been long tucked away. And, worst of all, Holly knows who must be responsible: Peter Pan, who is not only very real, but more dangerous than anyone could imagine. Eden's disappearance is a disaster for more reasons than one. She has a rare condition that causes her to age rapidly—ironic, considering her father is the boy who will never grow up—which also makes her blood incredibly valuable. It's a secret that Holly is desperate to protect, especially from Eden's half-brother, Jack, who knows nothing about his sister or the crucial role she plays in his life. Holly has no one to turn to—her mother is the only other person in the world who knows that Peter is more than a story, but she refuses to accept that he is not the hero she's always imagined. Desperate, Holly enlists the help of Christopher Cooke, a notorious ex-soldier, in the hopes of rescuing Eden before it's too late . . . or she may lose both her children. *Darling Girl* brings all the magic of the classic Peter Pan story to the present, while also exploring the dark underpinnings of fairy tales, grief, aging, sacrifice, motherhood, and just how far we will go to protect those we love.

Liz Jones is Fashion Editor of the Daily Mail, and a columnist for the Mail on Sunday. She is the former editor of Marie Claire, which sounds quite an

achievement, but she was sacked three years in. A psychotherapist once told her, 'What you brood on will hatch', and she was right. Nothing Liz ever did in life ever worked out. Nothing. Not one single thing. Liz grew up in Essex, the youngest of seven children. Her mother was a martyr, her dad so dashing that no other man could ever live up to his pressed and polished standards. Her siblings terrified her, with their Afghan coats, cigarettes, parties, sex and drugs. They made her father shout, and her mother cry. Liz became an anorexic aged eleven, an illness that continues to blight her life today. She remained a virgin until her thirties, and even then found the wait wasn't really worth it; it was just one more thing to add to her to do list. She was named Columnist of the Year 2012 by the British Society of Magazine Editors, but is still too frightened to answer the phone, too filled with disgust at her own image to glance in the mirror or eat a whole avocado. She lives alone with her four rescued collies, three horses and seventeen cats. *Girl Least Likely To* is the opposite of 'having it all'. It is a life lesson in how NOT to be a woman.

On a warm day in May 2004, Liz Byron set off from Cooktown with her two companions, donkeys Grace and Charley, on a self-imposed challenge to walk 2500 kilometres of the Bicentennial National Trail over 9 months. This epic journey was a rite of passage to mark leaving 40 years of marriage and embarking on life as a single woman at the age of 61. She foresaw that self-reliance, physical stamina and route-finding would be challenges, but couldn't have known how the outback environment in Queensland was to test her to the limit. Years of drought had left much of her route a dusty wasteland, without food or water for her animals. Years of suffering from childhood abuse and a family tragedy had left her unwilling to ask for help. Walking became a meditation, an exercise in being in the moment even when that moment was 43 degrees or she hadn't eaten for 7 hours. In her moving memoir, Liz reveals how she healed herself step-by-step on the way to her new home in northern NSW - by learning to trust her intuition, the wisdom of her animals and the kindness of strangers.
